**MEMORANDUM**

**To:** Village President Austin and Board Trustees  
**From:** Kevin Barr, Village Manager  
**Date:** December 4, 2020  
**Subject:** Weekly Report

- **COVID-19 Business Operation Update** – Staff has prepared support materials for the Board to consider at the meeting Monday night. As we are close to official winter, the street barricades in front of I Love Candy have been removed. Since they are still occasionally in use, the barricades in front of Starbucks have remained in place.
- **Staff Response to COVID-19 Pandemic/Village Operations** – We are continuing to operate as we have before, with a renewed emphasis on staff remaining as separate as possible. We continue to not see any reason to close down public operations at this point.
- **COVID-19 Health Department Update** – I took part in the weekly call on Monday. The news continued to be highly negative, though some of the trend lines seem to have moderated. We continue to urge residents and businesses to remain cautious and wear masks when in public places.
- **Governor Call re COVID-19** – On Thursday morning, I participated on another State-wide call with the Governor's office. The purpose this time was primarily a review of expectations regarding vaccine distribution. In short, the current expectation is that more than 1 million doses will be available by the end of the month and a continuous supply arriving after that. As widely reported, supply is to be available to health care workers first, and then after that other population groups based on need. An early group will include "first responders", presumably including police officer, paramedics, and fire fighters. It is unclear at this time how it will be applied to other "essential workers" such as public works and support employees.
- **Santa on Parade** – The Park District is hosting (or hosted, depending on when you read this) a Santa drive-around event this afternoon (Friday) from 4 to 8 p.m. Looks like a nice day for it, and we hope the kids have a chance to see Santa!
- **DMMC Manager's Meeting** – This meeting took place on Thursday morning. Issues discussed included bodycams and COVID-19 related issues, particularly issues related to enforcement of guidelines and implementation of vaccine protocols.

- **Vehicular Speed Data Information** – Chief Dalen, Assistant Manager Creer and I met on Tuesday to discuss the preliminary speed data map the Police Department has put together. It is a great source of information and we plan to present it to the Village Board at one of the January meetings.
- **Census Certificate** – The U.S. Census Bureau has recognized the Village of Clarendon Hills staff as a “2020 Census Partner” in helping to raise awareness, gather census takers, and spread the importance of counting everyone. The certificate is enclosed.

Enjoy the weekend and stay safe.

## MEMORANDUM

**To:** Kevin Barr, Village Manager  
**From:** Maureen B. Potempa, Finance Director  
**Date:** December 4, 2020  
**Subject:** Department Report

1. On Wednesday, Senior Staff Accountant Kari Krzemkowski and myself attended a virtual webinar on fraud mitigation. The webinar was hosted by the Illinois Government Finance Officers Association and presented by First Midwest Bank. Many of the suggested measures to limit fraud risk are already in place with the Village. I am currently working with the Bank of Clarendon Hills to put an additional safeguard in place to protect our account from ACH Fraud.
2. Village Hall is Open M-F 9:00 AM to 5:00 PM (closed from noon to 1:00 PM for lunch). **Masks are required** of anyone entering the building.
3. Just a friendly reminder to residents of the various ways to pay their water bill while practicing safe social distancing:

- **Online Payments**

- [www.clarendonhills.us/388/Online-Bill-Pay](http://www.clarendonhills.us/388/Online-Bill-Pay)
  1. Pay by Credit/Debit Card (*All major credit cards accept with no addition fees*)
  2. Sign up for Auto Debit (ACH – auto draft a checking or savings account)

- **Pay-In Person/Drive Up Drop box**

Village Hall is Open M-F 9:00 AM to 5:00 PM (closed from noon to 1:00 PM for lunch). Masks are required of anyone entering the building. Clarendon Hills Bank has Drive-up Drop box is in the outside drive-up lane

- **Pay by Mail**

Use the enclosed remittance envelope that came along with the bill addressed to:

## MEMORANDUM

**To:** Kevin Barr, Village Manager  
**From:** Brendan McLaughlin, Public Works Director  
**Date:** December 4, 2020  
**Subject:** Weekly Reports for Last Two Weeks

1. Crews repaired a water main break on Tuesday night prior to Thanksgiving on Burlington a block west of the prior main break.
2. Crews patched both locations disturbed by main breaks. A few of the larger ruts in town were backfilled with dirt to carry them over the winter.
3. Staff supported a Turkey Cooking Oil Recycling Event on the Saturday morning after Thanksgiving. The oil will be converted into biofuel.
4. Crews installed 30 Christmas Trees in support of the Chamber of Commerce's Clarendon Trees Project.
5. Holiday wreaths and garland were fine-tuned, and any burnt out fuses or bulbs replaced. The final segment in front of Village Hall is waiting for ComEd to energize a new electrical service.
6. Concrete barriers were collected from the east side of Prospect as the businesses no longer had use for them.
7. Our tree contractor continued to work on tree removals and stump grinding. Public Works crews continued to follow up with placing topsoil. We will do seeding in the Spring.
8. A variety of smaller tasks were also completed including monthly meter reading, new water service inspections, and general clean up in the Downtown.
9. Tires were replaced on the event trailer and multiple oil changes and maintenance were done on both Public Works vehicles and for the Police Department.

## MEMORANDUM

TO: Kevin Barr, Village Manager  
FROM: Dan Ungerleider, Community Development Director  
DATE: December 4, 2020  
RE: Department Report

1. **Building Permits.** In November the Village issued nineteen (19) permits having a total reported construction value of \$3,975,800. The Monthly Permit Report for November is posted at [www.clarendonhills.us/bp](http://www.clarendonhills.us/bp).

2. **Downtown Revitalization Project**

a. **Gates.** Overhead lines and utility poles between the soon to be removed mechanical bungalow and east pedestrian-crossing were removed as planned.

**Notice:** BNSF will be installing the new gates soon. During installation, Prospect Ave crossing will be closed. The plan is to have all gates installed on in one day, however the Village will be prepared for the closing to last longer if need be. Updates will be posted at the crossing, on the Village website, and on Facebook.

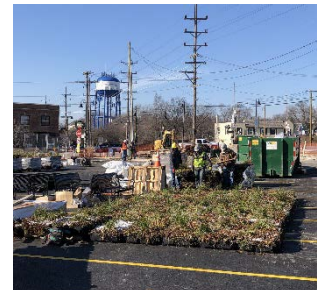

b. **Train Station – Inbound Shelters.** Chugging along... here are some recent pictures:

inside facing west

green roof materials

c. **Streetscape.** The Village is waiting for ComEd to turn on the electrical service in front of Village Hall. Once complete, hopefully next week, we will have power for Village Hall, Burlington and Prospect Streetlights, and for

all of the beautiful Christmas Trees surrounding Village Hall. The permanent railings are being fabricated and should be installed early after the new year

- d. **Train Station – Outbound Shelter.** This part of the project has been scheduled to start in spring 2021.
