

**Second CBD Public Meeting
Community Visioning Workshop on July 28th**

The Village of Clarendon Hills will be holding a second public meeting regarding the Central Business District planning process on Thursday, July 28th at 7:00 p.m. in the Prospect School Gymnasium. All interested residents and business owners and operators are encouraged to attend. The first CBD meeting held in March was a community listening session, where members of the residential and business community provided input about the future development of the downtown.

The second public meeting will be a community-visioning workshop where various concepts will be presented for participant feedback. Planning consultants and staff will be present to help facilitate the discussion between all attendees.
