

DATE: October 16, 2020  
TO: Village President Austin, Board of Trustees, and Kevin S. Barr, Village Manager  
FROM: Maureen B. Potempa, Finance Director  
SUBJECT: 3rd Quarter Treasurer's Report for Calendar Year 2020

It is respectfully requested that the attached Treasurer's Report for the 3rd Quarter of the Calendar Year 2020 be placed on the Consent Agenda for your acceptance. This Treasurer's Report provides a summary of the Village's 3<sup>rd</sup> Quarter 2020 activity along with Calendar Year End 2019 actuals.

The attached report includes the financial outline for the Village's third financial quarter. At this time, we tend to see revenue increase from the second quarter significantly as a majority of the property tax payments have been recognized. Also, sales tax payments from the state that were three months behind have also been recognized. The report is meant to be a rough guide and the purpose of this memo is to assist in explaining some of the deviations that occur due to timing, as well as the effects that COVID-19 has had financially on the Village.

Highlights:

#### **General Fund Revenue**

Overall, the General Fund revenues are budgeted at \$7.9 million for CY20. Revenue recognized at the time this report was issued is \$6.2 million which is slightly above 75% benchmark at 78.6%.

Property Taxes represent the greatest portion of General Fund revenues at 52%. The CY20 budget includes \$4.26 million in property taxes for general purposes and pensions. As of September 30<sup>th</sup>, \$3.9 million or 95.4% of the property tax revenues have been received. Despite the extended due date provided by the County of DuPage for remittance of property tax bills, the Village has not seen an interruption to the stream of payments.

Places for Eating Taxes are budgeted at \$95,000 for CY20. Actual receipts were \$38,699 or 40.7% of budget. This is significantly lower than the \$60,693 or 63.9% of budget compared to this point in time in the previous year. Obviously, restaurants were adversely affected by the COVID-19 pandemic. Restaurants were ordered to close in mid-March and were not allowed to reopen until May with a restriction of outdoor dining only. It was not until late June that restaurants could return to indoor dining with a limited capacity. For financial trends, I have assumed that restaurants will be continuing with these restrictions for the remainder of the calendar year.

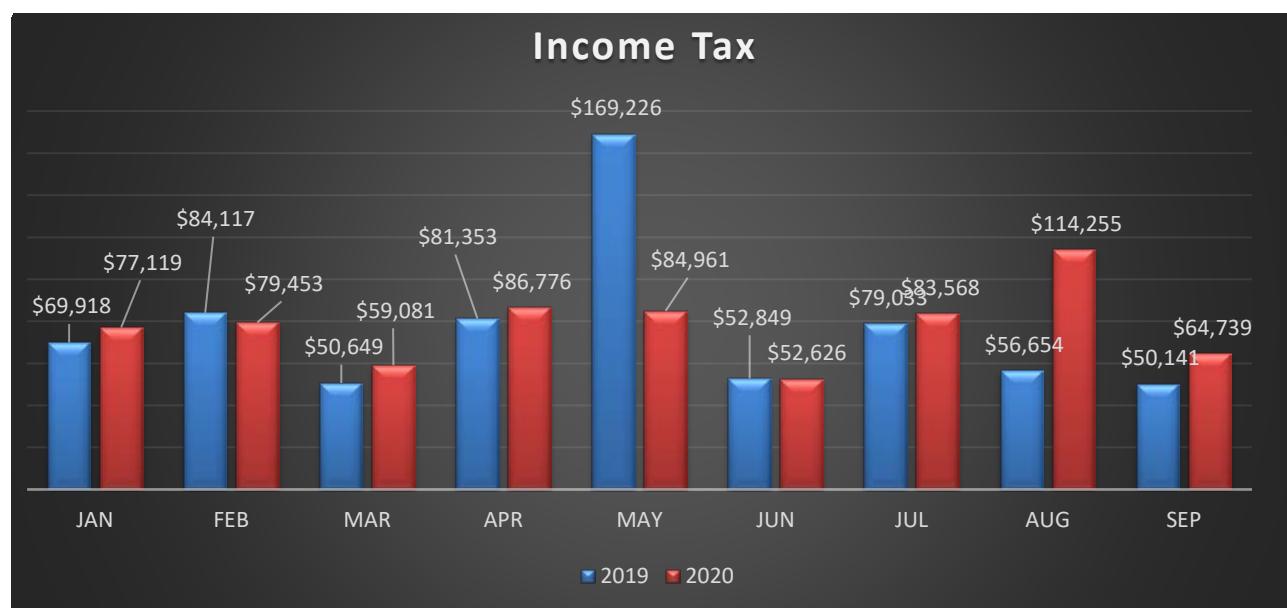

Personal Property Replacement Taxes are budgeted at \$14,196 for CY20. Actual revenue of \$17,413 has been recorded as of September 30<sup>th</sup> which is 122.7% of budget. Because of projected declines in this tax, PPRT was budgeted conservatively. At year end, we anticipate revenue to come in at \$20,000.

License revenues which include licenses for businesses, contractors, animals, liquor, and motor vehicles are budgeted at \$560,067 for CY2020. Actual receipts recorded were \$431,237 or 77.0% of budget. Collections are trending slightly behind compared to last year's actual revenue which was recorded at \$482,515 or 84.4% of budget.

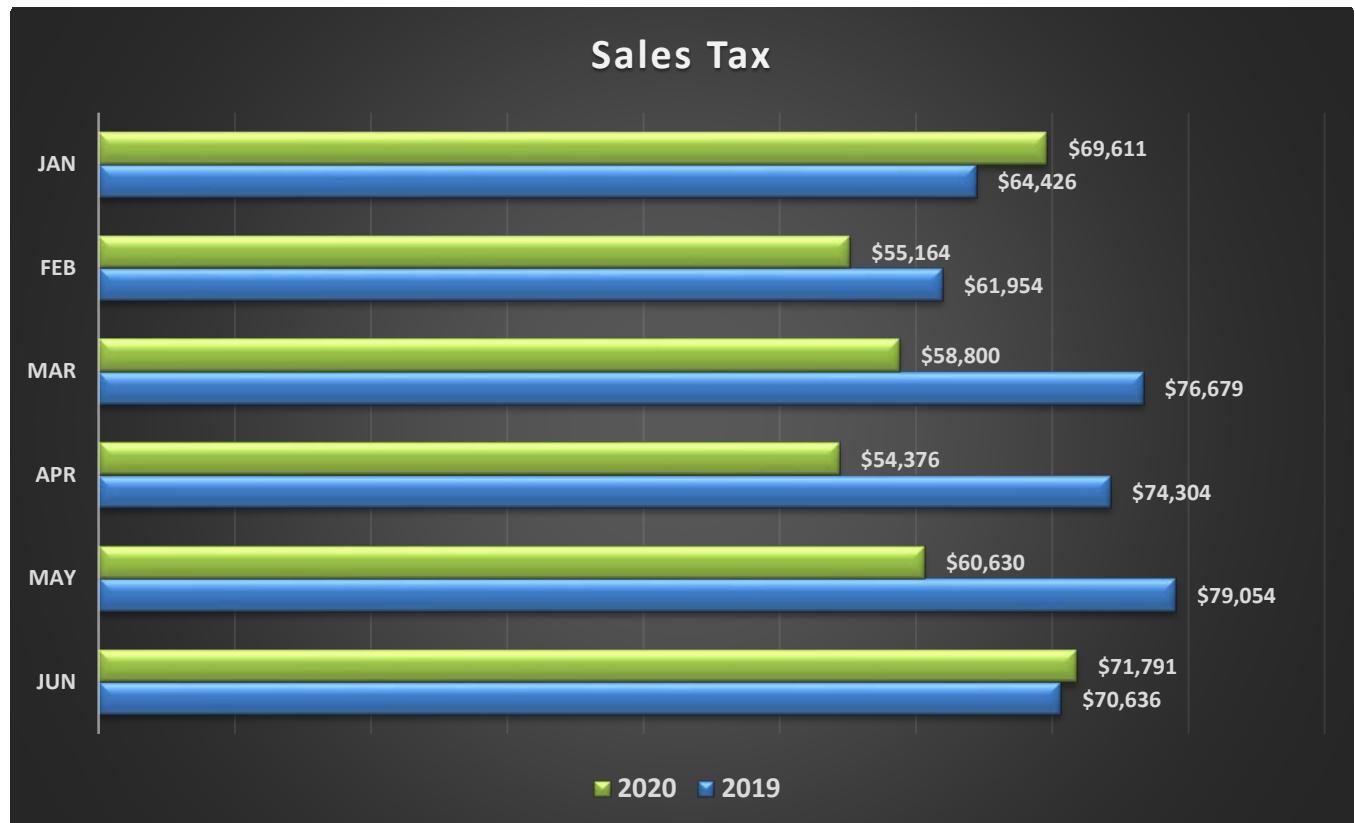

Of the \$560,067 budgeted, Vehicle Stickers comprise 34% of that amount. The decline in revenue this year is contributed to the decrease to the amount Vehicle Sticker sales. Actual sales are down nearly \$10,000 compared to this point last year. The Village has delayed the application of late fees on Vehicle Sticker from August 1<sup>st</sup> to September 1<sup>st</sup>. Toward the end of September, the Village has traditionally sent out a reminder letter to residents that have not purchased sticker. This results in an increase in compliance. The Village is in the process of preparing the letter to send out prior to month's end.

Building Permits and fees are trending behind from this point in time last year; however, the budget was reduced as this decrease was anticipated. Note that there are several line items in the Licenses & Permits section of the revenue budget that do not have a budget. New line items were added in the new year to allow for electronic (Epay) payment.

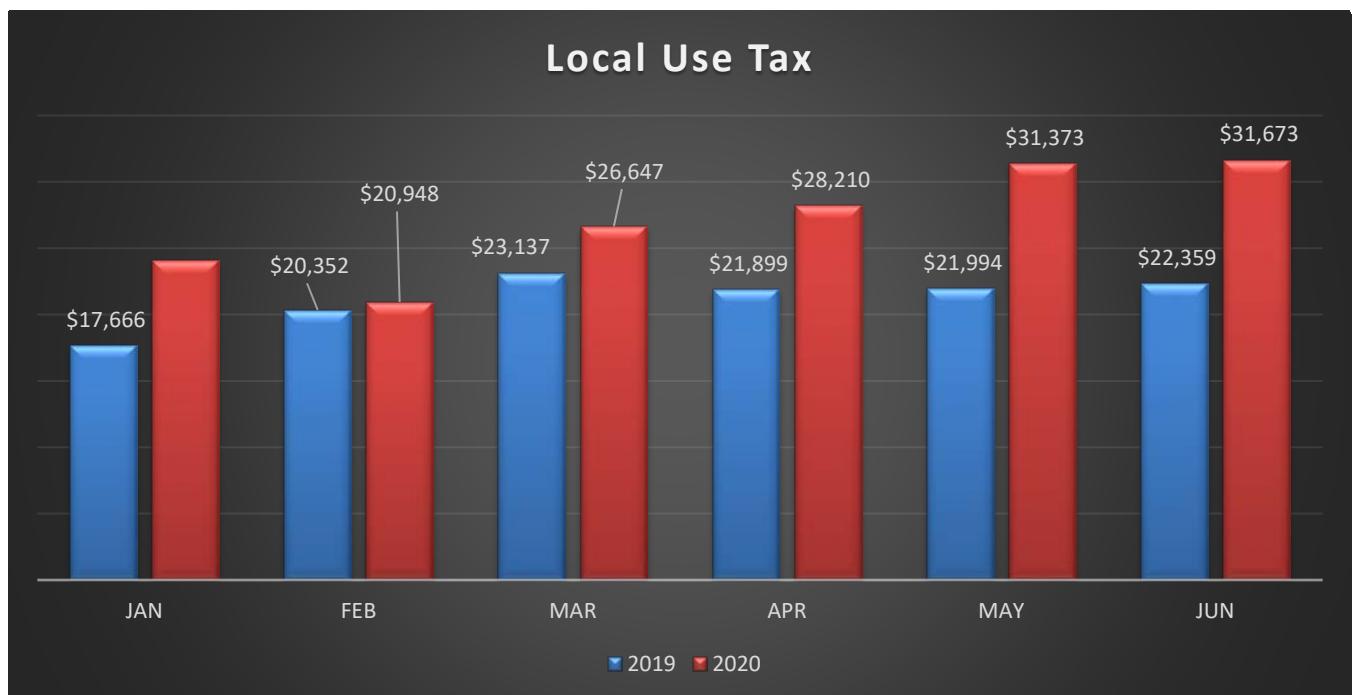

Income Tax receipts, which constitute 12% of General Fund revenues, were budgeted at \$913,920 for CY20. At this point the Village has recognized \$702,5786 or 76.9% of budget compared to this point last year of \$693,939. It appears that after the steep decline in May revenue is returning to a more normalized pace. Below is a chart that shows the month-to-month comparison over this same time frame last year .

Sales Tax revenues comprise 11% of General Fund revenues and are budgeted at \$900,000 for CY20. Sales Tax payments from the state lag three months behind. Currently, revenue was recognized at \$370,373 or 41.2% of budget; at this point, our target percentage would be 50%. Comparing this time to last year, revenue was recognized at \$427,052 in CY19 which was 15% above this current year. I do want to note that the month of June 2020 did exceed the prior year and we expect to see a continued increase throughout the remainder of the year.

Local Use Tax revenues are budgeted at \$300,000 for CY20 or 4% of budget. Use Tax payments from the state also lag three months behind. Revenue recognized to date is \$162,955 or 54.3% of budget. This is a 28% increase over the same point in time last year when revenue was recognized at \$127,407. We are seeing continued growth of collections of this tax, especially with an increase of online purchases.

Charges for Services in total was budgeted at \$383,950. Actual receipts have been recognized at \$224,181, or 58.4% of budget. This is slightly behind this point in time compared to CY19 when revenue was recognized at \$276,854 or 70.1% of budget.

CY20 Fine revenue in total is budgeted at \$139,800. Actual receipts are trending below average for this quarter with actual revenue recorded at \$60,248 or 43.1% of budget. The decrease in revenue is a direct result of the pandemic. The Village had a relaxed approach with the issuance of Fines during the first two financial quarters.

Miscellaneous Revenue is trailing slightly behind the 75% benchmark with revenue recognized at \$183,904 or 66.8% of budget.

## **General Fund Expenditures**

Overall, General Fund expenditures are budgeted at \$7.1 million for CY20 and transfers to the Capital Projects Fund for future capital needs are budgeted at \$1,700,000. The actual transfer to the Capital Projects Fund was approved in July with an amount of \$1,716,552 due to an additional surplus from the CY2019 audit year-end figures. Overall expenditures have tracked at \$4,807,840 or 67.8% of budget. This is below the \$4,792,644 or 70.03% that was recorded at this time last year. Due to the COVID-19 pandemic, some specific expenditures are consistently under spent across all departments in the General Fund. These expenditures consist of line items such as conference and meetings, utilities, and vehicle fuel. I anticipate that those categories will remain underspent for the duration of the calendar year. Some expenditures have surpassed the 75% benchmark because the expense is paid in full up front; as an example, the IRMA contribution has been paid in full for the year along with some memberships and subscriptions. One line item of note that was not budgeted that all departments have expenditures within is the “COVID-19 expense.” The Village has tracked all these expenditures and will be seeking reimbursement. The section below is intended to highlight some of the variances along with narrative to explain the deviation from what would be expected at this point in time.

### **Administration**

**01.500.4207 – Other Professional Services** – This line item is dedicated specifically to codification; the budget has been exceeded due to unforeseen cost associated with the updated codes.

**01.500.4290 - Employee Relations** – Underspent due to COVID-19. May find other ways to provide support for employees later in year.

**01.510.4120 - Health Insurance** – Somewhat overbudget due to a staffing change and selection of benefits.

**01.510.4207 – Other Professional Services** – This line item is overbudget due to an error in budgeting codes. The detail for this line item provided for a budget of \$30,500. The monies were allocated to another budget within the General resulting in a net effect.

### **Legal**

**511.4206** – Legal is overbudget, in most part due to an employee issue regarding benefits.

### **Finance**

**01.512.4207 – Other Professional Services** – This particular section is over projections due to retaining the services of a temporary employment agency during the first quarter while the finance department had a vacancy. However, the salary category is under budgeted projections which offset this expense.

## **Police**

**01-502-4207 - Police Commission - Other Professional Services:** \$6,000 budgeted, \$6,142.00 spent, (\$142.00) balance.

\*The Department completed an entry level police test and updated the initial interview process. The Department will be conducting a sergeant promotional exam in December at an additional cost.

**01-520-4291 - Police Administration - Admin Conferences/Training/Meetings:** \$5,300.00 budgeted, \$1,137.98 spent, \$4,162.02 balance.

\*The Department has not been attending off-site training due to COVID-19.

**01-520-4292 - Police Administration Memberships and Subscriptions** - \$6,450.00 budgeted, \$6,416.50 spent, \$33.50 balance.

\*The Department has paid for all budgeted memberships and subscriptions and does not anticipate any additional expenses.

**01-521-4208 - Police Operations Other Contractual Services** - \$178,880.00 budgeted, \$83,025.14 spent, \$95,854.86 balance.

\* The Department anticipates being \$38,000 under budget due to the Du-Comm Board voting to waive one quarterly payment for its members.

**01-521-4291 - Police Operations Conferences/Training/Meetings** - \$9,650.00 budgeted, \$1,390.00 spent, \$8,260.00 balance.

\*The Department has not been participating in off-site training due to COVID-19. Additionally, the Department did not have to send new hires to the police academy.

**01-521-4318 - Police Operations Operating Supplies** - \$6,300 budgeted, \$273.13 spent, \$6,026.87 balance.

\*Anticipated purchases (copy paper, training equipment, taser cartridges) have not been made yet.

**01-523-4322 - Police Station Maintenance Minor Tools and Equipment** - \$7,500 budgeted, \$510.00 spent, \$6,989.91 balance.

\*The Department has yet to make several planned purchases.

## **PUBLIC WORKS**

**01.540.4120 IRMA CONTRIBUTION** - 100% spent YTD as it is a one-time premium.

**01.540.4208 OTHER CONTRACTUAL SERVICES** - 119% spent due to pump failures at Park Avenue Basin.

**01.540.4318 OPERATING SUPPLIES** - 150% spent due to increase in drainage and landscape work completed.

**01.546.4262 MAINTENANCE BUILDINGS** - 102% spent YTD due to garage door repairs.

**01.546.4318 OPERATING SUPPLIES** - 83% spent YTD due to a new water line installed at PW building and weight room expenses. I think the percentage for line item and total cost center will change as the VH A/C MTC was JE'd out \$608.40.

## **Capital Projects Fund**

Overall fund revenue is \$3,908,704 or 46.9% of budget, and expenditures were \$3,535,515 or 33.2% of budget. Revenue and Expenditures are within the projected range. Due to the timing of the road program billing, majority of capital expenses have not been incurred at the time of this report. Note that the bond issue funds get transferred in from the Debt Fund as expenses are incurred.

## **Water Fund**

Water Sales revenues are budgeted at \$3.2 million for CY20. Actual revenue was recorded at \$2,478,723 or 76.4% of budget, which is an increase compared to the \$2,118,566 recognized in this period last year. The consumption of water has slightly increased this year, which we attribute to more families working from home during the pandemic.

Water Fund operating expenses are budgeted at \$2.29 million for CY20. Actual expenditures are \$1,353,575 or 59.7% of budget. This is a decrease compared to the \$1,695,660 recognized in this period last year.

## **Motor Fuel Tax Fund**

Motor Fuel Tax revenues are budgeted at \$328,473 for CY20. Actual receipts of \$432,266 or 79.0% has been recognized. This is an increase compared to the \$168,291 recognized in this period last year. Despite the projected increase in state taxes, the MFT fund kept with a conservative budget. This has served the Village well during the pandemic as the decline in fuel usage did not have an adverse effect on the MFT budget.

Motor Fuel Tax expenditures are budgeted at \$320,100 in CY20. Actual expenditures are at \$112,985, which is 50.4% of their budgeted levels.

**10.541.4318 – Operating Supplies** – 72% spent YTD due to the rock salt that was purchased for plowing.

#### **BN/CH Parking Fund**

Overall fund revenue is budgeted at \$70,345 for CY20. Actual receipts of \$32,005 or 45.5% of budget has been recognized. This is a decrease compared to the \$36,266 or 49.92% of budget recognized in this period last year. This decline is attributed to the decline in demand for parking due to the COVID-19 pandemic. The Village anticipates that this decline will continue through the remainder of the year. Expenditures have also decreased; actual expenditures were \$5,819 or 12.2% of budget.
