MEMORANDUM

To: Village President Austin and Village Board
From: Kevin Barr, Village Manager
Date: May 20, 2022
Subject: Weekly Report

- **Next Board Meeting** – The next meeting is on Monday, June 6 at 6:30 p.m. and again we will offer a virtual option.
- **Daisy Days and Daisy Dash** – Plans are well underway for the return of Daisy Days, which is back and scheduled for the usual Fathers' Day Weekend (June 17 and June 18). Daisy Dash is also back to its regular day – Fathers' Day on June 19. More information will be distributed when available.
- **Chamber Meeting** – Along with other members of Village staff I participated in the Chamber meeting on Wednesday morning. The group had the opportunity to meet the new Director, Shannon McDonald, and discussed plans for Daisy Days.
- **Metra Train Incident** – As of late last Friday night the crossing has been open. NTSB and other agencies are continuing to work on the investigation, which has led to further delays in completing the final lift of pavement. Evaluation of other damage and environmental clean-up efforts is on-going.
- **Farmers Market** – The Farmers Market returned to the Village Hall Plaza Thursday. The Chamber of Commerce has done a great job putting this together. This will run every Thursday from 7AM – 1PM until October 20th.

Enjoy the weekend!

1. Crews assisted John Burns Construction Friday evening to add temporary asphalt to the transition areas at the train crossing and adjacent intersections. This work was performed at the suggestion of the Illinois Commerce Commission. The NTSB and ICC were onsite to oversee and sign off on the work. The crossing was reopened at approximately 10:30 PM.
2. I assisted the NTSB last weekend and throughout the week as they continue their data collection.
3. On Thursday, the BNSF provided a safety flagger and the remaining three structures had their rims adjusted to final pavement height. Concrete was poured at 12:30 PM and requires 48 hours to cure. John Burns is scheduled to return on Saturday to place temporary asphalt adjacent to the structures. The BNSF has notified us that the next available date for a flagger to be onsite will be after Memorial Day. At that time, the final layer of asphalt can be placed.
4. A water main break at Richmond and Ridge occurred on Thursday morning. A repair was made.
5. With continued dry weather this week, additional time was spent watering the grass seed and the planter beds Downtown.
6. Water staff completed water sample collection, a high number of JULIE locates, high water usage appointments and remote read installs.
7. PW staff received direction on where outdoor seating may occur this summer. We went out to confirm that the barrier walls would fit in the locations requested and that we own a sufficient number to make it work.

8. Arbor Day was celebrated on Friday with the planting of a new Dawn Redwood tree. The larger tree planting program includes 65 trees and will occur later this Spring.

RE: Community Development Department Report

1. **95 Park Avenue space**

The small incubator space on Park Avenue in the downtown area is apparently available again. This is a nice small tenant space that would be excellent for a first-time entrepreneur or a high sales per square foot retail business.

2. **5/19/2022 ZBA/PC meeting**

The ZBA/PC meet last night to discuss a PUD Concept Plan for the reuse of 421 Park Avenue for a Day Care Center/Montessori School. This included nonbinding review and comments from Village staff and the ZBA/PC to assist the applicant on the next procedural step which is formal application for Preliminary Plan review.

3. **Wet weather and construction site cleanliness**

The Community Development Department deals with concerns about cleanliness around construction sites. Now that Spring and wet weather is upon us, the Dept wishes to remind the community that our neighborhoods' perception is important and proper cleanliness in and around construction sites is vitally important to the entire community.

4. **Downtown public parking – employees and business owners**

Please remember that downtown employees and business owners should avoid long term parking in the prime public on-street parking spaces, especially along S. Prospect Ave. These parking spaces benefit everyone by providing convenience to our valued customers. Please contact the Village if you need assistance finding long term public parking in Downtown Clarendon Hills.
