

DATE: April 16, 2021
TO: Village President Austin and Board of Trustees Kevin S. Barr, Village Manager
FROM: Maureen B. Potempa, Finance Director
SUBJECT: 1st Quarter Treasurer's Report for Calendar Year 2021

It is respectfully requested that the attached Treasurer's Report for the 1st Quarter of the Calendar Year 2021 be placed on the Consent Agenda for your acceptance. This Treasurer's Report provides a summary of the Village's 1st Quarter activity along with Calendar Year-End 2020 estimates. Note that CY2020 estimates are unaudited.

The attached report includes the financial summary for the Village's first financial quarter. At this point, we would typically expect to see revenue significantly below the budgeted amount since more than 54% of the budget revenue comes from property taxes. The Village will not start recognizing property taxes until the 2nd quarter of the calendar year. Also, sales tax payments from the state are lagging three months behind which also results in actual revenue appearing lower than budgeted in the 1st quarter. Due to the timing of property taxes, state payments, this report is intended to be a rough guide and the purpose of this memo is to help explain some of the deviations.

Highlights:

General Fund Revenue

Property Taxes represent the greatest portion of General Fund revenues at 54%. As mentioned above the Village will not start recognizing property taxes until the 2nd quarter of the calendar year.

Places for Eating Taxes are budgeted at \$85,000 for CY21. The current receipts for this quarter are down compared to last year, mostly because we have ten establishments versus the twelve in the previous year. Another item of note is the collections at this point only represent January and February sales, March sales are due on April 20th. It is anticipated as new restaurants come online and restaurants return to full capacity sales will increase and tax revenue will meet the budgeted expectation.

Personal Property Replacement Taxes are budgeted at \$19,500 for CY21. Actual revenues have increased from the prior year by 15.4%, there has been a steady increase in the last 12 months which is reflected in the increased budget from the prior year.

License revenues, which include licenses for businesses, contractors, animals, liquor, and motor vehicles, are budgeted at \$584,000 for CY21. Actual receipts recorded were \$100,126 or 17% of the budget. This is a significant increase from this point last year where actual receipts were \$55,499 or 9.91% of the budget. A large portion of this increase is seen in the uptick of building permits. As the State of Illinois continues to move toward Phase 5 we anticipate licenses and fees return to the normal pace. Despite the increase,

we are at 17% of budget because a large portion of the revenue will come in the second quarter when Vehicle Sticker sales commence.

Income Tax receipts, which constitute 10% of the General Fund revenues, were budgeted at \$775,000 for CY21. Revenue recognized was \$248,917 or 32.1% of budget. Revenues increased by 15.4% in contrast to this time frame a year ago. Below is a chart that shows the month-to-month comparison over this same time frame last year.

Disbursements from the State of Illinois for Sales Tax, Local Use Tax, Utility Tax, and Infrastructure Maintenance Fees normally lag three months behind the month of liability. In other words, tax receipts earned in January were be received by the Village in April.

Sales Tax revenues comprise 11% of General Fund revenues and are budgeted at \$825,000 for CY21 which is an increase from the previous year, including the portion rebated under a sales tax sharing agreement. Because of the three-month lag in distribution from the State of Illinois revenue has not been recognized yet for the 1st Quarter.

Local Use Tax revenues are budgeted at \$357,520 for CY21, this is a budgeted decrease from last year as we are seeing collections level off after several years of an increase. Because of the three-month lag in distribution from the State of Illinois revenue has not been recognized yet for the 1st Quarter

Last year was the first year of revenue for the State Cannabis Tax. State payments lag two months behind. Revenue is budgeted at \$7,600, this quarter we have recorded one month of revenue of \$740. This is a 24.9% increase over last year. This is still a very new tax and is difficult to project the revenue stream but we anticipate our budget of \$7,600 to be conservative and a target that will be met.

CY21 Fine revenue is budgeted at \$117,000 which is 1.5% of the total budget. Actual receipts are trending behind from this quarter last year. Revenue has been recorded at \$7,966 compared to \$17,194 at this point last year. I attribute this decline in revenue to the current pandemic, traffic stops comprise a significant amount of fine revenue and just recently the department has resumed making traffic stops.

General Fund revenues in total are budgeted at \$7.8 million for CY21. Revenue recognized at the time this report was issued is \$462,747 or 5.9% of the budget which is an increase from the prior year of \$458,988 or 5.8% of the budget, but slightly behind CY2019 when revenue was recorded at \$497,209 or 6.7% of the budget. The first quarter is trending just about where would anticipate at this point.

General Fund Expenditures

Overall General Fund expenditures are budgeted at \$7.1 million for CY21 and transfers to the Capital Projects Fund for future capital needs are budgeted at \$500,000. Overall expenditures have tracked well below the 25% benchmark that we use in the 1st Quarter at 20.6%. Total expenditures for the General Fund were recorded at \$1,460,614.

Some line-item expenditures have surpassed the 25% benchmark because the expense is paid in full upfront; an example (IRMA contribution has been paid in full for the year along with some memberships and subscriptions.) Utilities are another example of an expenditure that has exceeded the benchmark because of the greater demand for usage in the colder months. This section below is intended to highlight some of the variances along with the narrative to explain the deviation from what would be expected at this point.

Administration

01.510.4207 - Other Professional Services – \$1,000 budgeted, \$875 spend, these current costs are comprised of annual memberships.

Police

01-502-4207 - Police Commission - Other Professional Services - \$2,000 budgeted, \$2,000 balance. The services of the Police and Fire commission have yet to be needed this year.

01-520-4231 - Police Administration - Advertising/Printing/Copying - \$10,050 budgeted, \$10,050 balance. The Department will need to purchase permits and village stickers.

01-520-4292 - Police Administration - Memberships and Subscriptions - \$6,465.00 budgeted, \$565.00 spent, \$5,900.00 balance. The Department has yet to pay for the Lexipol policy management service (\$5,600).

01-521-4208 - Police Operations - Other Contractual Services - \$182,044.00 budgeted, \$39,927.64 spent, \$142,116.56 balance. The Department is billed quarterly for dispatch services.

01-521-4291 - Police Operations - Conferences/Training/Meetings - \$9,695.00 budgeted, \$289.00 spent, \$9,406.00 balance. The Department anticipates attending more training as COVID19 restrictions ease.

01-521-4602 - Police Operations - Contract Labor - \$10,000.00 budgeted, \$405.00 spent, \$9,594.50 balance. The Department has yet to see any major vehicle repairs this year.

01-523-4322 - Police Station Maintenance - Minor tools and Equipment - \$7,500 budgeted, \$7,500 balance. Planned purchases have yet to occur.

Public Works

01-505-4318 – Central Business District – Operating Supplies - \$7,000 budgeted, \$2,670 expensed. Sidewalk snowmelt expense is greater in the first quarter.

01-514-4320 – Village Hall Maintenance – Operating and Maint. Supplies - \$2,000 budgeted, \$900 expensed. Increase in snowmelt used due to increased sidewalks installed at the Hall. Seasonal impact as well.

01-540-4107 – Public Works Operations – Overtime - \$28,000 budgeted, \$16,123 expensed. Extreme snow events in the first quarter drove the overtime expenses.

Capital Projects Fund

Overall fund revenue is \$1,726,817 which has greatly exceeded the budget. This is a direct result of the timing of the Downtown Revitalization/ Train Station completion. When the budget was prepared it was anticipated that the completion of the project and reimbursements of the project would be further along. The traditional annual revenue payments that are recorded in the Capital Fund are comprised of Utility Tax and Rental Property. These combined revenue items have been recognized at \$128,814 or 19.8% of the budget. A portion of the utility tax comes from the state and lags three months behind. As a result of that delay, 19.8% of the budget is exactly where we anticipate it to be at this point.

The loan proceeds from the bond issue are recorded in the debt fund account and proceeds are transferred to capital projects as the expenditures are submitted for payment.

Expenditures were \$24,808 or 1.2% of the budget. Expenditure will increase significantly in the next quarter as the Downtown Revitalization/ Train Station project nears completion.

Water Fund

Water Sales revenues are budgeted at \$3.1 million for CY21. Actual revenues were recorded at \$485,653 which is an increase compared to this period last year of \$471,733. The consumption of water during the pandemic has increased as a result of families working and attending school from home. As things start to reopen, I anticipate we will also see a return to normal water usage.

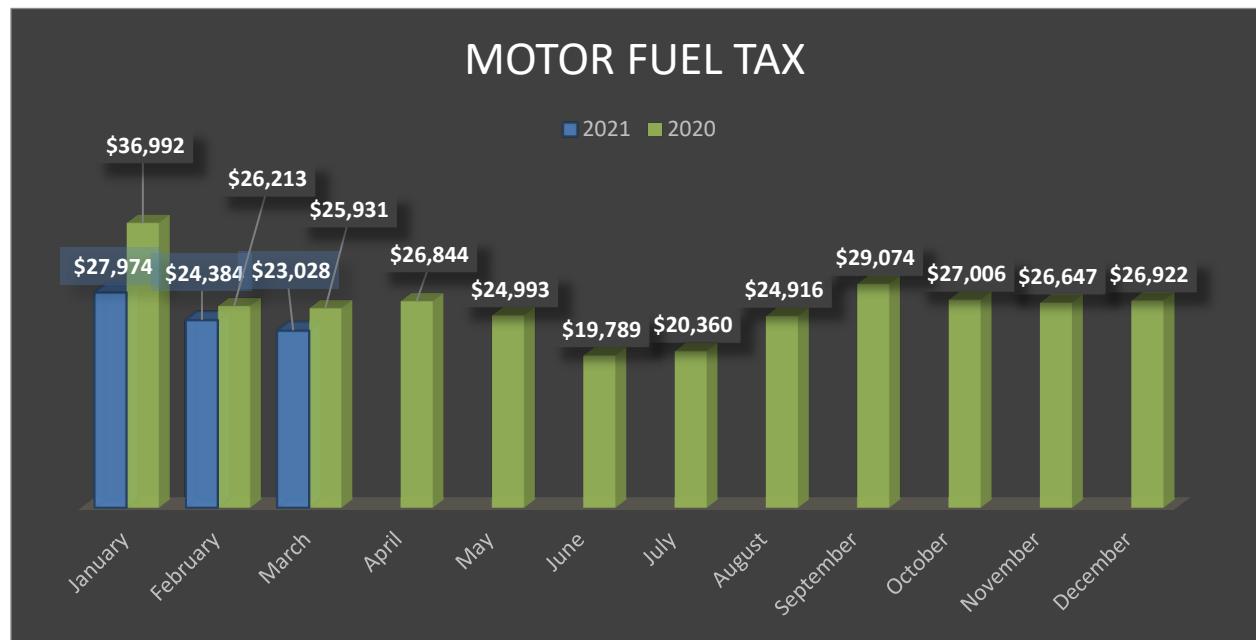

Water Fund operating expenses are budgeted at \$2.37 million for CY21. Actual expenditures are \$309,853 which is 13.1% of the budgeted amount.

20-560-4262 – Water Operations – Maintenance Buildings - \$7,000 budgeted, \$1,942 expensed. Slightly high due to snow-related repairs.

20-560-4603 – Water Operations – Vehicle Fuel - \$7,500 budgeted, \$2,302 expensed. Slightly high due to snow-related plow usage.

Motor Fuel Tax Fund

Motor Fuel Tax revenues are budgeted at \$523,936 for CY21. Actual receipts of \$168,197 or 32.1% of the budget, this is an increase over this period last year. Unfortunately, we are seeing a drop in Motor Fuel Tax State payments which are believed to be related to the stay-at-home order resulting in a decrease in fuel consumption.

Motor Fuel Tax expenditures are budgeted at \$321,410 in CY21. Actual expenditures are at \$57,833 which is 18.0% of their budgeted levels.

10-541-4263 – Motor Fuel Tax – Maintenance Equipment - \$108,350 budgeted, \$59,133 expensed. Road Salt Purchases are heavier during the winter months.

BN/CH Parking Fund

Overall fund revenue is budgeted at \$64,600 and actual revenue was recognized at \$7,154 or 11.1% of the budget. This is a decrease of actual revenue in CY20 of \$10,943 or 15.56% of the budget. Because of the pandemic staff anticipated a decrease in parking sales revenue. CY2021 revenue was budgeted conservatively to reflect the decrease.

Expenditures were budgeted at \$41,382, actual expenditures were recognized at \$5,656 or 13.7 of the budget.

21-540-4318 – BNCH Parking – Operating Supplies - \$500 budgeted, \$1215 expensed. Sidewalk snowmelt materials have been increased to apply to the sidewalk on Burlington running to Route 83.
