## **CLARENDON HILLS HOSTS CENTRAL BUSINESS DISTRICT COMMUNITY VISIONING WORKSHOP**

The Village of Clarendon Hills is sponsoring a *Community Visioning Workshop* to gather input from the community about the future of the central business district (CBD). This workshop is the second of three meetings that will formulate a plan for the future of downtown Clarendon Hills. The goal of the CBD planning process is to develop a guide for future development and redevelopment in the downtown area. All interested residents and business owners and operators are encouraged to attend.

The *Community Visioning Workshop* will be held on July 28, 2005 at 7:00 p.m. The meeting will take place in the Prospect School Gymnasium at 100 N. Prospect Avenue in Clarendon Hills. This workshop was preceded by a *Listening Session* held in March where members of the residential and business community voiced their concerns and suggestions regarding downtown Clarendon Hills. At the *Community Visioning Workshop*, various concepts will be presented for participant feedback. Planning consultants and staff will be present to help facilitate the discussion amongst all attendees. More information concerning the final CBD meeting will be made available in the near future.
