FROM: Maureen B. Potempa, Finance Director
SUBJECT: 2nd Quarter Treasurer's Report for Calendar Year 2023

It is respectfully requested that the attached Treasurer's Report for the 2nd Quarter of the Calendar Year 2023 be placed on the Consent Agenda for your acceptance. This comprehensive Treasurer's Report encapsulates the Village's activity during the 2nd Quarter, in addition to providing the audited actuals for Calendar Year-End 2022.

Enclosed within this report is a succinct overview of the financial performance for the Village's second fiscal Quarter. Notably, a surge in revenue has been observed compared to the First Quarter, attributed to the commencement of property tax payments in May. It's worth noting that state sales tax payments exhibit a three-month lag, and recognition of revenue in this category began in March. Given the timing intricacies of property taxes and state payments, this report serves as a preliminary guide, aimed at clarifying some of the deviations.

Key Highlights:

General Fund Revenue

Historically, at this point in time there is an upswing in revenue compared to the First Quarter due to property tax inflows commencing in May. Actual collections stand at \$2.3 million, equating to 52.7% of the budget. While marginally lower than the \$2.4 million received at the corresponding point last year, property taxes remain the principal component of General Fund revenues, constituting 49.4%. The CY23 budget allots \$4.45 million to property taxes for general purposes and pensions.

Projections for Places for Eating Taxes in CY23 amount to \$159,000. Actual receipts stand at \$67,983, accounting for 43.9% of the budget. This marks an increase from the previous year's second quarter amount of \$51,556 (31.9%). A noteworthy detail is that Places for Eating Taxes are recorded with a one-month delay. It's also worth highlighting that the Village has recently achieved its highest monthly revenue in June (payable in July) from places for eating since the inception of this tax. Moreover, a new record is anticipated as the year progresses, reflecting the thriving performance of our newly established restaurants.

Allocation for Personal Property Replacement Taxes in CY23 totals \$55,593. Actual revenues recognized stand at \$33,339, equivalent to 60.0% of the budget. Although slightly lower than the preceding year's figure of \$38,755, this decline was anticipated and accounted for in the budget. As a reminder, Personal Property Replacement Taxes (PPRT) are collected by the state of Illinois and then disbursed to local governments, compensating for the loss of revenue resulting from the cessation of personal property taxes on corporations, partnerships, and other business entities.

License & Permit revenues, encompassing licenses for businesses, contractors, animals, liquor, and motor vehicles, are budgeted at \$631,240 for CY23. Recorded receipts amount to \$346,005, constituting 54.8% of the budget. This presents a marginal decrease compared to the prior year's corresponding point, wherein actual receipts reached \$353,250 (54.1%). A discernible trend indicates an increase in building permits compared to the previous period, currently tracking at 53.4% of the budget. Conversely, compliance with vehicle sticker requirements and on-time sales reveal a decline of 13.5% from the previous year.

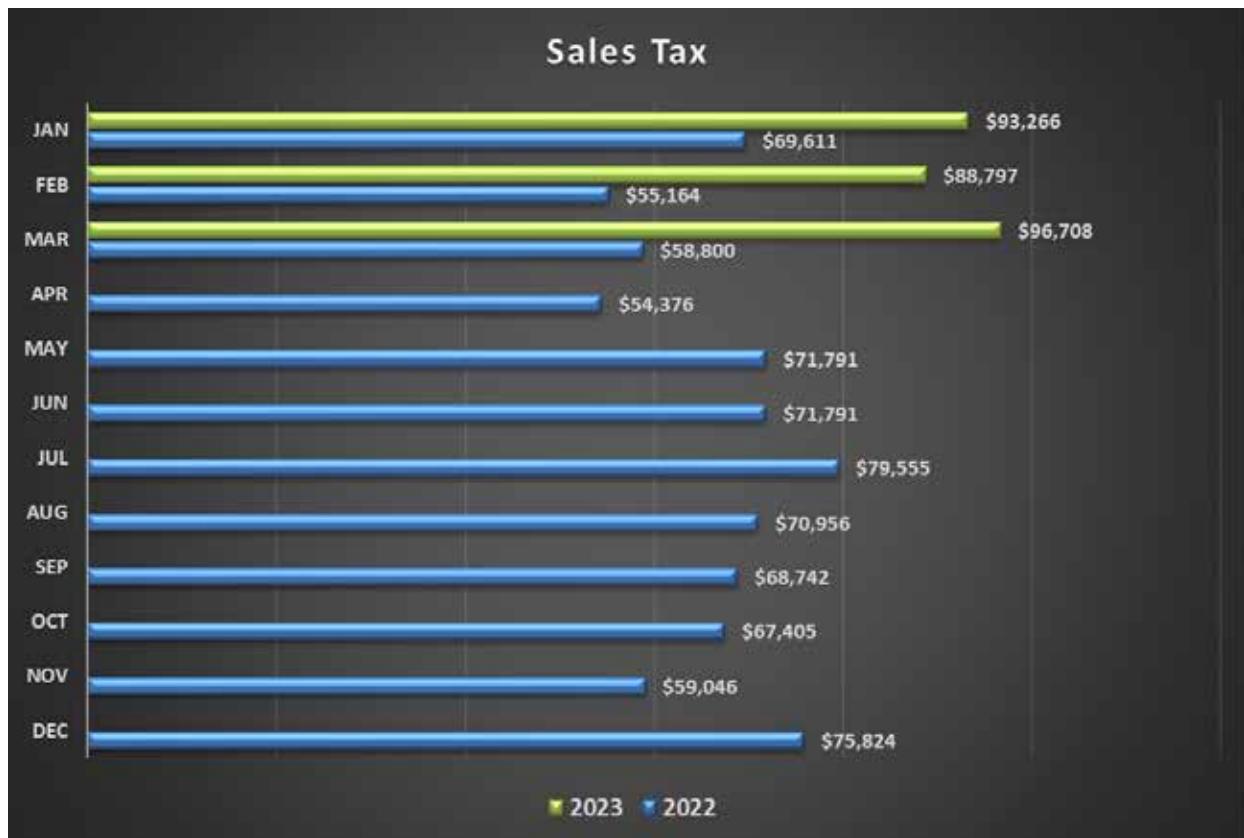

Income Tax receipts, forming 10% of General Fund revenues, were budgeted at \$1,428,967 for CY23. Recognized revenue totals \$762,962, equivalent to 53.4% of the budget. This reflects a 7.49% reduction in revenue compared to the parallel period from the previous year. The chart below offers a month-to-month comparison for the same timeframe last year.

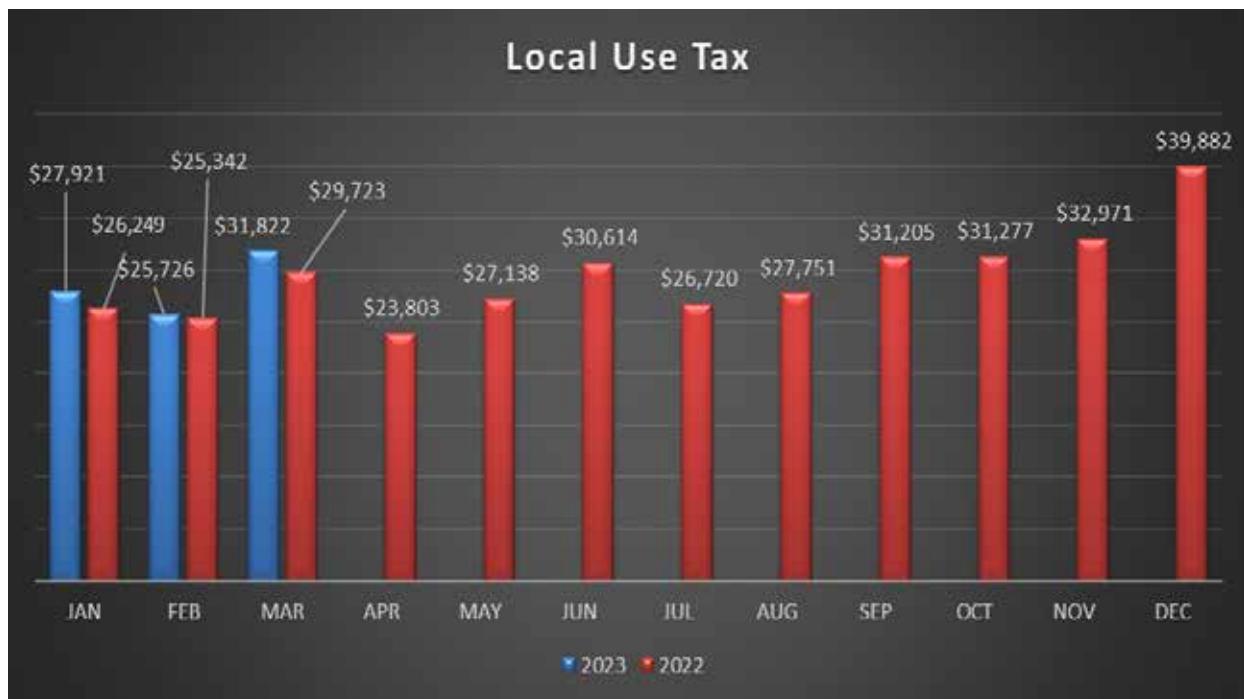

Disbursements from the State of Illinois for Sales Tax, Local Use Tax, Utility Tax, and Infrastructure Maintenance Fees typically lag three months behind the month of liability. In other words, tax receipts collected in March were received by the Village in June.

Sales Tax revenues comprise 13.0% of General Fund revenues and are budgeted at \$1,173,000 for CY23. However, the actual receipts realized thus far amount to \$278,770, equivalent to 23.8% of the budgeted amount. This represents a decline from the previous year's budgeted figure of \$358,714 (35.9%). It is worth noting that the current receipt figure reflects a three-month

accumulation of sales tax, considering the delayed collection process from the state. As of this juncture, our targeted milestone stands at 25%, yet our current attainment lies slightly beneath that mark, settling at 23.4%.

Local Use Tax revenues for CY23 are budgeted at \$321,292, reflecting a planned decrease from the previous year due to the stabilization of collections after a series of annual increases. Notably, actual receipts for this year amount to \$85,469, representing 26.6% of the budget. This figure indicates a rise from the \$81,314 received in the prior year.

During the preceding year, State Cannabis Tax revenue marked its third year of collection, yielding \$13,798 in CY2022. The current fiscal year has projected revenue of \$17,500, yet the revenue recognized stands at \$3,364, accounting for 19.2% of the budget. This results in a 10.4% decline in revenues compared to the previous year. Given the novelty of this tax, forecasting its revenue remains challenging.

Allocated at 0.76% of the total budget, CY22 Fine revenue was set at \$68,450. Remarkably, actual receipts for this quarter align with those of the previous year. Consequently, the recognized revenue amounts to \$34,967, representing 51.1% of the budget.

The total budget for General Fund revenues in CY23 stands at \$9.0 million. At the time of this report, revenue recognition reached \$4,579,186, equivalent to 50.8% of the budget. This demonstrates an improvement over the prior year's \$4,375,755, which constituted 53.2% of the budget. The Second Quarter's performance slightly surpasses the anticipated 50.0% benchmark.

General Fund Expenditures

Shifting focus to General Fund Expenditures, the overall budget for CY23 rests at \$8.14 million. Additionally, third-quarter approval granted transfers to the Capital Projects Fund, earmarking \$1,238,681 for future capital needs. Notably, expenditures have tracked beneath the 50% benchmark during the 2nd Quarter, settling at 46.5%. Total General Fund expenditures were recorded at \$3,746,546.

Capital Projects Fund

Within the Capital Projects Fund, the budget for total fund revenue in CY23 stands at \$1,434,400. This sum is mainly comprised of traditional annual revenue payments from Utility Tax and Rental Property sources. The recognition of combined revenue items has reached \$518,679, accounting for 36.2% of the budget. Meanwhile, expenditures amount to \$147,875, reflecting 7.6% of the budgeted amount of \$1,952,500. Substantial expenditure growth is anticipated in the next quarter with the nearing completion of the Downtown Revitalization/Train Station project and roadway improvements.

Water Fund

Transitioning to the Water Fund, revenue projections for Water Sales in CY22 amount to \$3.5 million. Notably, actual revenues stand at \$1,735,809, signaling an increase from the corresponding period last year, which recorded \$1,633,809. The scarcity of rain during the spring and summer months of May and June led to heightened water usage for lawns, consequently elevating water sales.

Water Fund operating expenses are budgeted at \$5.05 million for CY23. However, actual expenditures currently total \$1,925,505, accounting for 38.2% of the budgeted amount. As the watermain replacement project nears completion, a significant increase in expenditures is anticipated in the next quarter.

BN/CH Parking Fund

Within the BN/CH Parking Fund, the overall budget for fund revenue is set at \$76,800. In reality, actual revenue recognized reaches \$57,747, equivalent to 75.19% of the budget. This represents a minor reduction compared to CY22's actual revenue of \$58,409, constituting 82.2% of the budget. On the expenditure front, while \$46,101 were budgeted, actual expenditures stand at \$29,247, accounting for 63.4% of the budget. Adjustments will be made in the upcoming budget to address the overage in utility expenses.

Motor Fuel Tax Fund

Motor Fuel Tax revenues for CY23 are budgeted at \$343,170. Notably, actual revenue recognized has reached \$180,624, amounting to 52.6% of the budget. This indicates a slight increase from the corresponding period last year. As a revenue stream tied to driving habits, fluctuations are to be expected.

In terms of expenditures, Motor Fuel Tax is allocated \$413,720 for CY23. Presently, actual expenditures amount to \$58,795, representing 14.2% of the budgeted level. Anticipated expenditure growth will materialize in the next quarter upon the completion of summer road projects.
