## Village of Clarendon Hills Village Manager's Report

To: Village President Austin & Board of Trustees

From: Kevin Barr, Village Manager

Date: June 12, 2015

1. Zach Creer, Glen Dolgner, and Dave Pendill met with the Chamber of Commerce on Thursday to finalize preparations for Daisy Days. Daisy Days starts on Friday night and runs all-day Saturday. We are hoping for good weather, but are prepared in case that does not happen.
2. Special Events Committee met Tuesday night as a final meeting before the concert series starts. I'm excited to get to attend my first concert this year. As a reminder, the concerts start Wednesday at 7 pm in Downtown Clarendon Hills.
3. Planting Partners plaques should be out this Friday before Daisy Days. Thank you to our sponsors for their donations and Vicki Pries for organizing the program this year.

Enjoy the weekend!

**MEMORANDUM**

**DATE:** June 12, 2015  
**TO:** Kevin Barr, Village Manager  
**FROM:** Michael D. Millette, P.E., Director of Public Works  
**SUBJECT:** Department Notes

1. The 2015 Water Main Improvements project is progressing nicely. The first section of main along Golf has passed its pressure test and will be chlorinated next week. Work is progressing simultaneously on Norfolk and on Chestnut, however early next week the contractor will focus all their effort to complete the main on Norfolk between Prospect and Golf. Cold patch was placed on Burlington today.
2. Daisy Days preparations are nearly complete. Although we are dogging the raindrops alongside the Chamber of Commerce, we will have all infrastructure ready for this evening's opening.
3. The annual sidewalk replacement program is out to bid. Bids will be opened on June 23<sup>rd</sup> with award of contract scheduled for the July 6<sup>th</sup> Board meeting.
4. Kudos to Joe Ferrel and Joe Coons who manually controlled the water system for 24 hours this week. A sensor at the Ann Street reservoir failed which was leading the system to think the reservoir was emptying when, by visual inspection, it clearly was not. Working with our telemetry vendor, Joe and Joe developed a work-around while the replacement component was shipped via expedited delivery. However, the work around required constant human monitoring to ensure that neither the reservoir nor either elevated tank would overflow.

1. Recent training:

- June 10 - 11, Officer Finfrock, and Police Assistant Green attended phase two of a three phase seminar to review computer-aided dispatch and record's management systems. Dupage County Procurement Services Division sponsored the event.
- June 13, 8:30 am, the Clarendon Hills Police Department will conduct a found bicycle and surplus property auction downtown as part of the Daisy Days event.

**Significant traffic and criminal activity during the period May 30, 2015 through June 5, 2015.**

1. 6/8, Officers were called to the 200 block of Coe Road for a report of domestic trouble. The disturbance was between a 17 year old boy and his parents. The incident was quickly resolved.
2. 6/7, Officers responded to the 200 block of Woodstock Ave for a report of domestic trouble. The wife called police because her husband came to the residence while he was currently under a 72 hour no contact order from a prior domestic violence charge. The 42 year old Clarendon Hills man was charged with violating the order and transported to the Dupage County jail.
3. 6/10, at 2:30 am, a 33 year old Clarendon Hills man was stopped for speeding W/B Burlington near McIntosh. The driver appeared to be under the influence and refused to step from his vehicle. After subsequent investigation, the driver was arrested for DUI and disobeying a police officer.
4. This past week, officers made three traffic arrests, both offenders had suspended drivers licenses.
