- **Next Board Meeting** – The next meeting is on Tuesday, January 19<sup>th</sup> at 6:30 p.m. and again we will offer a virtual option. It is on Tuesday due to the MLK Holiday on the Monday before.
- **COVID Update** – I participated in a meeting with the DuPage County Health Department on Monday. They of course confirmed the continued spread of the new COVID variant. Cases in Clarendon Hills appear to be trending down, at least a little, as of the end of this week. District 86 has confirmed they are hosting another vaccine event on January 24, open to the eligible public (over 12 years old). The Village has posted information regarding this event on our Facebook page.
- **Public Safety Committee Meeting** – The Committee met on Wednesday evening at 6:30 to discuss the update on Fire Department vehicles. The Committee conducted a discussion on the various issues and concluded with a recommendation that talks with neighboring communities proceed. No formal action is recommended at this time.

Enjoy the weekend.
