MEMORANDUM

To: Village President Austin and Village Board
From: Kevin Barr, Village Manager
Date: January 20, 2023
Subject: Weekly Report

- **Next Board Meeting** – The next meeting is on Monday, February 6th at 6:30 p.m. A virtual option will continue to be offered.
- **Auditors** – Village auditors were on site on Thursday. Amongst other things, they interviewed many staff members regarding financial practices and as an opportunity to determine if there are procedures that should/could be improved.
- **Illinois Financial Forecast Forum** – I participated remotely in this event on Friday. This annual event is sponsored by ILCMA and other groups and provides a general and specific update on economic issues that affect municipal operations and the economy generally.
- **Chamber Meeting** – Assistant Manager Creer and Community Development Director Mendel attended the Chamber meeting on Wednesday morning. Routine business was discussed.
- **County District 2 Meeting** – I attended this meeting in Oak Brook on Wednesday morning. This was an opportunity to meet the three commissioners who represent the Village in District 2. Issues of interest to municipalities were discussed. About half (southern side) of the Village is in District 3. The Village is hosting the comparable meeting for District 3 on February 1st.
- **DMMC Annual Legislative Meeting** – Village President Austin and I attended this annual meeting on Wednesday evening. About 20 State legislators attended the meeting, including Senate President Harmon and House Speaker Welch. This was an opportunity to discuss areas of concern with legislators. DuPage County States Attorney Bob Berlin received the annual Legislative Leader Award for his work supporting efforts to improve public safety.
- **Christmas Trees** - Lakeshore Recycling Services (LRS) offers free recycling for Christmas Trees during the month of January. All decorations must be removed. Place trees only (no garland accepted) for recycling at the curb with your garbage can. Do not place trees in bags.

Enjoy the weekend!

1. Crews completed a water main break on Norfolk Ave. and near Blodgett Ave earlier this week. No residents were affected by the shutdown.
2. Crews needed to replace several street signs and posts on Chicago Ave due to a vehicle running off the road. They also cleaned up the vehicle debris from the parkway and street.
3. The Village mechanic made repairs to multiple vehicles, tire replacements and sent a truck out for recall notices.
4. I attended a Public Works Directors Working Group meeting where the discussions touched upon joint purchasing, Source Water/Ground Water Protection Plans, extended delays on equipment and supplies, ComEd Material Shortages, new training for Commercial Drivers Licenses and other topics.
5. Crews were called in Sunday night for a resident with a vacant property with an internal burst pipe/flooding on Grant Ave. The water was shut off and the b-box outside the home.
6. There was a sample demand for the testing of Emergency well #6, this is requested every three years from the IEPA. Routine monthly water samples were taken along with water meter installations to allow for occupancy permits.
7. Crews went out on Friday morning to do minor salting due the ice and freeze conditions this morning.

 - a. The regularly scheduled ZBA/PC meeting for January 19, 2023 was cancelled for lack of cases or items for review or discussion. The next regularly scheduled meeting is February 16, 2023.
- 3. Downtown Property Maintenance**

Staff always encourages and reinforces care and proper maintenance of the buildings in our downtown area to continue the positive feedback loop such attention represents for our own community and to our valued visitors.
- 4. Winter weather and neighborhood cleanliness**

The Community Development Department addresses concerns with property and neighborhood cleanliness. With winter weather upon us, we remind the community that our neighborhoods' perception is important. Therefore, proper cleanliness in our neighborhoods and in/around construction sites is vitally important to the entire community.
- 5. Winter weather and Downtown customer public parking**

With the winter weather, please remember that downtown employees and business owners should avoid long-term parking in the prime customer-oriented public on-street parking spaces, especially along S. Prospect Ave. These parking spaces benefit everyone by providing convenience for our valued customers. Please contact the Village if you need assistance finding long-term public parking in Downtown Clarendon Hills.
