

CBD Listening Session

Discussing Downtown

The Village of Clarendon Hills will be sponsoring a Central Business District (CBD) Listening Session on March 9 at 7:00 p.m. in the Prospect School gymnasium. The purpose of the meeting will be to gather input from the community about the future of the downtown area. All interested residents and business owners and operators are encouraged to attend.

By listening to the community, the Village is aiming to construct a vision for the CBD that captures citizen insight. The goal of the CBD planning process is to develop a guide for future development and redevelopment in the downtown area. Planning consultants will be present to help facilitate the discussion amongst all attendees.

The Listening Session will be the first of three meetings that will engage the community in formulating a plan for the downtown's future. The purpose of the following meetings will be to consolidate alternatives into a finalized CBD plan. More information concerning these meetings will be made available in the near future. For more information regarding the Listening Session, contact the Village at (630) 323-3500.
