

DATE: February 3, 2022  
TO: Village President Austin, Board of Trustees  
FROM: Maureen B. Potempa, Finance Director  
SUBJECT: 4th Quarter Treasurer's Report for Calendar Year 2021

It is respectfully requested that the attached Treasurer's Report for the 4th Quarter of the Calendar Year 2021 be placed on the Consent Agenda for your acceptance. This Treasurer's Report summarizes the Village's 4th Quarter 2021 activity along with Calendar Year-End 2020 actuals.

The attached report includes the financial outline for the Village's fourth fiscal quarter. At this point, we have received the majority of the budgeted revenue. Note that this document is **pre-audit**, and there will be adjustments to account for revenue not yet received and or expenditures not yet paid (**ex. sales tax payments from the state that are two months behind**). The audit will take place in mid-March of this year.

A common theme throughout this report is a variance between budget and revenue and or expenditures. When preparing the 2021 Budget in the fall of 2020, there was much uncertainty regarding the future for intergovernmental taxes, whether restaurants will be open in full capacity, the timing of when ridership/parking will return to capacity. These variables made it difficult to project certain areas of the budget. Despite the variances in the budget to actual, the year is projected to end financially healthy for the Village. Currently the General Fund **Revenue** is recognized at **\$7,903,148** or **101.6%** of the \$7,782,518 budget. **Expenditures** are at **\$6,751,354** or **95.2%** of the \$7,089,037 budget.

#### Highlights:

##### General Fund Revenue

Property Taxes represent the greatest portion of General Fund revenues at 54%. The CY21 budget includes \$4.3 million in property taxes for general purposes and pensions. Additional property taxes totaling \$756,355 are budgeted from the Ogden Avenue TIF District and various special service areas. As of December 31, 100% of the property tax revenues have been received.

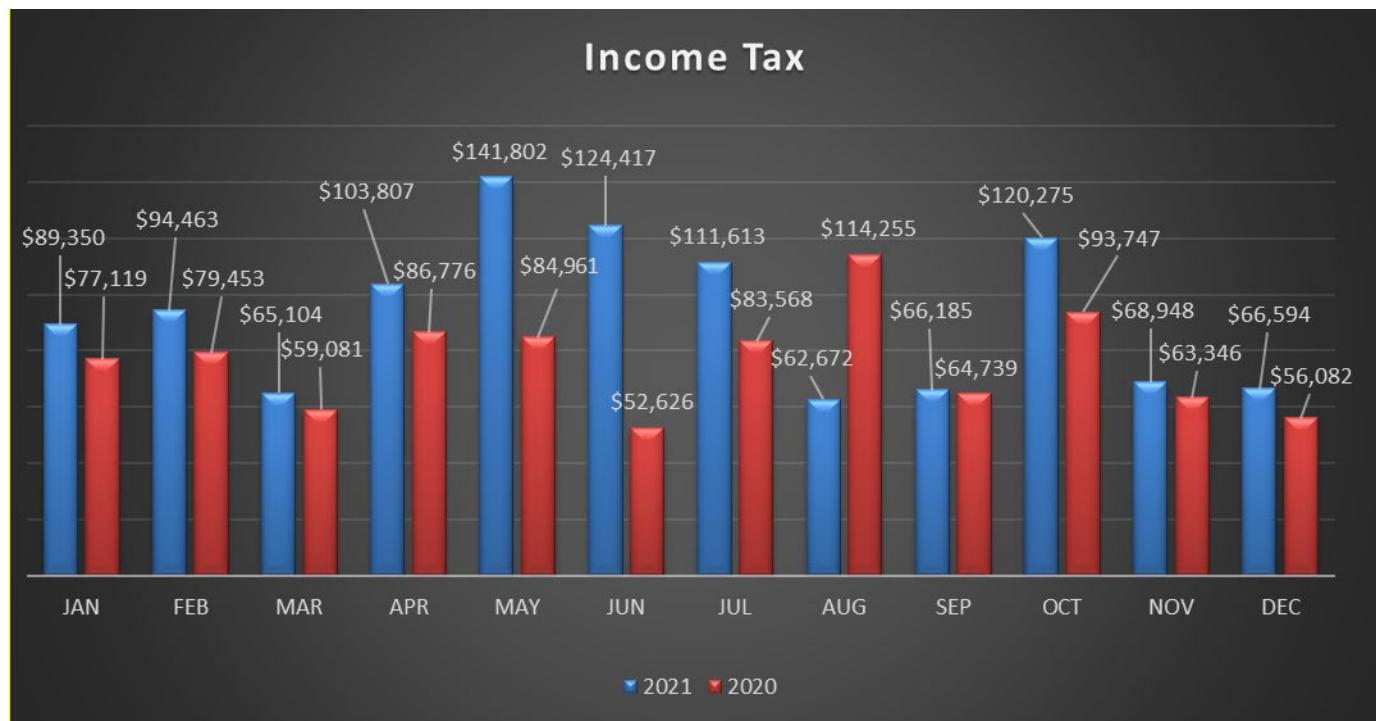

Places for Eating Taxes are budgeted at \$85,000 for CY21. Actual receipts totaled \$95,192. This is a significant increase from last year's total revenue. This is well above the budgeted amount of \$85,000; the increase is comprised of a couple of new restaurants coming online, in addition to a few establishments having record profits months during the summer.

Personal Property Replacement Taxes are budgeted at \$19,500 for CY21. Actual revenue of \$32,911 while this exceeded budget it is slightly behind actuals of \$21,124 in CY 2020. Because of previous years' revenue fluctuations, PPRT was budgeted conservatively.

License revenues which include licenses for businesses, contractors, animals, liquor, and motor vehicles, are budgeted at \$584,800 for CY2021. Actual receipts recorded were \$667,638 or 114.2% of budget.

### **State Payments**

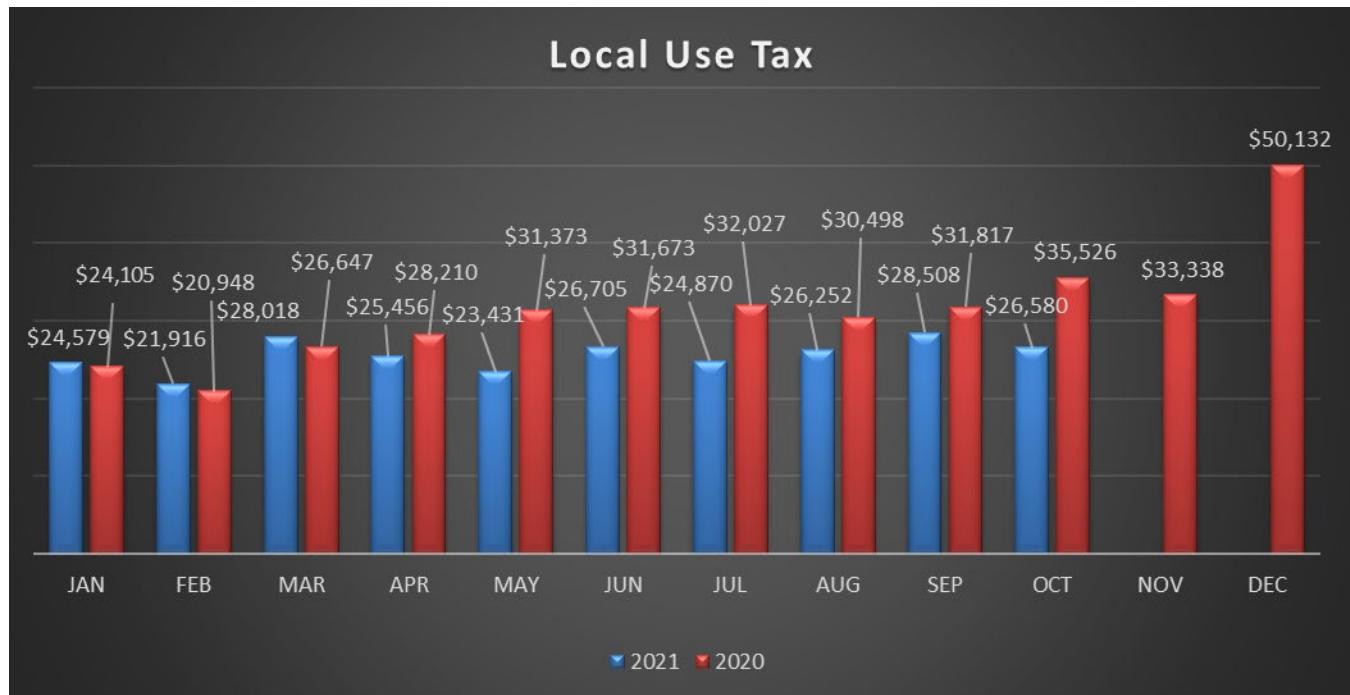

Income Tax receipts, which constitute 9.9% of General Fund revenues, were budgeted at \$775,000 for CY21. The Village has recognized \$1,115,230 or 143.9%. Below is a chart that shows the month-to-month comparison over this same time frame last year. This increase is partially due to the increase in population after the census was certified. The state funding calculation is based on population.

Sales Tax revenues comprise 11% of General Fund revenues and are budgeted at \$825,000 for FY21. Sales Tax payments from the state lag currently are two months behind. Currently, revenue was recognized for ten months at \$847,558, or 102.7% of the budget. When comparing this time to last year, revenue was recognized at \$791,900 in CY20, which put CY2021 at a 7.0% increase from last year.

Local Use Tax revenues are budgeted at \$357,520 for CY21 or 4.6% of the budget. Use Tax payments from the state are also lagging two months behind. Revenue has been recognized to date, with ten payments at \$256,315 or 71.7% of the budget. This is a 31.9% decrease over the same point in time last year when revenue was recognized at \$376,293. After seeing years of the continued growth of collections of this tax, it has appeared to have leveled off in CY20 and declined in CY21.

Charges for Services in total were budgeted at \$326,000. Actual receipts have been recognized at \$259,010, or 79.58% of the budget. This was a slight increase compared to CY20, when revenue was recognized at \$322,487. Charges for Services is a group that is just an estimate currently as fees continue to be collected and recognized in CY2021 until the audit is finalized.

CY21 Fine revenue in total is budgeted at \$138,100. Actual receipts are trending below average for the year, with actual revenue recorded at \$56,760 or 41.16% of the budget. The decrease in revenue is a direct result of the pandemic, with the decrease in traffic and parking offenses being less frequent.

Miscellaneous Revenue is trailing behind the 100.0% benchmark, with revenue recognized at \$187,024 or 75.1% of the budget.

Overall, the General Fund revenues are budgeted at \$7.8 million for CY21. Revenue recognized when this report was issued was \$7.9 million, which is 101.2%. Note that due to the timing of state payments, Franchise Fees, and Inspection Fees, not all payments have been recognized at the time of this report.

## **General Fund Expenditures**

Overall, General Fund expenditures are budgeted at \$7.1 million for CY21, and transfers to the Capital Projects Fund for future capital needs are budgeted at \$500,000. The actual transfer to the Capital Projects Fund was approved in July with an amount of \$1,692,023 due to an additional surplus from the CY2020 audit year-end figures. Overall expenditures have been tracked at \$6,751 or 95.2% of the budget. Due to the ongoing pandemic, some specific expenditures are consistently underspent across all departments in the General Fund. These expenditures consist of line items such as conference/ meetings and utilities.

## **Capital Projects Fund**

Overall fund revenue is \$3,753,785, which has greatly exceeded the budget. The increase in revenue directly results from the Downtown Revitalization/ Train Station completion timing. As the budget was prepared, there was an anticipation that the completion of the project and reimbursements would be further along.

The traditional annual revenue payments recorded in the Capital Fund are comprised of Utility Tax and Rental Property. The loan proceeds from the bond issue are recorded in the debt fund account, and proceeds are transferred to capital projects as the expenditures are submitted for payment. These combined revenue items have been recognized at \$492,561 or 115.5% of the budget.

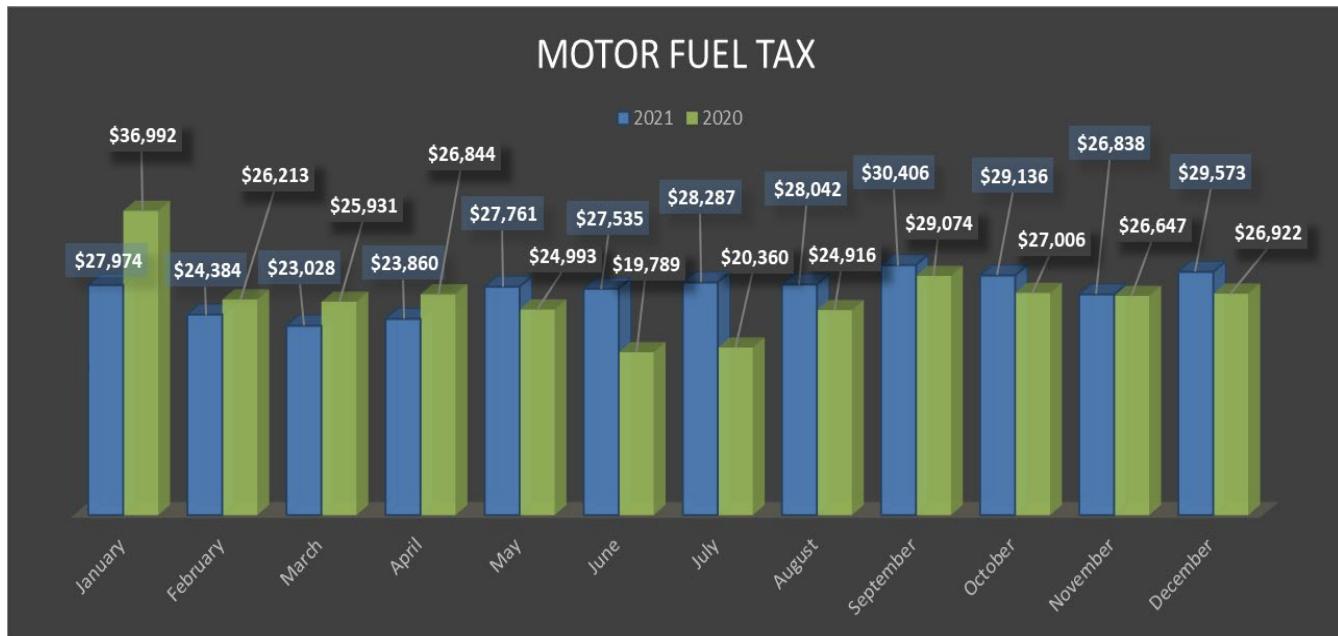

Expenditures are currently recognized at \$2,947,640 or 139.5% of the budget. It is anticipated that expenditures could increase if invoices for work performed in CY2021 are submitted before the commencement of the audit. Otherwise, this expense will be recorded in CY 2022, when the project closet is anticipated to take place.

## **Water Fund**

Water Sales revenues are budgeted at \$3.1 million for CY21. Actual revenues were recorded at \$3,429.249, which is a slight decrease compared to this period last year of \$3,479,388. The consumption of water during the pandemic has leveled off now that residents have returned to work and school.

Water Fund operating expenses are budgeted at \$2.37 million for CY21. Actual expenditures are \$1,858,546, which is 78.5% of the budgeted amount.

## Motor Fuel Tax Fund

Motor Fuel Tax revenues were budgeted at \$421,374 for CY21. Actual receipts of \$326,824 or 77.6% of the budget have been recognized for the year. Revenue overall in the MFT Fund was budgeted at \$523,936; actual revenue recognized is \$524,839 or 100.17% of the budget. The majority of the overall increase is comprised of Build America Funds from the State of Illinois. The Build America Funds were budgeted \$92,562, and the grant received was \$185,124.

Motor Fuel Tax expenditures are budgeted at \$321,410 in CY21. Actual expenditures are at \$145,024, which is 45.12% of their budgeted levels. Due to the COVID-19 Pandemic, some projects were not completed this year (crack sealing and pavement resurfacing).

## BN/CH Parking Fund

Overall fund revenue is budgeted at \$64,600 for CY21. Actual receipts of \$51,844 or 86.5% of the budget. When the budget was prepared, it was assumed that train ridership and the need for parking would have returned to a greater extent than it has. Revenue has decreased compared from \$59,930 that was recognized last year to \$51,844.

Expenditures have started to increase as the new train station is coming online; actual expenditures were \$22,138 or 43.0%. Actual expenditures in the previous year were \$17,671; The prior year's expenditures were significantly lower due to the reconstruction of the train station, leaving little to virtually no maintenance.
