SUBJECT: Calendar Year 2024 Budget

## **UPDATE:**

### **Budget Summary**

The budget plan is a statement of where the Village will prioritize its resources for the coming year(s), balancing the various legal and operational responsibilities and the current values and needs of the community, as limited by current economic realities. This budget plan reflects the strategic priorities identified by the Village Board during the current term. This budget also reflects continuous feedback from the Board and other community members during the past year.

The Village continues to maintain a solid financial position going into CY2024. However, record inflation is starting to impact the Village's cost structure on a lagging basis. In particular, Public Safety costs have risen significantly and are budgeted to increase almost \$600,000 from Budget 2023. These are driven by a ~\$75,000 increase in police pension contribution, \$80,000 in Fire Department overtime and a large increase in salaries in these departments driven by a tight labor market for paramedics and the union patrol pay scales that increase more quickly for younger officers. Compounding these issues, the State of Illinois continues to pass unfunded mandates increasing pension benefits for police officers and mandating leave time for paid-on-call firefighters.

On the revenue side, the Village has attempted increase the tax base to keep property taxes low while also taking action to eliminate vehicle stickers. The Village is seeing the growth of a successful restaurant district downtown. Despite Starbucks closing, staff are projecting record places for eating tax up 60% year over year in 2023. The Village was also successful in implementing a new ambulance billing fee calculation method through the state ground emergency transportation program which allowed for the Village to qualify for additional Medicaid funding. This has resulted in an over 100% increase in ambulance fee revenue (over \$160,000) and no increase in out-of-pocket cost for village residents.

Although this budget recommends a 5% increase in property taxes, due to ongoing development and the triggering of pre-annexation agreements on Alabama, the average resident should only see around a 3 to 3.5% increase in their tax bill. This is after a less than 1% net increase in 2022. Despite the high levels of inflation (6.5% in 2022 and 7% in 2021) the Village is trying to stay well below the increases allowed under the property tax cap. Additionally, the Village Road Project SSA program has reached its end and

the SSA taxes are starting to drop off of resident's tax bills, leading to a significant decrease to those homeowners. The Village continues to prioritize finding ways other than property taxes to fund the government including new development.

Economic development activity in the community remains strong as we move into CY2024. The downtown TIF continues to attract investment in the downtown, we expect the completion of MyCrost Phase 2 in 2024 as well as the start (and perhaps the completion) of other major projects still in the planning approval stage. Following the success of both the Ogden TIF and the Downtown TIF, the Village authorized a study to explore a 55<sup>th</sup> Corridor TIF with the goal of attracting businesses and creating enough funding to undergo water capacity and other infrastructure improvements needed to start a development cycle in the area. The Village is in daily contact with developers and businesses looking to invest in the community.

## CALENDAR YEAR 2024 ANALYSIS

Summary – All Funds	CY 2024
Revenues	\$18,618,196
Transfers in	\$3,079,218
Expenditures	\$(20,292,708)
Transfers out	\$(3,079,218)
Total Estimated Ending Balance at 12/31/24	\$44,872,850

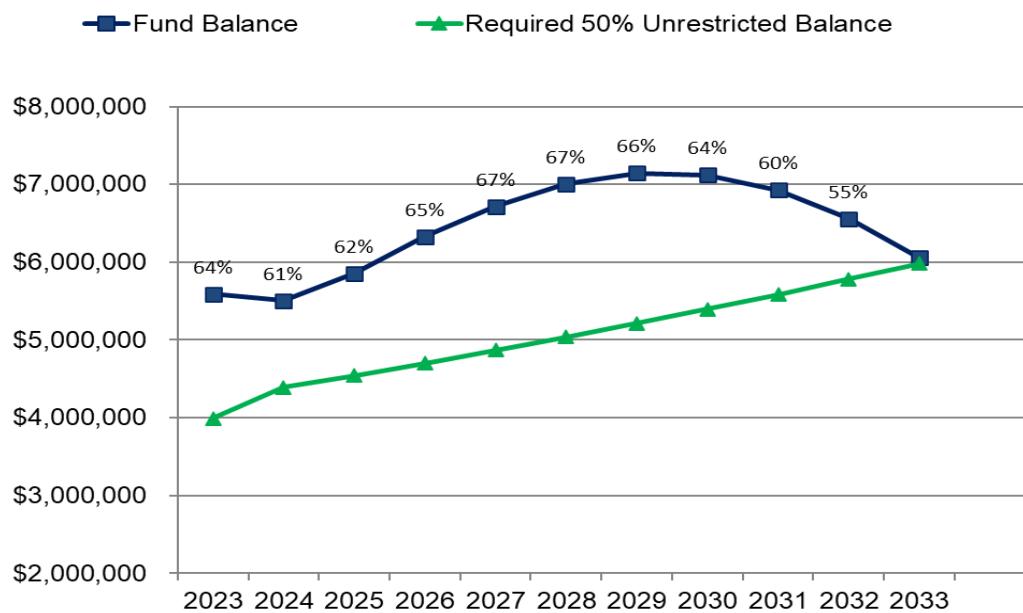

The Village's CY 2024 budget for all funds (including pension funds) includes revenues of \$18,618,196 and expenditures of \$20,292,708. An ending balance in all funds of 44,872,850 on December 31, 2024, is projected, of which \$12,709,171 is allocated to the police and fire pension funds. This represents a decrease of \$1,674,512 from the estimated balance on December 31, 2023, of \$46,547,363. Transfers between funds equal \$3,079,218. General Fund revenues (not including transfers from other funds) are projected to increase by 4.2% in CY 2024 over CY 2023 Budget.

The current budget estimate is \$1,378,484 in revenues from income taxes, which is significantly lower than the budgeted amount of \$1,461,936. After several years of growth, Income Taxes were budgeted conservatively with a 2.5% increase as we now expect to see the growth pattern level off from prior years. Beginning in 2017 through 2022, when levying taxes, the Board decided to take less than the total amount allowed under the tax cap legislation. This was a change from the past. The net effect, on average, for existing residents and businesses is that property taxes will be increased by a lower amount than they might otherwise be. In our future projections, staff assumes property tax adjustments based on 2.5%. The Board, of course, retains discretion regarding the 2023 (December) Levy.

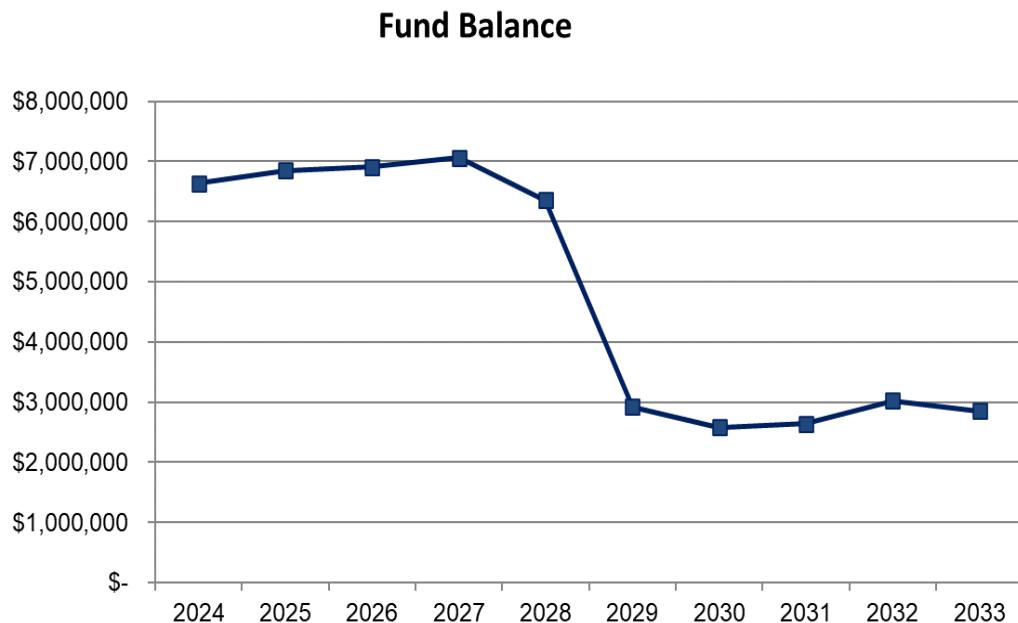

Overall General Fund expenditures (including transfers to other funds) are expected to increase by 9.3% from the estimated CY 2023 year-end. This increase reflects the economic climate as the prices of goods and services have increased over the past year, and the aforementioned increases in public safety spending.

Based on updated assumptions of actual spending, the Village's General Fund balance maintains its 50% target through CY 2033. The Capital Fund balance is declining due to the Downtown Revitalization Project and the purchase of a pumper truck and ladder truck. These purchases were approved and ordered in CY2022. Due to supply chain issues, the final purchase will be completed in 2024; nevertheless, the Capital Fund balance substantially meets our fund balance policy.

## GENERAL FUND BALANCE PROJECTION

## CAPITAL PROJECTS FUND BALANCE PROJECTION

These conditions are based however on the maintenance of current revenue levels with increases of 2.5% per year for most revenues and keeping expenditures to an average increase of 3.5% per year. Any disturbance in the revenue projections, whether from local economic challenges or changes at the State level, will impact this model. Conversely, if the Village can underspend the projections shown in the model, as is our goal, better results could be expected. .

The following pages provide a more detailed narrative overview of the status of each fund within the Village and highlight any changes proposed for CY 2024.

### **Acknowledgement**

The preparation of this budget would not have been possible without the dedicated services of the Department Heads. Our deepest gratitude is extended to each of them for their conscientious efforts and commitment to provide outstanding service to the Village of Clarendon Hills in the most cost-efficient manner available.

## **GENERAL FUND**

<b>Calendar Year 24 General Fund Summary</b>	
	<b>CY 24</b>
Revenues	\$9,891,028
Transfers in	\$642,887
Expenditures	\$(8,778,215)
Transfers out	\$(1,201,162)
Total Estimated Fund Balance at Year End	\$5,501,921

The General Fund pays for the day-to-day operations of the Village. Of the Village's projected \$5,501,921 total estimated fund balance at CY 2024-year end, approximately \$38,833 will be restricted for public safety, and \$19,725 will be non-spendable due to prepaid items. The General Fund budget includes \$100,000 in contingency in CY 2024.

The General Fund also includes a transfer of \$1,201,162 in CY 2024 to the Capital Projects Fund for future capital improvements and the replacement of capital equipment. The Capital Project Fund reflects transfers in years beyond 2024 in compliance with our fund balance policy.

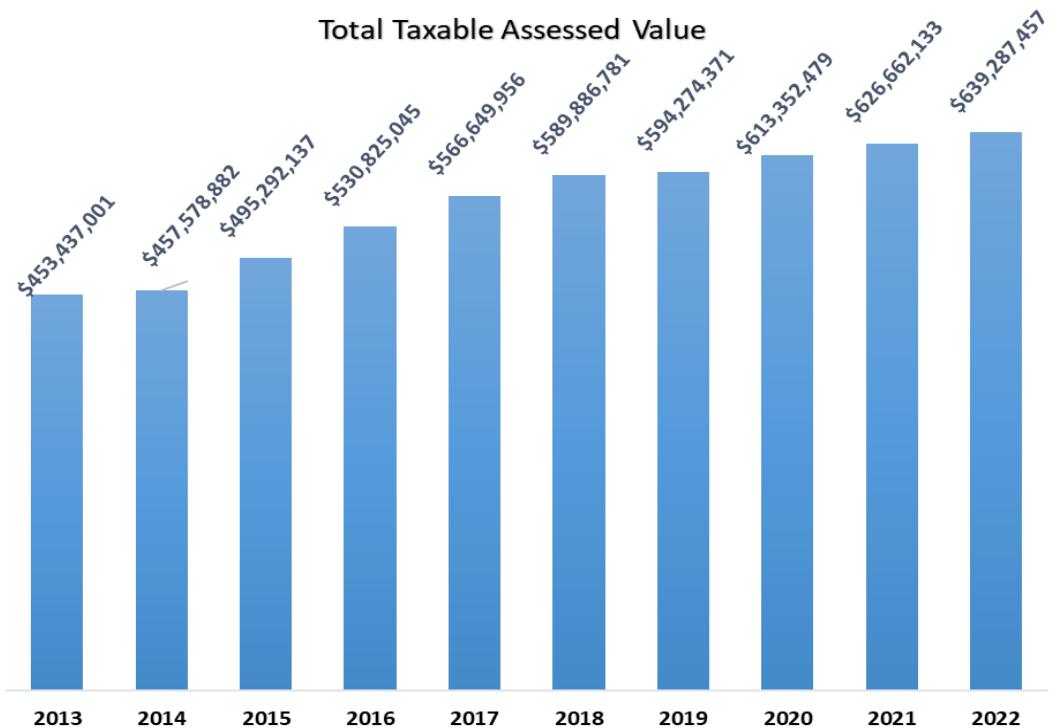

### **Revenues**

Overall General Fund revenues are projected in CY 2024 to increase by 4.2% from the estimated CY 2023 year-end.

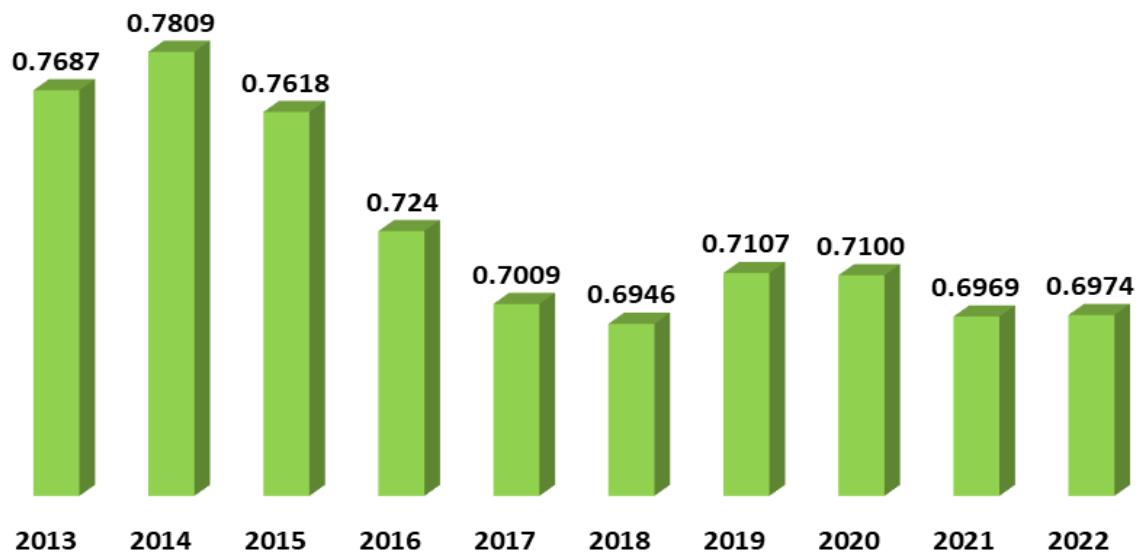

### **Property Taxes**

The Village is projected to receive \$4,673,689 in property taxes in CY 2024 for general Village services, such as police protection, fire protection, road and bridge, general corporate services, police, fire, and IMRF pensions, and social security. This amount does not include property taxes received by the Village for special service area debt payments or the Ogden Avenue nor Downtown TIF District. The collection of property taxes are anticipated to increase 5% from CY 2024 year-end, a typical homeowner whose property value has increased at the same pace as the rest of the Village will see a 3 to 3.5% increase in their property tax bill of the portion that is allocated to the Village. Below is a ten-year history of the Village's property tax rate by levy year. As you can see, the chart is in effect the inverse of the total taxable assessed value chart.

The following graph illustrates a ten-year history of the Village's total taxable assessed valuation by levy year.

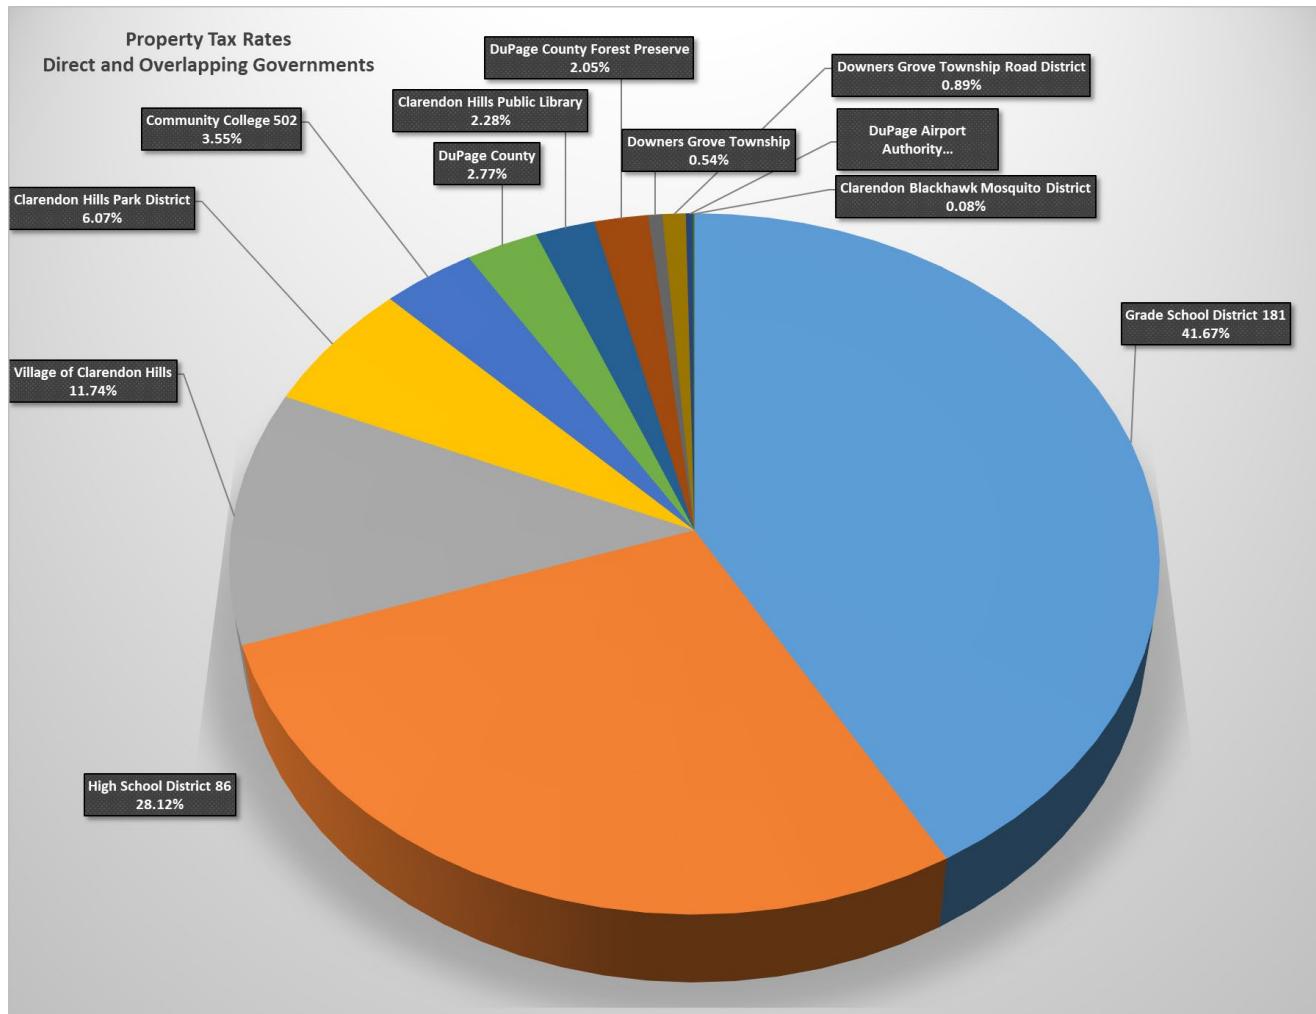

### Village Property Tax Rate

It is important to note that while property taxes paid to the Village represent a significant portion of the General Fund revenues that fund core Village services, they represent only 11.74% of an overall tax bill for a Clarendon Hills property owner. The remaining 88.26% of the tax bill funds the schools, library,

park district, Downers Grove Township, DuPage County, and the Blackhawk Mosquito Abatement District, as detailed in the following graph.

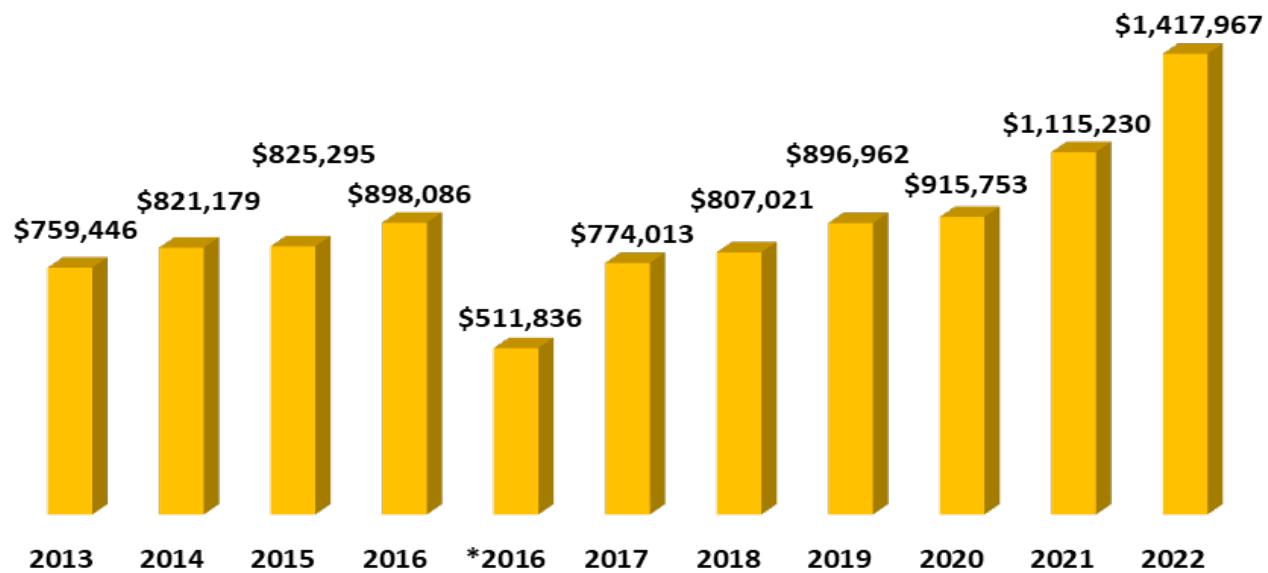

**Places for Eating Tax:** Places for Eating Taxes are expected to increase from the current projected CY 2023 year-end of \$160,000 to \$320,000 in CY 2024. This projection considers the recent change to the places for eating tax rate from 1% of gross sale to 2% of gross sales generated by current establishments and the planned addition of one additional establishment in CY2024.

**State-shared Revenues:** The Illinois Municipal League (IML) estimates as of September 2023 were used to calculate Income Tax, Use Tax, Personal Property Replacement Tax, and Motor Fuel Tax for the upcoming year, along with trend data from the first half of CY 2023.

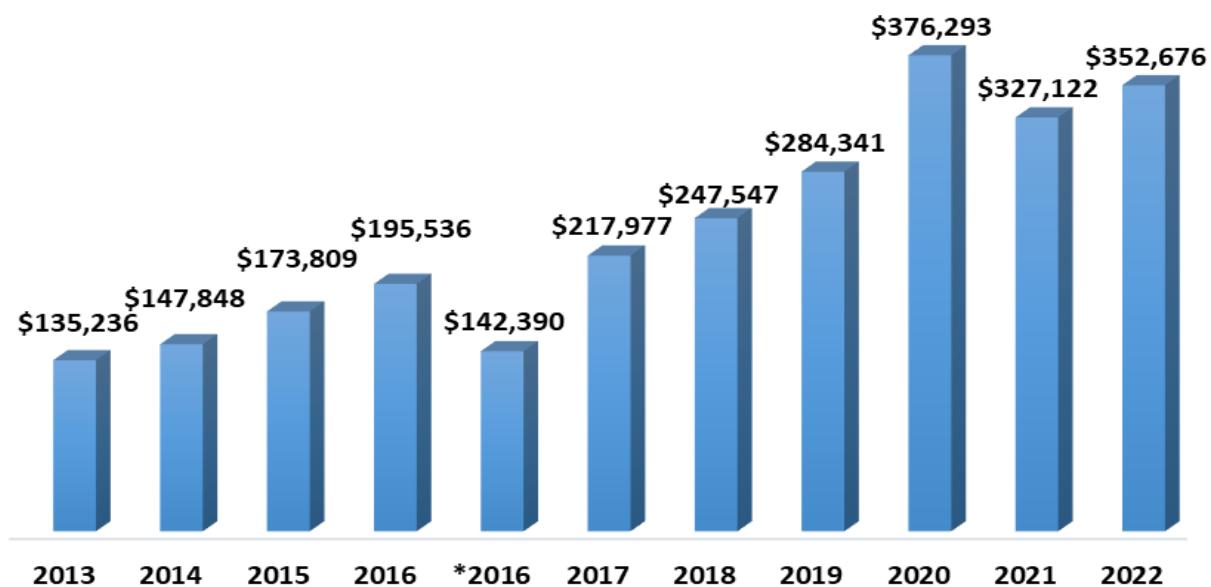

- The Local Government Distribution Fund (LGDF) distributes Income Taxes to municipalities and counties on a per capita basis. In CY 2023, the Village anticipates receipts are estimated to be \$1,378,000 which is a slight decrease from CY 2022 Year End. In CY 2024 we expect to see a continued increase with a budget of \$1,461,936. Below is a ten-year history of the Village's Income Tax receipts by fiscal year.

- The Illinois Local Use Tax on out-of-state purchases is distributed to municipalities and counties on a per capita basis as well. CY 2023 receipts are projected to be \$365,484, a slight increase of \$12,808 or 3.6% from the projected prior year-end. We expect to see a slight increase with a budgeted amount of \$370,705 for CY 2024 based on recent trends and the Illinois Municipal League.

### Income Tax

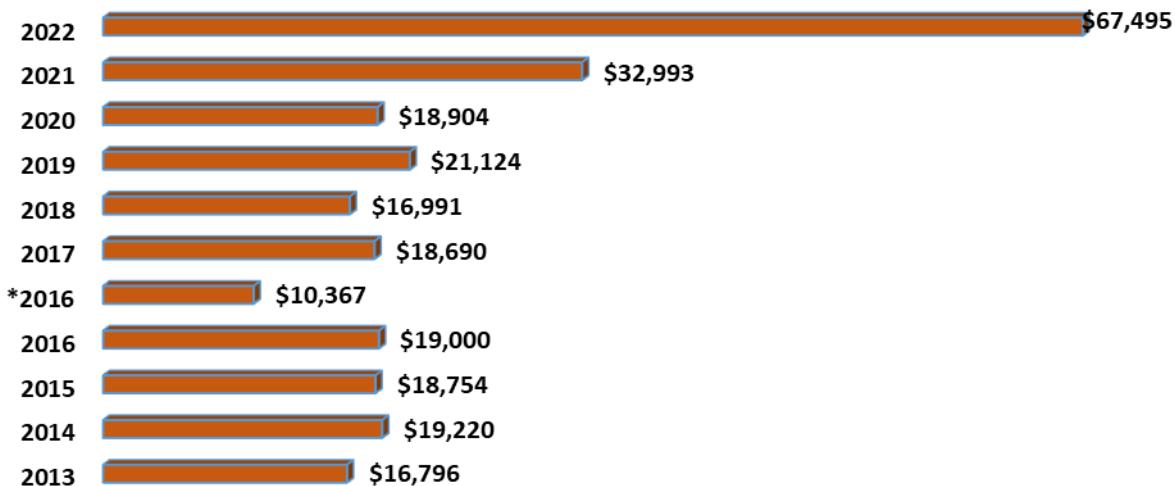

### Local Use Tax

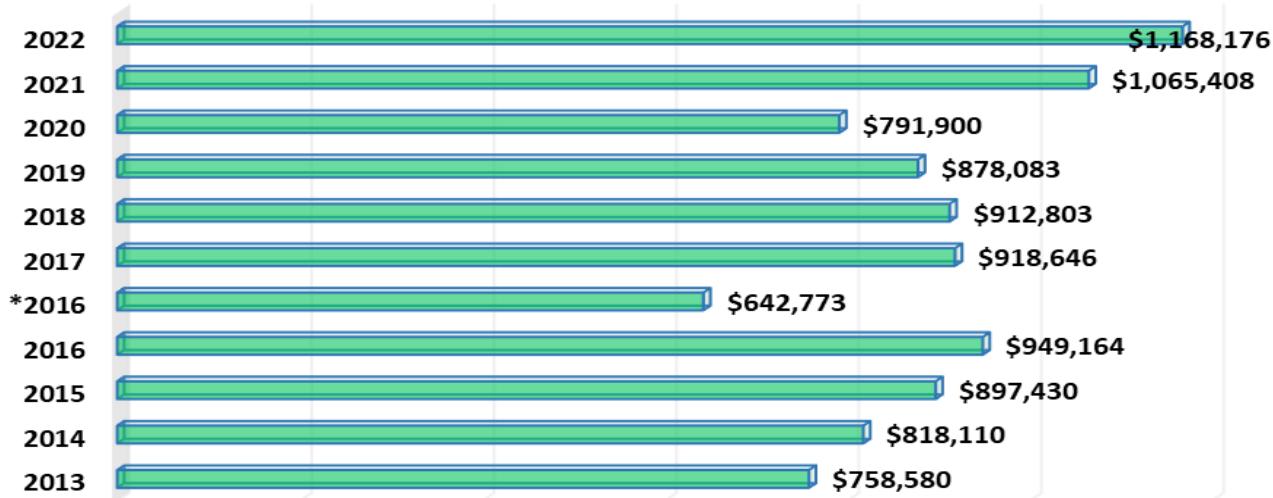

- Corporate Personal Property Replacement Tax (PPRT) receipts are expected to have a decrease in CY 2023 with revenue projected at \$58,208 which is a decrease of 14.0% from CY 2022. CY 2024 projections a budget revenue of \$40,745. This reduction is based on projections from the Illinois Municipal League. The following is a ten-year history of the Village's PPRT receipts by fiscal year.

#### Personal Property Tax

**Sales Tax:** Sales Taxes are projected to represent 13.0% of the Village's overall revenues in the General Fund in CY 2024. Receipts for CY 2024 are budgeted to be \$1,269,818; this is an increase from the projected year-end CY2023 of \$1,209,000. Taxes on auto sales are estimated to be \$300,000, of which \$150,000 will be rebated to the dealer pursuant to an agreement with the Village. The following is a ten-year history of Sales Tax receipts by fiscal year.

#### Sales Tax

**License Fees:** Total License Fees for CY 2024 are budgeted at \$66,143 representing a decrease from the projected \$249,030 in CY 2023. In July of CY 2023 the Village Board approved the dissolution of Vehicle Stickers.

**Building Permits and Fees:** Building Permits and Fees are budgeted at \$443,390 in CY 2024, up from the current year-end projection of \$374,176. The local housing market continued to be steady, with property sale prices regularly matching and, in some cases, exceeding pre-recession values. As a result of these increased property sale prices and the limited number of lots available for redevelopment. The Village continues to take a proactive approach to attract business and development on Ogden Avenue, 55th Street and in the Central Business District. These fees, in general, are passed through the Village to its contracted inspection and engineering services. In addition in CY 2023 the Village Board approved an increase in demolition fees which is also accounting for in the budgeted increase in fees.

**Police Fines:** Total Police Fines are anticipated to be \$64,566 in CY 2024, this is a slight decrease from the CY 2023 year-end projection of \$64,700.

**Ambulance Fees:** Ambulance Fees vary widely from year to year and are difficult to project, as they are based on the emergency medical service needs of the community during that particular year. Revenues are budgeted in CY 2024 at \$282,695. This is an increase over the CY2023 projected amount of \$275,800. The increase assumes that the GEMT rate increase will increase Medicare reimbursements to the Village.

**Franchise Fees:** Cable Franchise Fees are derived from the cable packages maintained by Village residents through Comcast and AT&T. These fees are expected to remain flat for CY 2024 at \$160,000. In 2017, the Village decided to start taking a fee-in-lieu for our natural gas franchise fees. As such, we received \$23,758 from Nicor in CY 2023, budgeted for CY2024 is \$24,233. This revenue will offset increased utility costs in each of our departments and will encourage conservation.

**Investment Earnings:** Investment earnings are expected to be \$216,088 in CY 2024.

**IRMA Dividend:** In 2017, the Village made the determination to keep IRMA dividends with IRMA for investment and to allow for self-insurance. As of October 2023, these funds were approximately \$874,729. These funds can be transferred at any time; however, staff is recommending growing these funds with IRMA for the time being given their high levels of returns, and to take these funds in the case of consecutive large losses or a large rate increase from a very large loss.

## **Expenditures**

The CY 2024 budget calls for overall expenditures in the General Fund to increase by 9.3% from the CY 2023 budgeted expenditures.

Departmental budgets include salary increase this year. This is based on our pay system where employees within the range for their position are eligible for an up to 5% merit increase while employees that are at the top are not eligible for a merit increase.

Health and dental insurance costs are budgeted at a 6.0% increase for health and 4.0% for dental in CY 2024 from the current year. The actual insurance rates will not be known until the end of March and will take effect beginning on July 1.

The Village's contribution for IMRF pensions in calendar year 2024 is 12.50% of covered payroll. Contributions for police and fire pensions are based on annual actuarial studies and are used as the basis for the tax levies. In 2016 Nyhart Actuarial was contracted by the Village to perform the actuarial services for the police and fire pension funds which also resulted in assumption changes as well. For CY 2024, the police pension contribution is 807,353 which is an increase of 10.3% from CY2023 contribution of \$731,881. The fire pension contribution for CY2024 is zero. This is based on the recommendation of the actuary as a result of the fund consistently maintaining a funded rate of a 102.0%. The Fire contribution for CY2023 was \$0.

The Village participates in an Intergovernmental Risk Management Agency (IRMA) to pool its risk management needs. IRMA's annual contribution is budgeted at \$337,775 for CY 2024. The annual contribution is based on a five-year average of the Village's revenues, plus or minus an experience modifier, which is based on the Village's individual loss experience compared to the IRMA average loss experience.

## **General Fund Departmental Highlights**

- **Administration** – The President/Board/Clerk, Public Relations, and Legal Services are included within the Administration budget. Budgeted expenditures decrease by 0.7%. This is due to a decrease in the Clerk's salary as that position is under review. Staff also anticipates a decrease in legal services.
- **Finance** – Overall operating expenditures are expected to decrease in CY 2024 by 8.7% from estimated CY 2023. These figures do not include the sales tax rebate (\$150,000 in CY 2024), transfers to the Capital Fund (\$1,201,162 in CY 2024), contingency (\$100,000 in CY 2024) and transfers in from the Water Fund (\$615,887 in CY 2024). IT expenses in 2024 are increased to reflect a rate change from the IT Provider.
- **Community Development** – The Community Development budget includes costs associated with professional planning services for the Village, review and issuance of building permits, regulation of land use and development, a comprehensive code review and code enforcement activities. Expenditures are expected to increase by 21.6% from the current estimated year-end. Contractor services for plan review and inspections are expected to increase as building permits increase.
- **Police** – Costs associated with the Police Department constitute the largest portion of the General Fund budget at 41%, and fund the administration, operation, and support of the police function, along with the maintenance of the police facility. Overall, CY 2024 expenditures are expected to increase by 9.0% from Estimated CY 2023.
- **Fire** – Costs associated with the Fire Department comprise 23% of the General Fund budget and fund fire suppression, emergency medical services, fire prevention, emergency management, and the maintenance of the fire station. Overall, CY 2024 expenditures are expected to increase by 8.5% from the current year-end estimates. The Fire Department's Paid-on-Call/Part-Time model allows for high quality fire service at a low cost. To maintain this model, it is necessary for the Village to recruit and retain quality Fire Department employees.

- **Public Works** – The Public Works budget reflects the costs associated with the delivery of public services to the Village, as well as the maintenance of the Public Works and Village Hall facilities. Utility expenses to operate the two storm water pumps, streetlights, and lease fees to operate the intersection lights are included in this budget, along with the landscape maintenance for public properties, street maintenance and snow removal. Overall expenditures are expected to increase by 7.9% in CY 2024 from the estimated CY 2023 year-end.

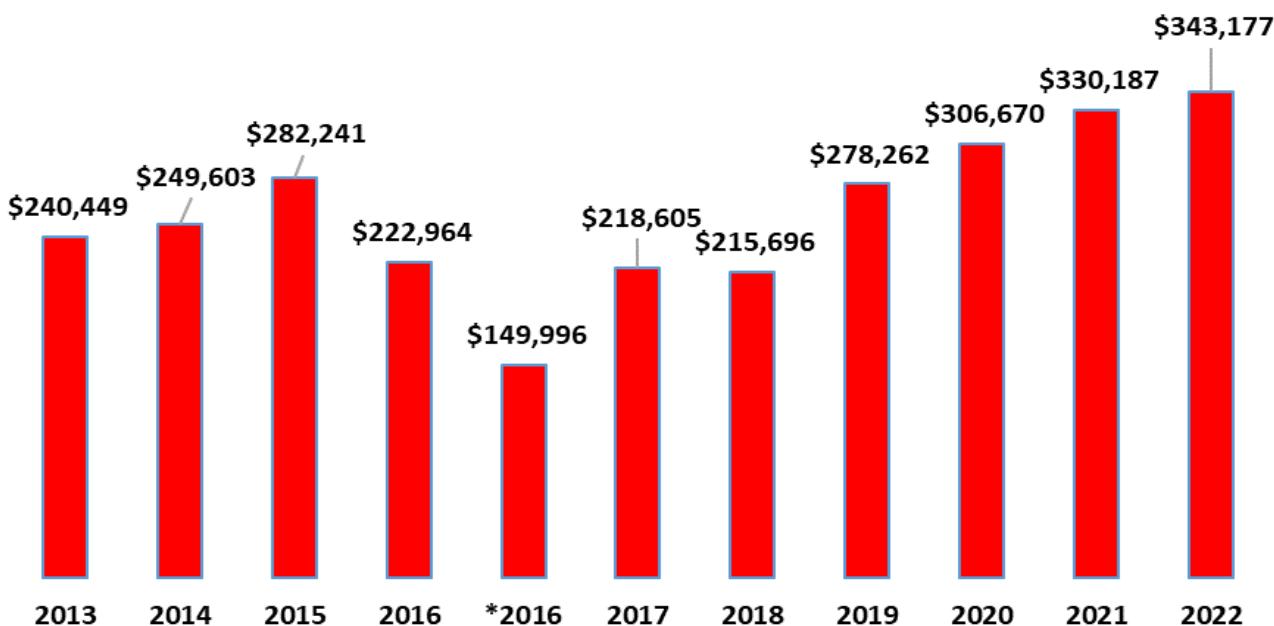

## MOTOR FUEL TAX FUND

The Motor Fuel Tax Fund accounts for the Motor Fuel Tax (MFT) revenues restricted by the State of Illinois for road repairs and improvements. Over previous years, Village's intent was to utilize a portion of the MFT fund balance over the next several years for road maintenance that would normally be paid from the Capital Projects Fund, with the intent to draw down the fund balance to 50% of future expenditures.

### Revenues

**Motor Fuel Tax:** Motor Fuel Tax allotments account for virtually all the revenues in the MFT Fund. Beginning in July of 2019 the Motor Fuel tax law was amended to impose a tax increase from 19 cents to 39.4 cents per gallon. Municipalities receive a little less than 25% of the state's 38 cents per gallon tax on motor fuel to all municipalities, counties, and many townships. This amount is distributed to local governments on a per capita basis. The total miles driven, and the average fuel economy of vehicles are the principal drivers of MFT receipts. The Motor Fuel Tax allotments for CY 2024 are projected to increase slightly to \$365,180. Following is a ten-year history of the Village's Motor Fuel Tax allotments by fiscal year.

**Motor Fuel Tax**

## **Expenditures**

CY 2024, expenditures include the purchase of rock salt and liquid calcium chloride for snow removal. Funds are also included for contract tree trimming and the removal of parkway trees; pavement resurfacing; the removal and replacement of sidewalks throughout the Village; crack sealing on the Village's roads; and contract cleaning, inspection and repairs of the Village's storm sewer system.

## **WATER FUND**

### **Revenues**

**Water Sales:** Water Sales revenues are estimated to be \$3.70 million in CY 2023, based on a flat level of consumption, and a \$0.66 water rate increase from \$14.60 per to \$15.26 per 1,000 gallons. Actual water sales may fluctuate widely, however, based on the weather conditions and precipitation during a particular year.

**Investment Earnings:** Investment earnings are expected to be \$147,082 in CY 2024 as interest rates continue climb after the dramatic drop during the pandemic. In addition, the fund balance has decreased due to ongoing water main replacements.

**Fees and Fines:** Fines and fees have decreased as violators are encouraged to sign up for the Village's new online payment system or direct debt. Fess and penalties are budgeted at \$59,635 CY 2024.

## **Expenditures**

**Operating:** Operating expenses are budgeted at \$2.99 million in CY 2024. Water charges from the DuPage Water Commission are projected remain at the same rate. This budget also includes a \$100,000 contingency for unanticipated expenses.

**Capital Improvements:** Budgeted capital improvements are \$321,500 in CY 2024.

In CY2024, the Village's water meters and MXUs will be twenty-five years old and in need of replacement. This project will cost approximately \$2.0 million and is currently budgeted in the Village's ten-year capital plan and reserve. However, as we get closer to the time of replacement, the Village Board may decide to issue debt for this project. The ten- year plan is currently assuming issuing debt for the meter replacement project along with two major watermain replacements. Also planned in CY2025 is a 2.0% water rate increase and each year after for the duration of the 10-year plan. The board will have to vote each year to implement a water increase.

## **CAPITAL PROJECTS FUND**

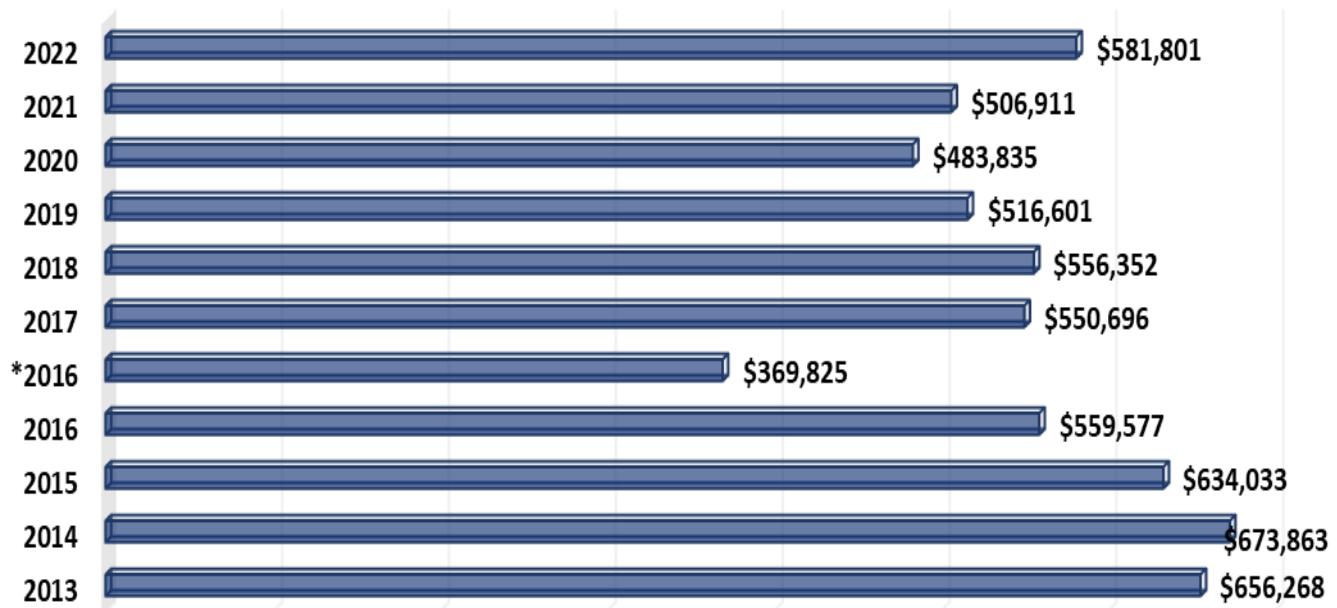

The Capital Projects Fund pays for infrastructure and durable equipment for the Village, including roads, vehicles, and facilities. The Village maintains a ten-year capital plan to ensure it can adequately fund its future needs.

## **Revenues**

**Utility Tax:** Utility Taxes consist of the revenues in the Capital Fund in CY 2023 and are a major revenue source for the Village's capital improvements and the replacement of vehicles, machinery, and equipment. Utility Taxes are received from natural gas, electricity, and telecommunications usage within

the Village. CY 2024 revenues are budgeted at \$530,000. While there has been a decrease in utility taxes (specifically telecommunication taxes) as more homes eliminate their landlines the price of electric and natural gas have significantly increased.

## Utility Tax

**Cell Tower Lease Revenues:** The 10-year plan has been updated to reflect three providers.

**Investment Earnings:** Investment earnings are expected to be \$155,000 in CY 2024. Notably, the ten-year plan now estimates investments based on the fund balance available.

**Grants:** There is \$506,500 in grants budgeted for CY 2024, these are funds are comprised of DCEO awards related to 2020 Capital Bill. Village staff continues to seek grant funding for many projects.

**Transfer from the General Fund:** Capital Projects revenues include the transfer of \$1,201,162 from the General Fund to the Capital Projects Fund in CY 2024 for Village infrastructure improvements and capital equipment replacements. The ten-year plan now includes transfers that reflect the Village's fund balance policy and reasonable future expectations.

## Expenditures

The budget provides a detailed listing and narrative for each of the proposed capital projects for CY 2024 with budgeted Expenditures of \$4,363,023. An updated ten-year capital plan for the Village is included along with ten-year plans for each of the individual departments.

## **BURLINGTON NORTHERN/CLARENDON HILLS PARKING FUND**

The Burlington Northern/Clarendon Hills (BN/CH) Commuter Parking Fund accounts for the Metra Station parking fees that are restricted for the maintenance and repair of the Metra Station and parking lot. The BN/CH Fund is an enterprise fund, which reports the same functions as business-type activities and uses the accrual basis of accounting, similar to private-sector business. As an enterprise fund, the needs of the BN/CH Parking Fund should be largely self-supporting and funded by user fees.

### **Revenues**

Parking permit fees represent 91% of the fund's revenues and are budgeted at \$69,000 in CY 2024. Ridership has gradually returned since the pandemic of 2020. Rental/Leased Property is flat with budgeted revenue at \$5,300 for the rental of an ATM at the Metra Station.

### **Expenditures**

Budgeted expenses of \$107,400 in CY 2024 are an increase from prior years with the completion of the train station. Expenses include the normal costs associated with maintaining the BN/CH station and lot operations such as snow removal, landscape maintenance and cleaning services.

## **DEBT SERVICE FUNDS**

The 2009 Debt Service Fund accounts for the payment of the principal and interest on the 2009 General Obligation (G.O.) Alternate Revenue Source Bonds to fund road improvements to Churchill, Grant and Hudson streets. Property taxes are transferred from Special Service Area No.15 along with the Village's share from the Capital Projects Fund, for repayment of the debt. Payments for principal and interest will be \$33,367 in CY 2024.

The 2011 Debt Service Fund accounts for the payment of the principal and interest on the 2011 G.O. Alternate Revenue Source Bonds to fund road improvements to Hudson, Iroquois, Mohawk, Ridge, Juliet, North Jackson and Harris streets. Property taxes are transferred from Special Service Area Nos.18-23 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$45,625 in CY 2024.

The 2012 Refunding Debt Service Fund was established for payment of the principal and interest on the Village's 2012 Debt Certificates. These certificates were issued to refinance the Village's 2002 Debt Certificates and 2005 Debt Certificates, in order to save \$217,000 in interest charges. Repayment of the debt is made through a transfer from the Capital Projects Fund. Payments for principal, interest, and paying agent fees will be \$187,863 in CY 2024.

The 2012A Debt Service Fund was established for payment of the principal and interest on the 2012A G.O. Alternate Revenue Source Bonds to fund road improvements on Fairview Court, Algonquin, Hiawatha, Iroquois, Indian, Mohawk, and Burlington Avenue. Property taxes are transferred from Special Service Area Nos. 17 and 24 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$39,863 in CY 2024.

The 2013 Debt Service Fund was established for payment of the principal and interest on the 2013 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Ann Street, Bonnie Lane, Short Street, Eastern Avenue, Powell Street and Sheridan Avenue. Property taxes are transferred from

Special Service Area No. 25 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$38,650 in CY 2024.

The 2014 Debt Service Fund was established for payment of the principal and interest on the 2014 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Coe Road, Columbine Drive, Hickory Street, Larkspur Lane, Maple Street, Naperville Road, Stonegate Road, and Walnut Street. Property taxes are transferred from Special Service Area No. 26 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$64,375 in CY 2024.

The 2015 Debt Service Fund was established for payment of the principal and interest on the 2015 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Blodgett, Chestnut, Golf, Jackson, Jane, McIntosh, Middaugh, Norfolk, Rose, and Waverly. Property taxes are transferred from Special Service Area No. 27 and 28 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$107,1831 in CY 2024.

The 2016 Debt Service Fund was established for payment of the principal and interest on the 2016 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Blodgett, Chestnut, Golf, Jackson, Jane, McIntosh, Middaugh, Norfolk, Rose, and Waverly. Property taxes are transferred from Special Service Area No. 29 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$110,050 in CY 2024.

The 2017 Debt Service Fund was established for payment of the principal and interest on the 2017 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Woodstock, Richmond, Oxford, Naperville, and Traube. Property taxes are transferred from Special Service Area No. 30 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$69,000 in CY 2024.

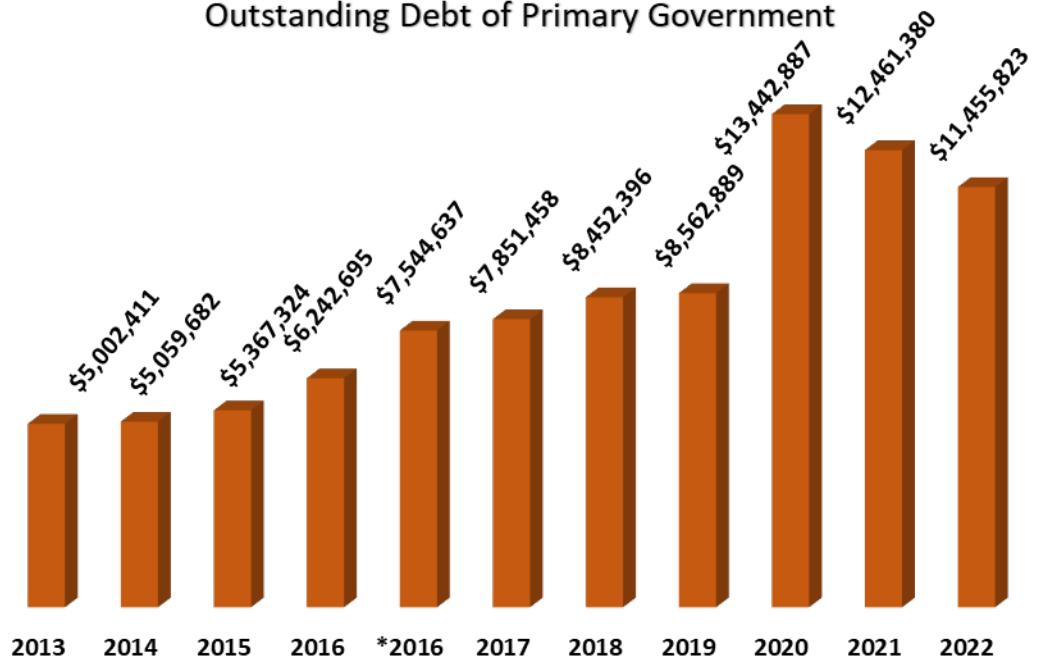

The 2018 Debt Service Fund was established for payment of the principal and interest on the 2018 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Woodstock, Arthur, Oxford, and Tuttle. Property taxes are transferred from Special Service Area No. 31 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$95,313 in CY 2024.

The 2019 Debt Service Fund was established for payment of the principal and interest on the 2019 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Walker, Prospect, Harris, and Hudson and also alley improvements in Chestnut Alley. Property taxes are transferred from Special Service Area No. 33 and Special Service Area No. 34 for repayment of the debt. Payments for, interest, and paying agent fees will be \$75,602 in CY 2024.

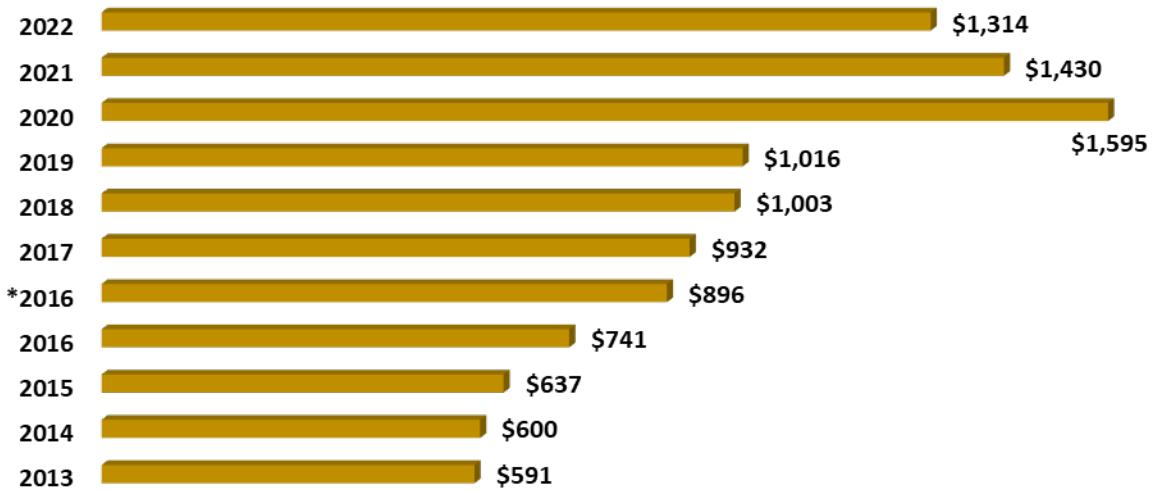

The 2020 Debt Service Fund was established for payment of the principal and interest on the 2020 G.O. Alternate Revenue Source Bonds to the fund costs of demolishing and reconstructing the local train station and improving related infrastructure within the Village. Payments for, interest, and paying agent fees will be \$341,793 in CY 2024.

The following are ten-year histories of the Village's total outstanding debt and outstanding debt per capita by fiscal year.

### Outstanding Debt of Primary Government

### Outstanding Debt Per Capita

## SPECIAL SERVICE AREA FUNDS

The Special Service Area (SSA) funds exist solely to accumulate property taxes to pay the debt service payments associated with the road programs, and Traube and Park Willow water mains. SSA 14 was established to collect the property tax in lieu of the parking obligation at 1 Walker. Upon collection, this tax is transferred to the Economic Development Fund. SSAs 15, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 33, 34 and 35 provide for road improvements on the Village's various streets. More information regarding the special service areas may be found in the budget detail.

## **POLICE PENSION FUND**

### **Revenues**

The Police Pension Fund exists to accumulate funds from the Village's property tax levy for police pensions, and its member contributions. These funds are used to pay current and future pension benefits for police officers. Presently, the fund has fourteen active members. Village contributions are based on an annual actuarial valuation, which is used as the basis for the tax levy. For CY 2024, the police pension contribution will be \$807,353. Member contributions are set by State Statute at 9.91%.

### **Expenditures**

Budgeted CY 2023 expenses include payments for pension benefits at \$963,875, professional services associated with the fund such as, legal representation, training, actuarial, accounting and audit services at \$40,000.

## **FIRE PENSION FUND**

### **Revenues**

The Fire Pension Fund exists to accumulate funds from the Village's property tax levy for fire pensions and its member contributions. These funds are used to pay future pension benefits for the Fire Chief. Village contributions are based on an annual actuarial valuation, which is used as the basis for the tax levy. For CY 2024, the actuarial recommendation for the fire pension contribution will be zero based on the fund maintaining a 102% funding status. Member contributions are set by State Statute at 9.455%.

### **Expenditures**

Budgeted expenses include payments for professional services associated with the fund, such as investment expenses, legal representation, training actuarial and audit services at \$5,795.

## **Community Profile**

The Village of Clarendon Hills, which was incorporated in 1924, is a non-home rule community as per the Illinois Constitution. This village is situated about 19 miles west of downtown Chicago in DuPage County, covering an area of 1.85 square miles. Clarendon Hills is primarily a residential community, and its official population increased by 3.3% from the 2010 U.S. Census to reach 8,702 in the 2020 Census. This growth was attributed to annexations, new multi-family and single-family residential developments, and a transition from empty-nester households to those with children.

Real estate prices in the Village have been on the rise. In 2023, the total assessed value of Clarendon Hills returned to its peak after a significant decline from 2009 to 2013. To offset this, the Village's tax levy remained stable even as the tax rate increased. Additionally, new single-family residential construction has increased from an average of about 35 per year before the recession to 65 in the current year (CY 2023). The Village continues to experience a consistent rate of housing replacement, following a period during which 2% of the housing stock was being replaced annually.

Clarendon Hills operates under an elected President and appointed Manager form of government. Legislative governance is provided by a six-member Board of Trustees elected at-large, each serving staggered four-year terms, with three Trustees elected every two years. The Village Manager, appointed by the President and the Board of Trustees, oversees the day-to-day operations of the Village. An annual budget is prepared by fund and department and is adopted by the Village Board, serving as the planning and operating tool that guides resource management.

The Village of Clarendon Hills offers a comprehensive range of services, including public safety, roadway maintenance, public improvements, planning and zoning, and water services. The Village operates a water utility that distributes water received from Lake Michigan through a joint venture with the DuPage Water Commission, of which the Village is a charter customer.

The Metropolitan Alliance of Police (MAP) Labor Council represents sworn police officers who have a collective bargaining agreement with the Village, expiring on December 31, 2024. No other employees of the Village are represented by a collective bargaining unit.

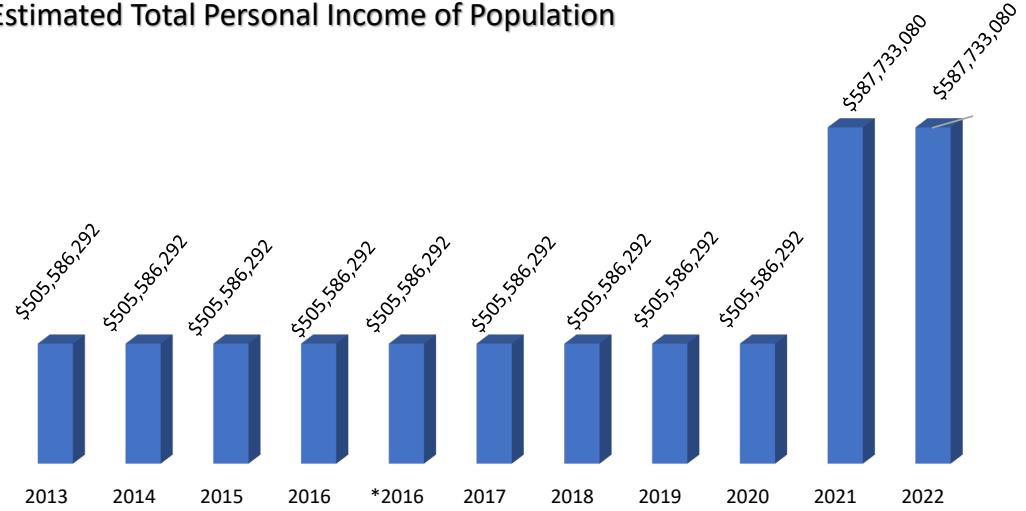

## **Local Economy**

Major revenue sources for the Village include property taxes, utility taxes, income taxes, and sales taxes. Property values in the Village are estimated to increase by 1%, reaching an assessed valuation of \$645,680,332 in levy year 2023.

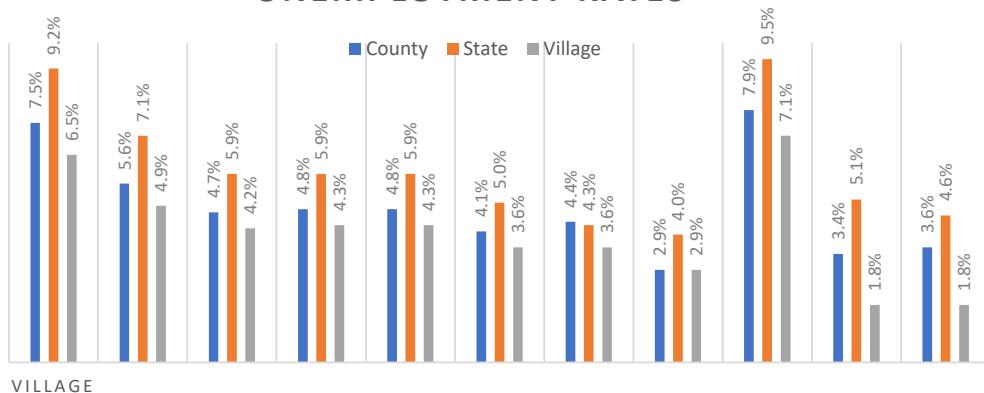

The median household income in Clarendon Hills surpasses both DuPage County and state levels, standing at 114% and 168%, respectively. This is largely attributed to the convenient access the community has to employment centers in the greater Chicago metropolitan area and the surrounding communities.

FUND BALANCE DISCLOSURES  
CY2024 BUDGET**

**FUND BALANCE CHART**

Projected and budgeted fund balances and unrestricted net position (enterprise funds) for CY 2023 and CY2024, respectively, follow on page 3 of the disclosure section.

**GOVERNMENTAL FUND BALANCE CATEGORIZATIONS**

Fund balance categorizations and Village Board action (if applicable) for each fund balance category at December 31, 2023 in conjunction with the approval of the CY2024 budget are as follows:

**Non-spendable Fund Balance**

Represents fund balances which are not available to be spent because of their form or because they must be maintained intact.

**Restricted Fund Balance**

Represents fund balances which are subject to externally enforceable limitations or result from enabling legislation adopted by the Village.

**Committed Fund Balance**

Represents fund balances that have self-imposed limitations put in place by formal action by the Village Board.

**Assigned Fund Balance**

Represents fund balances that have limitations due to being earmarked for an intended use. Authority to assign fund balances is delegated to Village staff as disclosed in a later section.

**Unassigned Fund Balance**

Represents total General Fund balance in excess of nonspendable, restricted, committed and assigned fund balances. The categorization only applies to the General Fund. Unassigned fund balance is available and expendable for any General Fund purpose.

**GOVERNMENTAL FUND FLOW ASSUMPTIONS**

The Village's flow assumptions are stated in the CY2024 budget document. The flow assumptions are based on GASB 54 definitions. The Village will spend the most restricted fund balances first, in the following order:

1. Restricted
2. Committed
3. Assigned
4. Unassigned

## **BALANCED BUDGET POLICY**

The Village will adopt and maintain a balanced budget in which expenditures will not exceed reasonably estimated revenues and other available funds, including reserves while taking into consideration recommended fund balances as set forth in the Village's Fund Balance Policies. The budget will be developed to support the goals and objectives as identified by the Village Board in their regular goal setting process. The proposed budget will be made available for public inspection, and a public hearing will be held to allow for public input prior to the adoption of the budget.

## **CAPITAL BUDGET POLICY**

The Village will develop multi-year plans for general and water capital improvements, updated annually, and will budget all capital improvements in accordance with this plan, otherwise known as the Ten-Year Capital Plans. The Village will maintain its physical assets at a level adequate to protect the capital investment and to minimize future maintenance and replacement costs. The operating budgets will provide for adequate maintenance and the capital budgets for the orderly replacement of capital equipment from current revenues when possible. Capital investment objectives will be prioritized by the Village Board and be appropriately reflected in the capital and operating budgets.

## **CASH MANAGEMENT/INVESTMENT POLICY**

In order to properly manage the funds of the Village and the commingled cash accounts that the Village maintains, interfund transfers may be needed from time to time to cover negative cash balances. The Village operates under the strict adherence to the adopted investment policy actively investing in instruments that are allowed by both statute and the policy. The purpose of the investment policy is to provide guidelines for the investment of public funds in a manner which will provide the highest investment return with the maximum security, while meeting the daily cash flow demands of the Village. Investments shall not exceed two (2) years in duration. The Village shall diversify its investments to the best of its ability and no single investment, except those guaranteed by the United States government, may exceed 5% of the fund's total market value. All funds on deposit that are in excess of the FDIC insured limits are required to be guaranteed by agencies or instrumentalities of the U.S. government with a market value of at least 110% of the deposits.

## **REVENUE POLICY**

The Village will work to develop and maintain a diversified revenue base to protect itself from fluctuations in any one revenue source. The Village will actively seek grant funding and one-time revenues will not be used to support operating expenditures, except in the event of an emergency. Revenues will be estimated on an annual basis using reasonable and conservative methods such as historical trend analysis. The Village will regularly review all charges for services, fees, permits, and fines to ensure that rates are maintained to cover the cost of services.

## **OPERATING BUDGET**

The Village will maintain a budgetary control system to ensure adherence to the budget and will prepare regular reports comparing actual revenues and expenditures to budget. The annual budget will be prepared in accordance with the standards of the Governmental Finance Officers Association.

## **CAPITAL ASSETS**

The Village's capital asset policy provides guidelines for the capitalization of assets. The Village will maintain a complete and accurate accounting of its capital assets. Capital assets shall include land, buildings, machinery, equipment, and vehicles with a useful life of one (1) year or more and having an original value of at least \$5,000. The asset's estimated useful life will be determined based on the schedule set forth in the Village's Capital Asset Policy. Capital assets will be recorded at historical cost and include all costs paid to place the asset into service. Straight-line depreciation will be used to depreciate the cost of the asset over the asset's estimated useful life. Land and land improvements will not be depreciated. Assets that are no longer considered useful will be declared surplus by the Village Board and disposed of in accordance with Illinois State Statutes.

## **RESERVE POLICIES**

Fund balance or reserve policies are established to avoid cash flow interruptions and protect against the need to reduce service levels or unpredicted one-time expenditures. The following levels are the minimums necessary to accomplish these objectives.

### ***General Fund***

The General Fund minimum fund balance shall be fifty percent (50%) of the current annual budgeted expenditures for the General Fund, which shall be set aside for reserves. The fund balance shall be determined based upon the most recently audited Comprehensive Annual Financial Report (CAFR). Upon determination of the fund balance, any excess over the fifty percent (50%) minimum shall be transferred to the Capital Projects Fund. The transfer shall be approved by the Village Board of Trustees and occur upon the publishing of the CAFR. The fifty percent (50%) minimum fund balance must be represented by cash or investments, other assets are not permitted to be included in the minimum calculation. If the unreserved fund balance falls below the minimum, a plan will be developed to return to the minimum fund balance within a reasonable period of time.

### ***Capital Projects Fund***

The Village shall maintain a minimum fund balance in the Capital Projects Fund to provide the necessary resources to fund the Village's infrastructure and equipment needs. A ten-year capital plan shall be maintained for the Village's infrastructure and equipment needs, unrelated to the Water Fund. This capital plan shall be reviewed by the Village Board on an annual basis in conjunction with the budget process.

### ***Water Fund***

The Village shall maintain the minimum unrestricted net position at 50% of the current fund's operating expenses. This target provides for any disruption in the regular billing cycle, any unanticipated expenses, and allows the Village to continue replacing its aging water infrastructure and other capital assets. The minimum reserve for operations shall be determined based upon the most recently audited CAFR. If the unrestricted net position falls below the minimum, a plan will be developed to return to the minimum unrestricted net position within a reasonable period of time. The Village shall maintain a ten-year water capital plan, which shall be reviewed by the Village Board and updated during the annual budget process.

### **DEBT MANAGEMENT**

The Village will confine long-term borrowing to capital improvements or one-time obligations that cannot be financed from current revenues or reserves. Capital projects financed through the issuance of bonds shall be financed for a period not to exceed the expected useful life of the improvement. The Village will maintain good communication with the bond rating agencies about its financial condition. The Village will follow a policy of full disclosure on every financial report and bond prospectus. As a non-home rule unit of government in the State of Illinois, the Village's debt limit is 8.625% on the value of the taxable property within the Village, including any existing indebtedness. The Village will take advantage of every opportunity to refinance current debt in order to save tax dollars.

### **LEVEL OF SERVICE**

The operating budget will be compiled in a manner to maintain a superior level of service to the community. The Village Board will prioritize increases or decreases in service levels at budget sessions or during the fiscal year, as required.

### **RISK MANAGEMENT**

The Village is committed to providing a safe work environment, to manage all risks in an appropriate manner, and to conduct loss control measures to ensure that liability and workers compensation losses are kept at a minimum level.

**ADMINISTRATION DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

President, Board and Clerk  
Administration  
Public Relations  
Legal Services

**DEPARTMENT DESCRIPTION**

The Administration Department includes the activities of the Village President and Board of Trustees (the "Village Board"), the Village Clerk, the Village Manager's Office, legal expenses and support for the Special Events Committee. The Village Board sets policy priorities for the Village, which are then executed under the direction of the Village Manager. The Village Manager's Office serves as the bridge between the Village Board and the operational departments. It ensures that the Village Board has the information and context it needs to make decisions and set priorities, then ensures that the Departments have the direction, coordination, and resources needed to carry out those decisions. The Village Manager's Office is also responsible for Village communications, human resources, information technology, administering, negotiating and resolving issue related to the refuse contract, risk management services, labor relations and special events oversight.

**CY 2024 BUDGET HIGHLIGHTS**

The Administration Department expects to continue implementing goals and objectives outlined in previous years by the Village Board including supporting multiple village wide projects including the Downtown TIF Redevelopment Plan, and continued cloud migration of village services.

**CY 2024 GOALS AND ACTION STEPS**

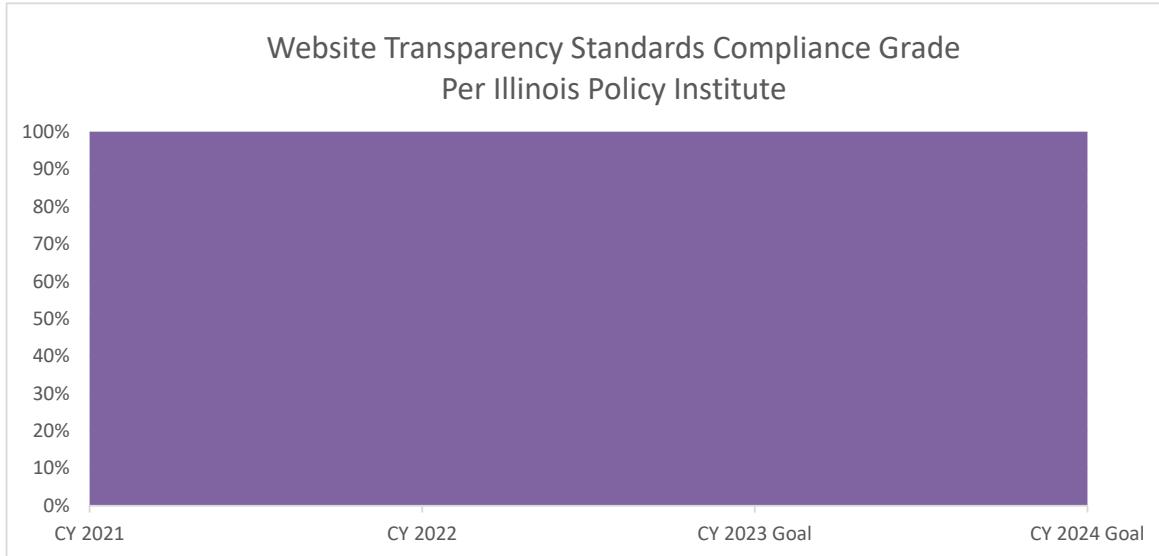

- \* Continue facilitating economic development in downtown and other areas
- \* Complete implementation of replacement Village Firewall and other IT security updates
- \* Complete building improvements to Village Hall including HVAC, ADA and security upgrades
- \* Explore non-property tax revenue sources to offset rising inflation and lower burden on homeowners
- \* Explore economic development opportunities along the 55th Street corridor
- \* Work with other agencies and community volunteers on the Village's Centennial celebrations

**CY2023 ACCOMPLISHMENTS**

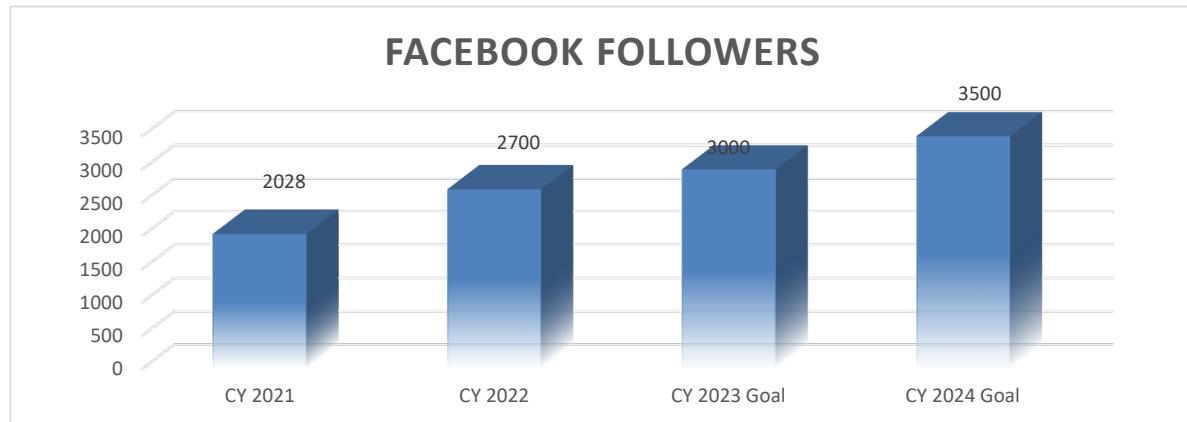

- \* Completed the annual salary survey including analysis of staffing levels
- \* Filled three key leadership positions; Village Manager, Community Development Director and Assistant Village Manager/HR Director
- \* Completed Board Room AV upgrades
- \* Completed transition to new municipal code provider and moved to self codification
- \* Implemented a website revamp and increased social media communication
- \* Completed new Board and Village Clerk orientation
- \* Negotiated real estate development agreement for Mycroft Phase II
- \* Completed IRMA risk management audit
- \* Restructured the Department to take on additional Clerk duties

**FINANCE DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

Finance

Information Technology Services

Miscellaneous Administrative Services

**DEPARTMENT DESCRIPTION**

The Finance Department encompasses various crucial functions, including Accounting, Utility Billing, Payroll, Information Technology, and the Village Hall cashier. This department assumes responsibility for managing all financial records and transactions within the Village. This encompasses maintaining general ledgers, processing payroll, managing accounts payable and receivable, overseeing utility billing, handling investments, and managing fixed assets. Furthermore, the Finance Department plays a pivotal role in processing payroll and benefits for the Clarendon Hills Library. Additionally, it takes charge of formulating the annual Budget, Annual Comprehensive Financial Report (ACFR), and annual updates for the ten-year Capital Plans related to the Village's general and water infrastructure. Remarkably, the Finance Director serves as the Village Treasurer and administers the responsibilities of Treasurer for the Police Pension Fund and Fire Pension Fund, handling all financial transactions associated with these pension funds. Lastly, the Utility Billing function is responsible for billing and collecting fees for water services, while Information Technology is tasked with maintaining the Village's information systems. The Village Hall cashier provides an array of services to Clarendon Hills residents, including the acceptance of payments for water bills, vehicle stickers, contractor's licenses, business licenses, and building permits.

**CY 2024 BUDGET HIGHLIGHTS**

The finance department remains dedicated to the pursuit of continuous and perpetual improvement. In the upcoming fiscal year, CY 2024, the Finance team is poised to enhance the efficiency of our utility billing payment process. During this period, Finance will implement a transition to an online billing provider that seamlessly interfaces with our accounting ERP system, ensuring real-time data accessibility. Additionally, this upgrade will introduce the convenience of recurring credit card payment options for our valued residents. Within the CY 2024 Miscellaneous Administrative Services, an allocation of \$1,234,497 is earmarked for the Capital Projects Fund. Other noteworthy items encompass negotiated sales tax incentives, with a total payable of \$150,000 to an auto dealership, as well as a contingency reserve of \$100,000.

**CY 2024 GOALS AND ACTION STEPS**

- \* Receiving the Certificate of Achievement for Excellence in Financial Reporting from the Government Financial Officers Association (GFOA) for the CY23 Annual Comprehensive Financial Reports (ACFR).
- \* Continuing the redesign of the Village's annual budget document with the aim of achieving the Government Finance Officers Association Distinguished Budget Presentation Award.
- \* Maintaining our Standard and Poors AAA Bond Rating
- \* Transitioning the Utility Billing Online service to a provider that can interface with the accounting ERP, enabling real-time data access. Additionally, while still providing the existing online options such as receiving an electronic bill, providing recurring credit card payment options while retaining the existing online billing options, such as electronic billing.

**CY2023 ACCOMPLISHMENTS**

- \* Received the Certificate of Achievement in Excellence in Financial Reporting from the GFOA for the Village's CY2022 ACFR.
- \* Continuation of the automation in the Village's accounts payable process with converting vendors to electronic payments
- \* Maintained the Standard and Poor's AAA Bond Rating, showcasing financial stability and responsibility.

**CY2024  
COMMUNITY DEVELOPMENT DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

Zoning Board and Plan Commission (ZBA/PC), Economic Development Commission (EDC) & Downtown Design Review Commission (DTDRC)  
Community Development

**DEPARTMENT DESCRIPTION**

The Community Development Department provides professional community planning, zoning, construction management, code enforcement, and economic development services to the Village. The Department is responsible for administering zoning and development codes to ensure orderly development and redevelopment within the Village. The Department reviews plans, issues permits and performs the necessary inspections to ensure adherence to adopted construction and design codes and practices. The Department also provides technical and administrative support to the Zoning Board of Appeals/Plan Commission, the Downtown Design Review Commission, the Economic Development Commission, and planning ad hoc committees as assigned from time-to-time by the Board of Trustees.

**CY 2024 BUDGET HIGHLIGHTS**

In calendar year 2024, Community Development plans no significant changes to the general department budget and continues planning, construction management, code enforcement, and economic development services. As in previous years, the Department will continue to institute and improve communications and access-to-information programs for our residents, businesses and property owners. In addition, the Department will continue to work with the ZBA/PC, Downtown Design Review Commission, and Economic Development Commission to improve development review programs through plan implementation, code maintenance and education. The Department will continue to implement the strategic activities outlined in the adopted Downtown Master Plan and 55th Street Sub-Area plans. 2024 activities will include managing the development of financial tools and strategic partnerships for the downtown, addressing any possible annexation of key unincorporated properties south of 55th Street and continued implementation and management of incentive programs associated with the Downtown and Ogden Avenue Tax Increment Financing (TIF) Districts.

**CY 2024 GOALS AND ACTION STEPS**

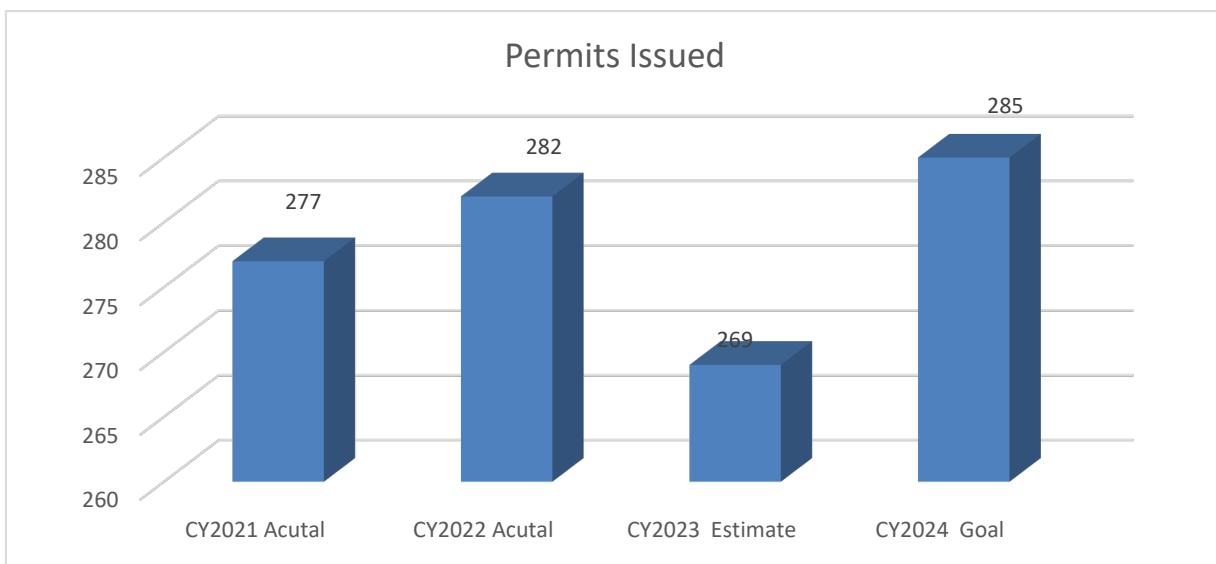

- \* Private business and property owner attraction and retention visits
- \* Assist with the next phases of the Downtown Revitalization Project including wayfinding signage, street furniture and public spaces' design
- \* Implement TIF supported incentive programs for reinvestment in existing buildings and business in the Downtown and Ogden Avenue TIF Districts.
- \* Commercial development land build out and maximization use study
- \* Continue to develop expansion and implementation of the village's geographic information system (GIS) mapping program.
- \* Evaluate and test fit land development codes and processes.
- \* Review & approved development plan for 104 Walker
- \* Create a new TIF District through a study with consultant on 55th Street

**CY2023 ACCOMPLISHMENTS**

- \* Refining and improving the land development review processes and regulations
- \* Leadership change in the Community Development Director position and associated administrative transition
- \* Downtown TIF District Grant Program approvals - 30 S. Prospect (IL Mio Restaurant) and 3-5 Golf Ave
- \* Downtown TIF reimbursement distribution - 211 Burlington (Tierra Distillery) and 30 S. Prospect (IL Mio Restaurant)
- \* Facilitated new and expanded downtown businesses - 29 & 31 S. Prospect (La Perl/Wasabi Steak) and 14 S. Prospect (English Garden)
- \* Continue evaluating and test fitting development codes and processes for optimal communal and individual benefit
- \* Replace Starbucks user with quality coffee & food user

**CY2024  
POLICE DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

Board of Police and Fire Commission  
Police Administration  
Police Operations  
Police Support Services  
Police Station Maintenance

**DEPARTMENT DESCRIPTION**

The Police Department coordinates the public safety efforts in the Village. Through investigations, patrols, crime prevention and other efforts, police officers work to deter and prevent crime within the Village. The Department consists of 14 sworn police officers, 2 full-time and 2 part-time civilian support staff. The mission of the Police Department is to provide the highest quality of police service to the citizens and visitors of Clarendon Hills. The Police Department ensures public peace by deterring crime, detecting and arresting criminal offenders, protecting life, property, and the rights of all persons, regulating and controlling traffic, maintaining police records and communication, providing animal services, and other responsibilities as indicated by statute or Village ordinance.

**CY 2024 BUDGET HIGHLIGHTS**

In CY2022, the Police Department increased its staffing from 13 to 14 sworn officers and added an additional full time civilian. Staff intends to continue with this level of staffing for CY2024 and is not proposing any significant changes to the budget. Staff has evaluated each capitol item and recommends the replacement of our electronic fingerprint submission system, one (1) squad car, and 15 Department issued service pistols. Also, regarding facility maintenance, staff recommends external and internal painting, replacement of the booking room epoxy floor, and replacement of two rooftop HVAC units. Staff further recommends that the Department defer replacement of the Generator to CY2025

**CY 2024 GOALS AND ACTION STEPS**

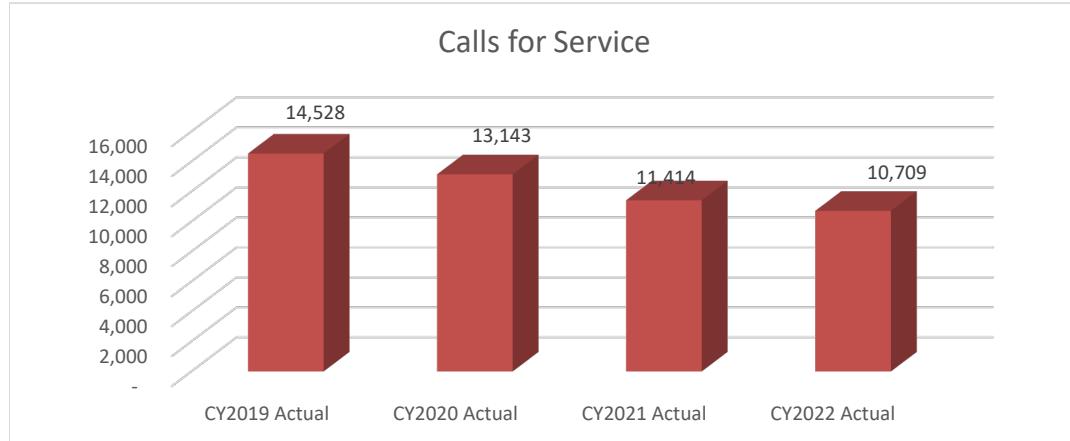

In CY2024, staff will continue its focus on leadership training for sergeants and officers. Also, in order to meet State imposed training mandates, the Department plans to continue online training through Target Solutions, Court Smart, Police Law Online, and the Illinois Police Training Board website. Furthermore, the Department will continue to work with the school district and partners in law enforcement to make school safety a priority.

**CY2023 ACCOMPLISHMENTS**

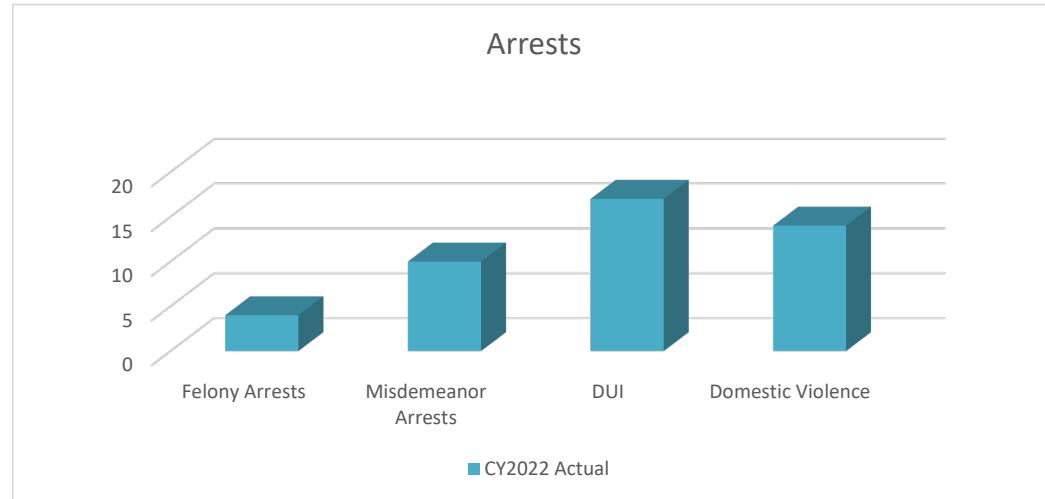

- \* Implemented Department drone program
- \* Hired and trained two additional sworn officers
- \* Applied for and received one training grant through IRMA
- \* Applied for and received a federal bulletproof vest grant.
- \* Implemented train station security camera system.
- \* Applied for a body camera grant through the State of Illinois

**CY2024  
FIRE DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

Administration  
Suppression  
Emergency Medical Services  
Prevention  
Fire Station Maintenance  
Emergency Operations Management

**DEPARTMENT DESCRIPTION**

The Fire Department is responsible for the preservation of life and property of the residents and visitors of the Village of Clarendon Hills. The department also maintains the readiness of personnel, fire station and equipment to promptly respond to requests for emergencies involving fire, rescue emergency medical and emergency management incidents. Other responsibilities include the Village of Clarendon Hills Emergency Operations Plan (EOP), Emergency Operations Center (EOC), and the National Incident Management System (NIMS) training and record keeping for all Village employees. The Fire Department promotes fire prevention, fire and life code enforcement, and public education as a means to prevent the loss of life, reduce the effects of personal injury, and minimize property loss.

**CY 2024 BUDGET HIGHLIGHTS**

In CY2024, the Fire Department does not plan any significant changes to the operating budget and will continue to operate using primarily paid-on-call and part-time personnel. Purchasing highlights include the following: Regular replacement of protective clothing for firefighters, continued membership in MABAS Division 10, and regular replacement of several hundred feet of fire hose. The fire department has been and will continue to adapt to the ever changing COVID 19 problems. In 2024 we will be receiving two (2) new pieces of fire apparatus from Pierce Manufacturing in Appleton Wisconsin. This will be a new Aerial Ladder/Pumper "Quint"apparatus and a new pumper. Total cost of these 2 vehicles will be approximately 2.2 million dollars.

**CY 2024 GOALS AND ACTION STEPS**

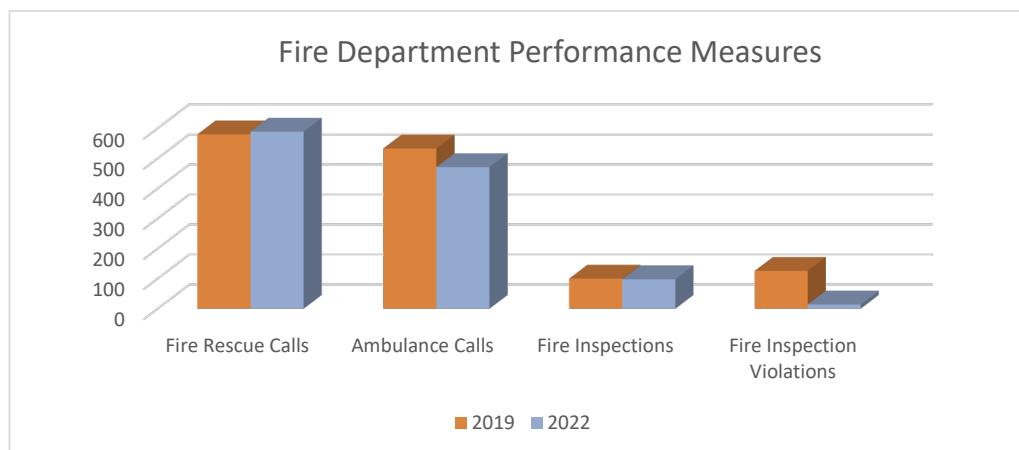

- \* Continue to analyze the department staffing needs and structure.
- \* Continue to enhance fire prevention and public education programs.
- \* Continue to improve department training. We are also expanding our training with the Hinsdale Fire Department.
- \* Continue to work with the Hinsdale Fire Department on our shared services.
- \* Continue officer development training programs for Clarendon Hills, Hinsdale and Western Springs.
- \* Continue to explore the availability of federal and state grants to enhance our overall ability of providing services to the community.
- \* Conduct Inspection trips to Pier in Wisconsin for new pumper and aerial ladder vehicles. Prepare for delivery of new apparatus and the sale of surplus apparatus.
- \* Continue to analyze all aspects of the Village of Clarendon Hills Emergency Operations Plan.
- \* Hire and train 1-2 new paid on call firefighters in 2024. Also hire additional part time firefighter EMT's and Paramedics.
- \* Coordinate several capital projects such as Station Maintenance, Fire Apparatus replacement, replacement Fire Prevention vehicle, Security Cameras, etc.

**CY2023 ACCOMPLISHMENTS**

- \* Met with Pierce Sales representative and Pierce Engineers several times in late 2023 fine tuning engineering details of new fire apparatus.
- \* Attended several Active Shooter planning sessions with Hinsdale and Western Springs.
- \* Hired four (4) new part time firefighters and two (2) paid on call firefighters.
- \* Implemented new Loyola Patient Reporting System (Image Trend) in late 2023.
- \* Completed several improvements inside the fire station building including the replacement of the main UPS batteries.
- \* Purchased several EMS training devices and conducted training on these.
- \* Worked with the Hinsdale Fire Department on joint training exercises.
- \* Fitted and replaced several sets of protective clothing for firefighters.
- \* Working on the update of Chapter 24, 21 and 8 of the village code. Should be completed by 12/23.
- \* Purchased and trained all personnel on the new Lucas CPR device.

**CY2024  
PUBLIC WORKS DEPARTMENT**

**ORGANIZATION OF PROGRAMS**

Operations  
Public Works Building Maintenance  
Village Hall Building Maintenance  
Central Business District

**DEPARTMENT DESCRIPTION**

Public Works is responsible for the maintenance of the Village's infrastructure including streets, drainage ditches, storm sewers, detention facilities, stormwater pumps, sidewalks, parkway trees, street lights, parking lots, public buildings and all equipment which is utilized in the performance of this work. The Department is also responsible for snow & ice control, open field grass mowing, storm damage remediation, support for various community events and placement and removal of banners in the Central Business District (CBD). Public Works personnel also maintains the water distribution system. To perform some of these functions, the Department also utilizes the following funds: Capital Projects, Motor Fuel Tax, BN/CH Parking and Water.

**CY 2024 BUDGET HIGHLIGHTS**

The CY 2024 proposed budget strives to continue the level of service for the Department's operating functions. The Department will continue to take advantage of joint purchases and shared resources while maximizing the efforts of the lean staff.

**CY 2024 GOALS AND ACTION STEPS**

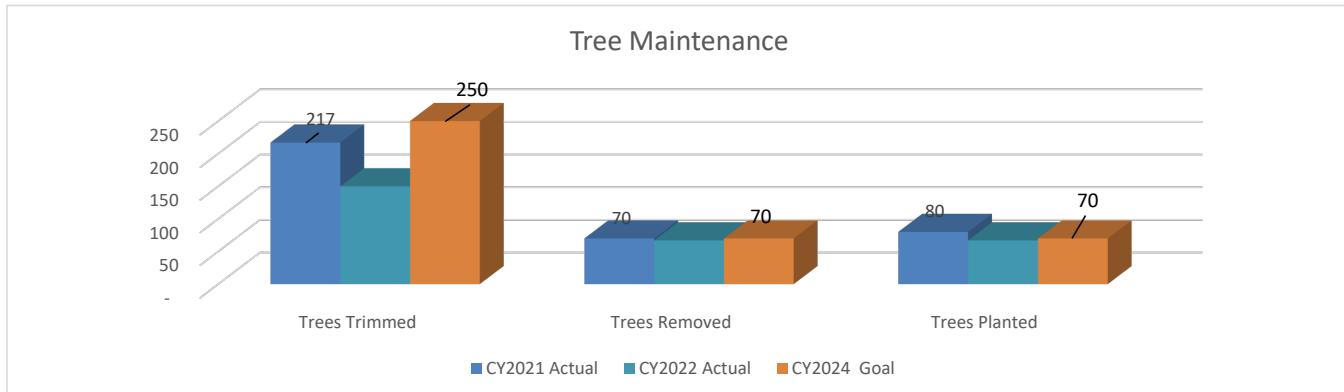

- \* Resurface Holmes south of 55th Street. Resurface 56th and 58th Streets.
- \* Replace driveways and parking areas at a number of Village properties.
- \* Using the materials spreader, continue to address pavement edges to bring the settled dirt up to grade.
- \* Continue to improve various landscaping islands throughout the Village.

**CY2023 ACCOMPLISHMENTS**

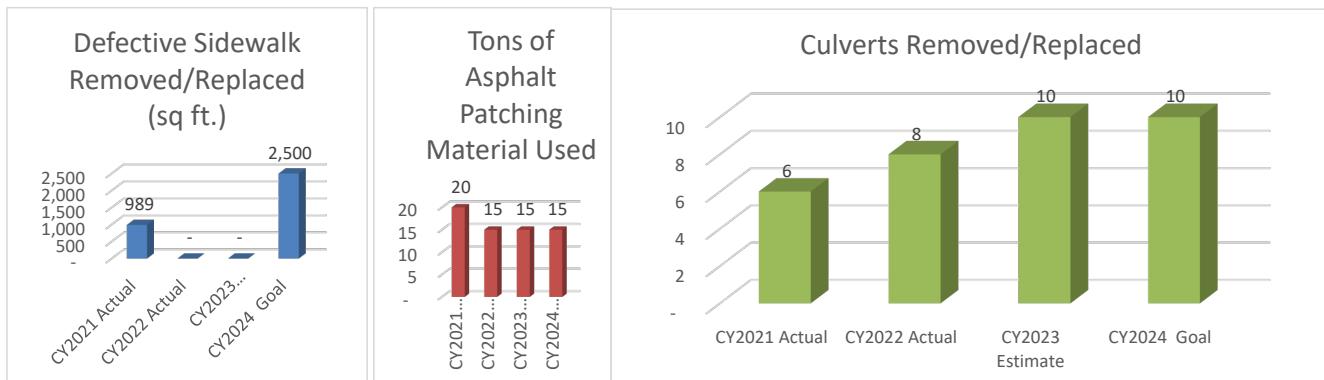

- \* Planted 70 parkway trees
- \* Installed new water main on Burlington from Water Tower west to Westmont.
- \* Resurface Burlington Avenue from Western Village Limits to Prospect Avenue with 80% paid from federal tax dollars.
- \* Completed Ann and Byrd Road Improvements. Resurfaced Ann and Eastern in the Central Business District.

### **Other Professional Services:**

**Engineering - Pavement Maintenance** - This line item funds the village engineer's work to identify pavement patching locations, prepare the quantities and bid documents, solicit bids and prepare contract documents. This line item also oversees the completion of the patching work. **CY24 - \$16,500**

### **IT Equipment:**

**Computer Replacement Program** – Ongoing computer replacements. Increased costs due to inflation and a switch to laptops for office positions **CY24 - \$12,000**

**Replacement of Village Firewall** – Replace existing Firewall with new updated system. **CY24 - \$4000**

**Network Switch replacement** – General upkeep of the Village's network. **CY24 - \$10,000**

**Replacement/Upgrades to the Village's IT System** – General upkeep of the Village's network. **CY24 - \$5,000**

### **Operating Supplies**

**Fire Station Security Cameras** – With the changing threats in Homeland Security and the importance of the fire station and its equipment, it is desired to install security cameras in and around the fire station. If possible, these security cameras might be interconnected to the police security camera system. **CY24 - \$15,000**

### **Other Improvements:**

**Comprehensive Sidewalk Program** – The sidewalk maintenance program primarily focuses on the reduction of trip hazards through the replacement of sidewalk squares or concrete grinding. It may include a new sidewalk extension component which would be brought to the Board for approval prior to its implementation. Motor Fuel Tax (MFT) funds are also allocated to this program. **CY24 - \$60,000**

**Tree Replacement Program** - Annual tree replacement program which was formerly allocated in the Motor Fuel Tax Fund. This year's program contemplates (60) replacements, contingent on actual contract prices. **CY24 - \$40,000**

**Hinsdale Golf Course Sewer Repair** – This project is a place holder as the original storm pipes that serve the Village cut across portions of the Hinsdale Golf Course and from time-to-time portions of that pipe fail and need repair or replacement. It is expected that this will

be an ongoing maintenance issue until all pipes under the course have been either lined or replaced. **CY24 - \$100,000**

**Storm Sewer Lining – Five Corners 60” Culvert** – his project is grant funded and calls for the lining of a 60 inch Corrugated Metal Pipe which is located at the corner of Eastern, Harris and Ann. Lining of this major section of storm sewer provides for a lessened environmental impact, lower costs and a more expedited permit process than full pipe replacement. **CY24 - \$200,000**

**Storm Sewer Lining – Ann Street** – This project calls for the lining of a storm sewer on Ann Street in the Business District as a follow up to the environmental cleanup that occurred last year. By lining this storm sewer, it is anticipated that there would be no need for this street to be excavated for many years. **CY24 - \$30,000**

#### **Machinery & Equipment:**

**Hose Tower Landing Gates** - This is something IRMA wants us to have fabricated and installed in the hose tower to prevent falls in the hose tower. **CY24 - \$20,000**

**Fire Drug Narcotics** – Vault used to store medical drugs **CY24 - \$8,000**

**Electric Vehicle disability Plugs and Equipment** - These funds would be needed for the purchase of Electric Vehicle (EV) tools and equipment needed for electrical problems and fires related to these types of vehicles. **CY24 - \$10,000**

**Tools, Equipment and Mounts for new Apparatus** - These funds would be needed for various tools, tool mounts, valves, hose fittings, and other equipment for the two (2) new fire apparatus being delivered in mid-2024. **CY24 - \$75,000**

**Replacement Thermal Imaging Cameras** - This is for the normal replacement of thermal imaging cameras that are carried on fire apparatus. This is for three (3) thermal imaging units and these are replaced every seven (7) years. **CY24 - \$35,000**

**Replacement Aerial Ladder Truck** - This replacement vehicle was ordered in April of 2022 for delivery in approximately 22-24 months. The planned delivery date is now April 1, 2024. This vehicle will replace a 22-year-old vehicle that requires frequent repairs. **CY24 - \$1,465,000**

**Replacement Pumper Truck** - This replacement vehicle was ordered in April of 2022 for delivery in approximately 22-24 months. The planned delivery date is now April 1, 2024. This vehicle will replace a 22-year-old vehicle. A 50% prepayment on this vehicle was made at the time of order in 2022. **CY24 - \$364,623**

**Fire Prevention/Code Enforcement Replacement Staff Vehicle** - This is for the replacement of a 2012 Ford Expedition staff vehicle that is used by the Fire Prevention/Code Enforcement Officer. This vehicle is experiencing many mechanical problems along with starting problems which have been unable to be fixed at this time. Starters and other electrical components have been replaced and have not fixed the problem. This vehicle is becoming more and more unreliable. This paint for the hood and rear hatch is coming off and corroding again after repairs were done about 5 years ago. The under carriage and frame area are also rusting. The wheels are also rusting and causing tire leaks constantly. This cost is for the purchase of the vehicle and the outfitting with new radios and many other related emergency equipment items. It was planned to replace this vehicle in CY-2022 and in CY-2023, but it was decided to try and get one (1) additional year out of the vehicle and replace it in CY-2024. **CY24 - \$80,000**

**Police Department- Officer Issued Firearms with Optics.** The department issues sworn officers Glock semi-automatic handgun duty weapons. The current department issued Glocks are approaching ten years in age. Due to wear and tear and technological advancement such as red dot optic aiming sights, staff believes it is time to replace the current issued Glocks. Staff recommends replacement in CY2024 and every 10 years thereafter. **CY24 - \$15,000**

**Police Department- Pursuit Stop Sticks.** Stop Stick created a device to deflate tires quickly and safely, thus giving officers an alternative to initiating or continuing pursuits. Given the uptick in officers pursuing violent individuals, staff believes it prudent to purchase such devices. **CY24 - \$6,000**

#### **Livescan Fingerprint Submission System- Replacement**

Currently, this unit integrates with the new CAD/RMS system and its life expectancy is approximately 9 years. The system is scheduled to be replaced in CY2024. Prior to replacement, staff will re-evaluate its overall condition and compatibility with new and updated technology as well as State requirements. **CY24 - \$10,000**

**Police Replacement Squad Cars** - Every year, staff evaluates each squad car to determine if replacement is needed. Usually, a squad car needs to be replaced every 4 years, depending on mileage and idle time. Staff recommends replacing 1 squad cars in CY2024. **CY24 - \$67,000**

**Gator - small utility vehicle** - This vehicle will allow staff to get into smaller places, assist with special events and will be another small vehicle that can be used by summer workers. **-. CY24 - \$25,000**

**Tree Stumper/ Public Works** – The old stumper has reached the end of its useful as a first line piece of equipment, before we experience extensive breakdowns it is recommended that this equipment is replaced. **. CY24 - \$35,000**

### **Roadway Improvements:**

**Road Maintenance Program** - This is the annual component of the road maintenance program and may include crack sealing, asphalt rejuvenation, slurry seals and full or partial patching and resurfacing. **CY24 - \$110,000**

### **2024 Road Program (\$990,000)**

The annual road program resurfaces worn pavement and replaces damaged or defective concrete curb. This year the project will also focus on Village Parking Lots, Driveways and one alley. **CY24 - \$990,000**

Locations slated for 2024 include:

1. Holmes Avenue from 55<sup>th</sup> Street to 58th Street
2. 58<sup>th</sup> Street from Holmes Avenue to Route 83
3. 56<sup>th</sup> Street from Barclay Court to Holmes Avenue
4. Village Hall Parking Lot
5. McIntosh Alley
6. Various Municipal Driveways and Parking Areas
7. Pedestrian Safety Improvements in the Downtown Business District

### **Facility & Bldg. Improvements:**

**Village Hall Replace – HVAC** – Replacement of Village Hall HVAC units.. **CY24 - \$136,000**

**Village Hall Railings** – Replacement of railings at Village Hall. **CY24 - \$23,000**

**Misc Paving Work - Village Hall Lot, McIntosh Alley** – Resurface and re-stripe the parking lot at Village Hall. **CY24 - \$60,000**

**Public Works Salt Dome – CY24 - \$55,000**

### **Police Station – Painting**

Painting is scheduled for CY2024; Thereafter, every 10 years. **CY24 - \$15,400**

### **Police Department Garage / Booking Room Epoxy Floor– Replacement**

The garage floor epoxy surface was replaced in CY2022. Staff recommends replacing the booking room epoxy floor in CY2024; Thereafter, every 15 years. **CY24 - \$6,500**

**Police Department – HVAC** - Staff recently replaced two rooftop units (CY21, CY23) and both residential units (CY23). The remaining two rooftop units are scheduled to be

replaced in CY2024. Prior to replacement, staff will have an HVAC professional evaluate them. Every 15 years, thereafter. **CY - \$40,000**

**Police Department- Parking Lot Maintenance**

The parking lot was resurfaced in CY2020. Recoating the surface should occur every 4 years after. **CY24 - \$3,000**

**Fire Station - Boiler Heater** - In CY-2022 it was planned to replace the Boiler and Unit Heaters which are used to heat the apparatus bays at the fire station. Due to contractor issues and equipment delays it was decided to defer this until the CY 2023 year. **CY24 - \$50,000**

**Fire Station Maintenance Projects** - In CY-2020 Some interior painting completed, but most of the projects were not completed. In CY-2021 it is intended to replace all the acoustical ceiling tiles located in all areas of the building and finish some of the interior painting. I am not sure if this will be completed because we are having a hard time locating a qualified contractor to perform the work. **CY24 - \$20,000**

**Fire Department- Parking Lot Maintenance** - Recoating the surface parking lot. **CY24 - \$3,500**

**Fire Station- Carpeting Replacement** - This would be for the routine periodic replacement of the carpeting in the entire fire station. **CY24 - \$17,000**

**Contingency:**

Contingency reserve for unanticipated expenditures. **CY24 - \$100,000**

**Interfund Transfers:**

**2009 Alternate Bond Debt Service** – SSA No. 15 Debt repayment. **CY24 - \$13,440**

**2019 Alternate Bond Debt Service** – SSA 33/34. The Village is loaning the SSA a portion of the Debt Payment for years 2020-2030. This was done to provide for a 10-year issue versus a 15-year issue to keep costs down and to secure the best interest rate available for a small debt issue. **CY24 - \$24,729**

**2020 Alternate Bond Debt Service** – Train Station Debt repayment. The Village secured a bond issue for the purpose of paying the costs of demolishing and reconstructing the local train station and improving related infrastructure within the Village. This is a 20-year debt issue. **CY24 - \$341,778**

**2012 Refunding Debt Service** – Police Facility and Fire Trucks debt repayment. **CY24 - \$187,313**

**VILLAGE OF CLARENDON HILLS  
CY2024  
WATER FUND**

**DEPARTMENT DESCRIPTION**

This account reflects the operation, maintenance and improvement to the public water supply owned and operated by the Village. The Public Works Department is responsible for the daily operation and supervision of this utility in order to provide safe drinking water to our residents. Operations include daily monitoring, metering, water quality testing, IEPA compliance, locating for JULIE, and routine maintenance. Maintenance includes hydrant flushing, painting and replacement as well as small repairs, including emergency work, generally associated with water main breaks. System improvements include water main replacements, reservoir inspection and painting, and equipment replacements, which include vehicles and pumps.

**CY2024 BUDGET HIGHLIGHTS**

The proposed budget maintains the current levels of service for all of the fund's programs.

**CY 2024 GOALS AND ACTION STEPS**

\*Reduce water loss throughout system through leak detection survey

\*Complete Valve Maintenance on North Side of Village.

**CY 2023 ACCOMPLISHMENTS**

\*Replaced Water Main on Burlington from Water Tower to Westmont Village Limits.

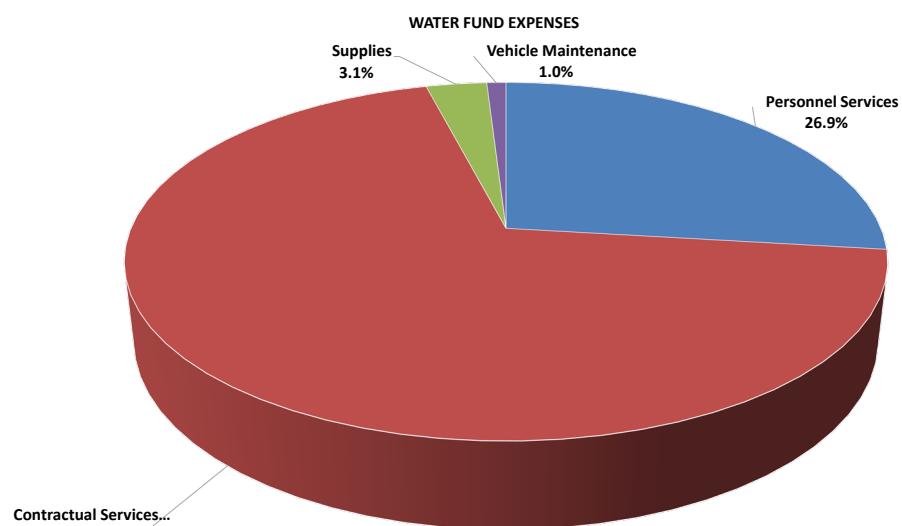

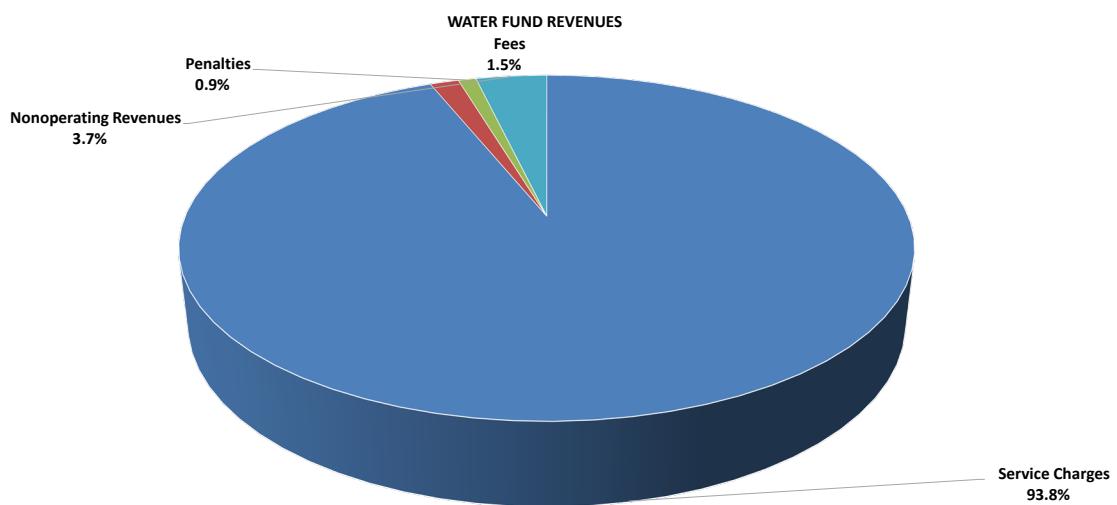

\*Replaced interconnect with Westmont

\*Completed Valve Maintenance on North Side of Village.

## **Other Improvements**

**Water Fund - Emergency Well Decommissioning / Repairs** – Well 7 has been problematic for over one year. A number of technicians have looked at it and the estimates to repair are similar to the cost to decommission the well. The well was kept in place for emergency use should flow from the City Chicago via the DuPage Water Commission be unavailable. It would be suitable for toilets and fire-flow only. It would have to be boiled to be consumed. After 40+ years, the DuPage Water Commission has been providing water from the City of Chicago without interruption. At this point, the Village should explore the pros and cons of keeping or decommissioning the well. There is a second well that would be available for emergency use. **CY24 - \$220,000.**

**Misc Paving** – This project resurfaces a number of driveways and parking areas at water facilities throughout the village. **CY24 - \$75,000.**

## **Machinery and Equipment**

**Hand Held Meter Reader**- Due to the number of MXU or meter reader transmitters failing, a second handheld reader is needed. **CY24 - \$15,000**

**1,400 Gallon Water Tank** - This tank is used for cleanup following main breaks and for watering sod after main break restorations. **CY24 - \$15,000**

## **Other**

**IEPA Loan Repayment** – Repayment of the twenty-year, 0% interest loan from the IEPA for water main construction in FY 2009-10. **\$81,900**

MOTOR FUEL TAX FUND

SUMMARY OF REVENUES AND EXPENDITURES

DEPARTMENT DESCRIPTION

The Motor Fuel Tax Fund is used to account for the Motor Fuel Tax revenues restricted by the State of Illinois for road repairs and improvements. It is the Village's intent to utilize a portion of the Motor Fuel Tax Fund balance over the next several years for road maintenance, with the intent to draw down the fund balance to 50% of expenditures.
