

DATE: November 28, 2022
TO: Village President Austin, Board of Trustees, and Kevin S. Barr, Village Manager
FROM: Maureen B. Potempa, Finance Director
SUBJECT: 3rd Quarter Treasurer's Report for Calendar Year 2022

It is respectfully requested that the attached Treasurer's Report for the 3rd Quarter of the Calendar Year 2022 be placed on the Consent Agenda for your acceptance. This Treasurer's Report summarizes the Village's 3rd Quarter 2022 activity and Calendar Year-End 2021 actuals.

The attached report includes the financial outline for the Village's third fiscal quarter. The report is meant to be a rough guide, and the purpose of this memo is to assist in explaining some of the deviations that occur due to timing. At this time, we tend to see revenue significantly increase from the second quarter as most of the property tax payments have been recognized. Sales tax and other state payments that lag three months behind have also been recognized.

Highlights:

General Fund Revenue

Overall, the General Fund revenues are budgeted at \$8.4 million for CY2022. Revenue recognized at the time this report was issued was \$7.3 million, which is above the 75% benchmark at 86.9%. This is an increase from last year's 3rd quarter revenue which was recognized at \$6.8 million.

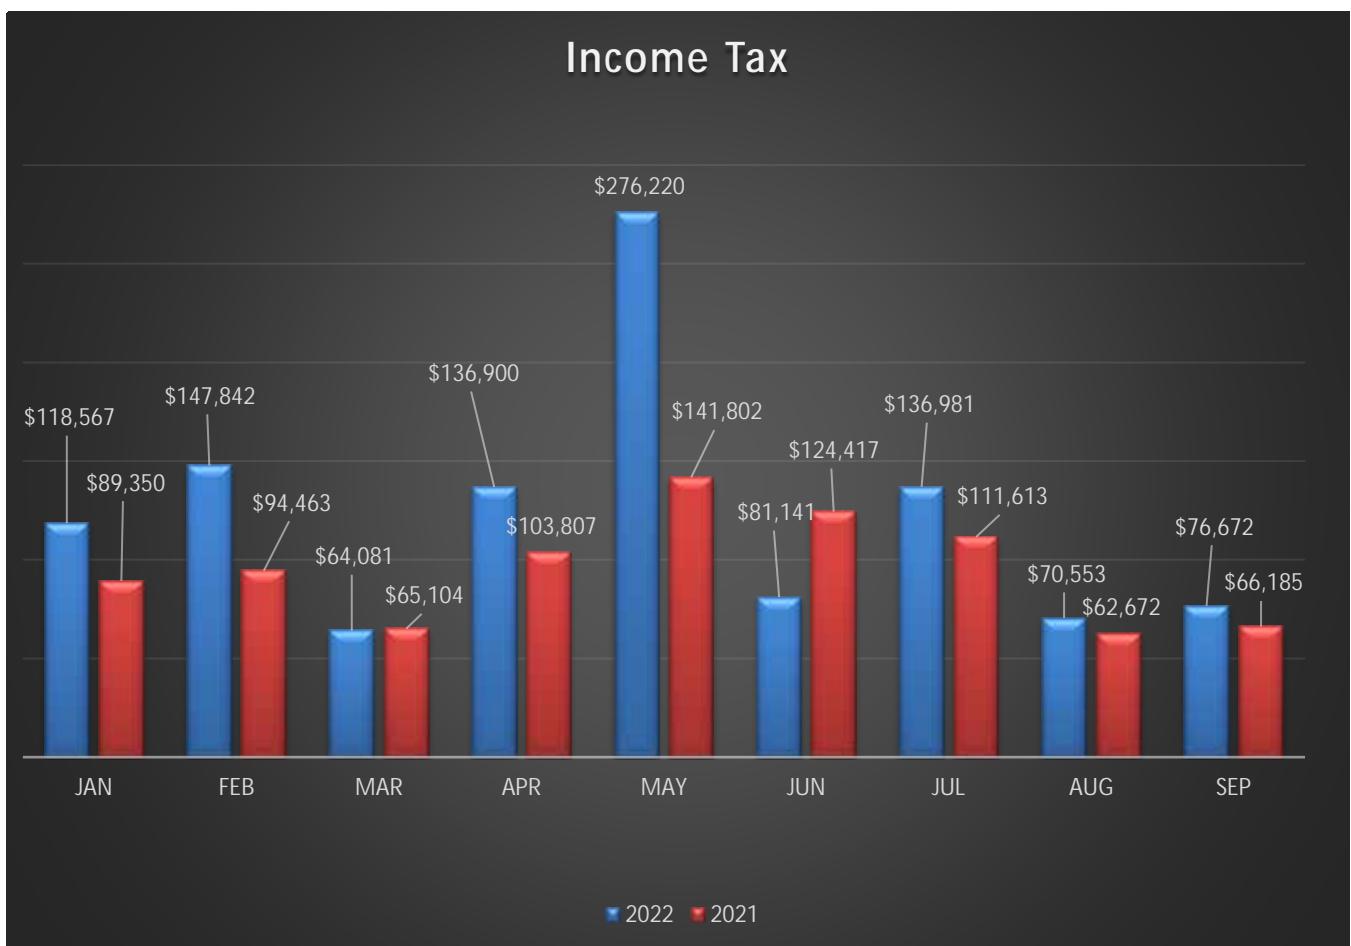

Property Taxes represent the most significant portion of General Fund revenues at 52.1%. The CY2022 budget includes \$4.4 million in property taxes for general purposes and pensions. As of September 30, \$4.2 million or 96.8% of the property tax revenues have been received.

Places for Eating Taxes are budgeted at \$75,000 for CY2022. Actual receipts were \$96,623 or 122.7% of budget. This is significantly higher the target 75.0%, in addition this is a stark contrast to last year's third quarter where revenue was significantly behind the 75.0% target. During CY2022 the Village has seen several new establishments open within the downtown.

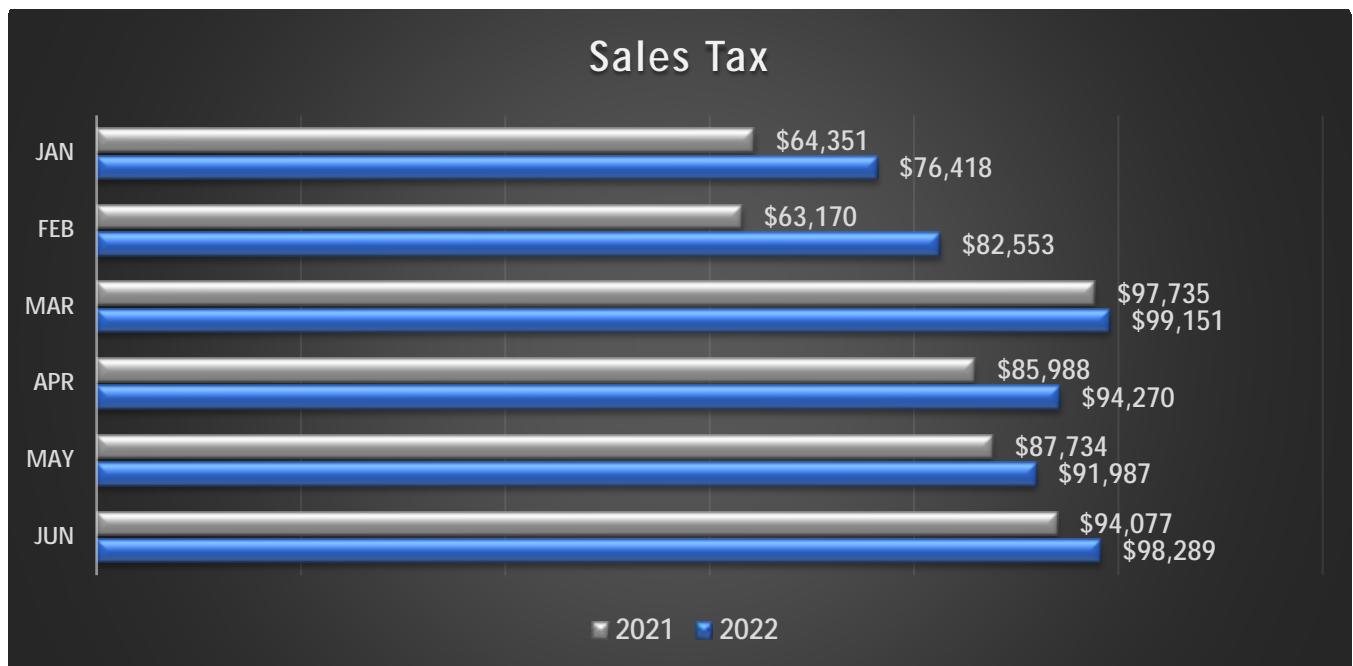

Personal Property Replacement Taxes are budgeted at \$20,828 for CY2022. Actual revenue of \$49,621 has been recorded as of September 30, which is 238.2% of the budget. This year we have surpassed the CY2021 total collections of \$32,993. PPRT receipts continue to outperform expectation and are not following historic trends.

License revenues which include licenses for businesses, contractors, animals, liquor, and motor vehicles, are budgeted at \$652,950 for CY2022. Actual receipts recorded were \$537,908 or 82.4% of budget. The increase in revenue is related to an increase in building permits and related fees along with greater compliance in Vehicle Sticker purchases.

Income Tax receipts, which constitute 12% of General Fund revenues, were budgeted at \$1,065,408 for CY2022. At this point, the Village has recognized \$1,108,956 or 103.7% of budget compared to this point last year of \$859,414. Income Tax continues to benefit from several positive economic factors: an improved labor market; extraordinary Corporate Income Tax receipts; and higher estimated tax payments from individuals with pass-through entities. Below is a chart that shows the month-to-month comparison over this same time frame last year.

Sales Tax revenues comprise 11% of General Fund revenues and are budgeted at \$1,000,000 for CY2022. Sales Tax payments from the state lag three months behind. Currently, revenue was recognized at \$542,668 or 54.3% of budget; at this point, our target percentage would be 50%. Comparing this time to last year, revenue was recognized at \$493,054 in CY2021.

Local Use Tax revenues are budgeted at \$300,000 for CY2022 or 4% of the budget. Use Tax payments from the state also lag three months behind. Revenue recognized to date is \$162,870 or 54.3% of budget. This is an increase over the same point in time last year when revenue was recognized at \$150,105. We have seen Use Tax level of and a slight decline from previous years.

Charges for Services in total was budgeted at \$305,390. Actual receipts have been recognized at \$214,920, or 70.4% of budget. This is an increase from this point in time compared to CY2021 when revenue was recognized at \$188,034 or 57.7% of budget.

CY2022 Fine revenue in total is budgeted at \$66,105. Actual receipts are trending below average for this quarter with actual revenue recorded at \$56,337 or 85.2% of budget. This is an increase from the prior year when revenue was recorded at \$44,968.

Miscellaneous Revenue are budgeted at \$313,200 for CY2022 revenue recognized at \$163,357 or 52.2% of budget compared to this point last year of \$145,904.

Overall General Fund Revenue is exceeding expectations with total revenue recognized at \$7,270,787 or 86.9% of the \$8,367,023 budget compared to this point last year of \$6,819,378.

General Fund Expenditures

Overall, General Fund expenditures are budgeted at \$7.4 million for CY2022 and transfers to the Capital Projects Fund for future capital needs are budgeted at \$1,658,029. The actual transfer to the Capital Projects Fund was approved in July with an amount of \$1,785,236 due to an additional surplus from the CY2021 audit year-end figures. Overall expenditures have tracked at \$5,787,141 or 78.7% of budget. These expenditures consist of line items such as conference and meetings, utilities, and vehicle fuel. Some expenditures have surpassed the 75% benchmark because the expense is paid in full up front; as an example, the IRMA contribution has been paid in full for the year along with some memberships and subscriptions.

Capital Projects Fund

Capital revenues are budgeted at \$953,200 for CY2022. Actual receipts of \$586,813, or 61.6%. A portion of the capital revenue is derived from utility tax. State payments for utility taxes lag three months behind which account for the revenue not reaching that 75% benchmark at this point.

Expenditures were \$972,371 or 18.6% of the budget. Expenditure will increase significantly in the next Quarter as the Downtown Revitalization/ Train Station project nears completion.

Water Fund

Water Sales revenues are budgeted at \$3.3 million for CY2022. Actual revenues were recorded at \$2,406,024, which is a slight increase compared to this period last year of \$2,361,981.

Water Fund operating expenses are budgeted at \$5.1 million for CY2022. Actual expenditures are \$1,583,171, which is 30.9% of the budgeted amount. This is a slight decrease compared to this period last year of \$1,771,327.

Motor Fuel Tax Fund

Motor Fuel Tax revenues are budgeted at \$434,935 for CY2022. Actual receipts of \$413,594, or 95.1% of the budget, this is an increase over this period last year.

Motor Fuel Tax expenditures are budgeted at \$962,545 in CY2022. Actual expenditures are at \$123,045, which is 12.8% of their budgeted levels.

BN/CH Parking Fund

Overall fund revenue for CY2022 is budgeted at \$71,035, and actual revenue was recognized at \$71,736 or 100.9% of the budget. This is an increase of actual revenue from CY2021 of \$51,844. Since the pandemic, revenue was budgeted conservatively to reflect an uncertainty as to when ridership on Metra Would return to pre-pandemic levels.
