

DATE: February 15, 2023
TO: Village President Austin, Board of Trustees
FROM: Maureen B. Potempa, Finance Director
SUBJECT: 4th Quarter Treasurer's Report for Calendar Year 2022

It is respectfully requested that the attached Treasurer's Report for the 4th Quarter of the Calendar Year 2022 be placed on the Consent Agenda for your acceptance. This Treasurer's Report summarizes the Village's 4th Quarter 2022 activity and Calendar Year-End 2021 actuals.

The attached report includes the financial outline for the Village's fourth fiscal quarter. At this point, we have received the majority of the budgeted Revenue. However, due to the timing of various revenue line items such as business licenses, taxes, and state payments, this report is intended to be a rough guide. The purpose of this memo is to help explain some of the deviations. Note that this document is **pre-audit**, and there will be adjustments to account for Revenue not yet received and or expenditures not yet paid (ex., **sales tax payments from the state that are one month behind**). The audit will take place in mid-March of this year.

When preparing the 2022 Budget in the fall of 2021, there was still some uncertainty regarding the future of revenue and expense trends. More specifically, on the revenue side, intergovernmental taxes, the timing of when ridership/parking would return to capacity, and building trends, to name a few. On the expense side, the effects of supply chain issues, increased cost of goods, fuel, and utilities. These variables made it difficult to project certain areas of the Budget. Despite the variances in the Budget to actual, the year is projected to end financially healthy for the Village. In fact, the current financials indicate that the fund balance will increase slightly beyond the CY2022 projections that are set forth within the CY2023 Budget.

Currently the General Fund **Revenue** is recognized at **\$9,138,140** or **111.2%** of the \$8,220,523 budget. **Expenditures** are at **\$7,449,353** or **101.3%** of the \$7,351,900 budget.

Highlights:

General Fund Revenue

Property Taxes represent the most significant portion of General Fund revenues at 52% of the Budget. The CY22 Budget includes \$4.4 million in property taxes for general purposes and pensions. Additional

property taxes totaling \$908,101 are budgeted from the Ogden Avenue TIF District and various special service areas. As of December 31, 100% of the property tax revenues have been received.

Places for Eating Taxes are budgeted at \$75,000 for CY22. Actual receipts totaled \$160,452. This is a significant increase from last year's total Revenue. This is well above the budgeted amount of \$85,000; the increase is comprised of a couple of new restaurants coming online, in addition to a few establishments having record profits months during the summer.

Personal Property Replacement Taxes are budgeted at \$20,828 for CY22 as it was thought CY21 was an outlier. Because of previous years' revenue fluctuations, PPRT was budgeted conservatively. Actual Revenue of \$67,495 was recorded; this amount not only exceeded the Budget, but it is also a significant increase from the prior year's actual of \$32,993 in CY21 and previous years, as shown below. PPRT receipts continue to outperform expectations and are not following historical trends.

License revenues, including licenses for businesses, contractors, animals, liquor, and motor vehicles, are budgeted at \$652,950 for CY22. Actual receipts recorded were \$652,295 or 99.9% of the Budget. In CY2022 Build and Demo Permits have leveled off from previous years coming in slightly lower than anticipated budget.

State Payments

Income Tax receipts, which constitute 12.8% of General Fund budgeted revenues, were budgeted at \$1,069,500 for CY22. The Village has recognized \$1,417,967 or 132.6%. This increase is partially due to the increase in population after the census was certified. The state funding calculation is based on population. Below is a chart that shows the month-to-month comparison over this same time frame last year.

Sales Tax revenues comprise 12% of General Fund budgeted revenues and are budgeted at \$1,000,000 for CY22. Sales Tax payments from the state lag currently one month behind. Revenue was recognized for ten months at \$1,041,796, or 104.2% of the Budget.

Local Use Tax revenues are budgeted at \$300,000 for CY22 or 3.6% of the Budget. Use Tax payments from the state are also lagging one month behind in this report. Revenue has been recognized to date, with eleven payments at \$312,794 or 104.3% of the Budget. This is an increase over the same point in time last year when Revenue was recognized at \$287,541.

Charges for Services in total were budgeted at \$305,390. Actual receipts have been recognized at \$297,145, or 97.3% of the Budget. This increased compared to CY21, when Revenue was recognized at \$261,950 but fell slightly below Budget.

CY22 Fine Revenue in total is budgeted at \$66,105. Actual receipts are trending below average for the year, with actual Revenue recorded at \$71,772 or 108.6% of the Budget. This was an increase in Revenue from the prior year after seeing a sharp decline during the height of the pandemic, with the decrease in traffic and parking offenses being less frequent.

Miscellaneous Revenue is above the 100.0% benchmark, with Revenue recognized at \$352,068 or 112.4% of the Budget.

The General Fund revenues were budgeted at \$8.3 million for CY22. Revenue recognized when this report was issued was \$9.1 million, which is 111.2% of Budget. Note that due to the timing of state payments, Franchise Fees, and Inspection Fees, not all payments have been recognized at the time of this report.

General Fund Expenditures

Overall, General Fund expenditures are budgeted at \$7,351,900 million for CY22, and transfers to the Capital Projects Fund for future capital needs are budgeted at \$1,658,029. The actual transfer to the Capital Projects Fund was approved in July with an amount of \$1,785,236 due to an additional surplus from the CY2021 audit year-end figures. Overall expenditures have been tracked at \$7,449,353 or 101.3% of the Budget.

Capital Projects Fund

Overall fund revenue is \$992,975, which is slightly lower than the Budget. As the Budget was prepared, there was an anticipation that the completion of the project and reimbursements would be further along.

The traditional annual revenue payments recorded in the Capital Fund are comprised of Utility Tax and Rental Property. These combined revenue items have been recognized at \$749,418, which has exceeded the Budget. The increase in Revenue is primarily derived from the Nicor Utility Tax that the Village receives as the usage cost has increased over the past year.

Expenditures are currently recognized at \$1,368,912 or 25.69% of the Budget. It is anticipated that expenditures could increase if invoices for work performed in CY22 are submitted before the commencement of the audit. Otherwise, this expense will be recorded in CY23, when the project closeout is anticipated to take place.

Water Fund

Water Sales revenues are budgeted at \$3.4 million for CY22. Actual revenues were recorded at \$3,639,466, a slight increase compared to last year's \$3,526,901.

Water Fund operating expenses are budgeted at \$5.12 million for CY22. Actual expenditures are \$2,548,212, which is 49.77% of the budgeted amount. The total amount of expenditures will still increase as invoices for projects have not been submitted for payment at the time of this report.

Motor Fuel Tax Fund

Motor Fuel Tax revenues were budgeted at \$434,935 for CY22. Actual receipts of \$550,159, or 126.5% of the Budget, have been recognized for the year. The majority of the overall increase is comprised of Build America Funds from the State of Illinois. The Build America Funds were budgeted \$92,562 for one year, and the grant received was \$185,124 for two years.

Motor Fuel Tax expenditures are budgeted at \$962,545 in CY22. Actual expenditures are at \$167,970, which is 17.5% of their budgeted levels. Some anticipated projects were not completed this year or will have expenditures that will occur in CY2023, and the Budget will roll accordingly.

BN/CH Parking Fund

Overall fund revenue is budgeted at \$71,035 for CY22. Actual receipts of \$74,150 or 104.4% of the Budget. Revenue has sharply increased compared to the previous year, which was recognized at \$51,844. When the Budget was prepared, it was uncertain when train ridership and the need for parking would return.

Expenditures have started to increase as the new train station has come online; actual expenditures were \$37,360 or 85.7% of the Budget. Actual expenditures in the previous year were \$32,979.
