

## DAISY DIGEST

Dear Neighbors,

It's been a year since I was elected Village President and as promised in my very first message, the Village Board and I have continued to build on the foundations set by previous Boards by keeping taxes as low as reasonably as possible. The Village is audited on an annual basis and at June's Village Board Meeting, Sikich LLP provided the results. I am pleased to share that the Village received a "clean" audit/opinion meaning that the financial statements are presented fairly in accordance with U.S. generally accepted accounting principles. We appreciate the hard work and diligence of our Finance Department.

Also, under Village Board direction, Staff has helped with providing many great economic development opportunities for our community. These developments' future tax revenues will help to ensure we can continue to keep our residents' taxes reasonable. Clarendon Hills is a very desirable community to not only live in, but to work, dine, shop, and visit. Remember to shop and eat local!

As we continue to celebrate our Centennial, I hope that the residents are experiencing the great events that have been organized by our local organizations and the Centennial Committee. Volunteer Day in May was a huge success! This event enforced the Village's motto as a Volunteer Community. There are still many Centennial events going on this year. Be sure to check out the Centennial Happenings by visiting [www.clarendonhills.us/centennial](http://www.clarendonhills.us/centennial)

I want to thank the Village Hall Staff, Public Works, Police Department, and our Fire Department for their participation in assisting these events so that they happen safely and are enjoyable for all in our community.

This brings me to the residents, groups, organizations, and businesses that support our Planting Partners program in the Downtown Business District. Thank you for sponsoring our raised flower beds. With your generous donations each year, you continue to pay for the beautiful plantings that make our downtown look so inviting. Your donations allow the Village to fund these plantings without the burden to our taxpayers.

Daisy Days was larger than ever this year with events happening in and around Village Hall. There are many great summer concerts left this summer, thanks to the Chamber of Commerce. I look forward to seeing you there!

Eric Tech, Village President

Daisy Days was like no other which included so many other great organizations, such as the Birches, the Historical Society, Young Entrepreneurs hosted by the Lions Club, and great entertainment.
