Village of Clarendon Hills Village Manager's Report

To: Village President Austin & Board of Trustees

From: Kevin Barr, Village Manager

Date: November 20, 2015

1. The initial part of the November 16th podcast of the Village Board meeting was cut off due to technical difficulties. We will resolve these initial hiccups for future meetings.
2. The Open House for the 2016 Street Program is scheduled for Wednesday, December 2nd from 5 p.m. to 7 p.m. at the Village Hall. In intent is to provide residents with an opportunity to review the plans and financial implications of the SSA. All are welcome to attend.
3. Staff meet with CivicPlus for website review and training on Tuesday and Wednesday. The new site has even more features than we initially thought and we look forward to the reveal to the Village Board in December.
4. The Historical Society is planning to begin clean-up of the Heritage Hall site in the next week or two. They hope to have the facility up and running shortly. The agreement will be up for final approval at the December 7th Board meeting.
5. I attended the DMMC Meeting on Wednesday night. Two State Senators spoke providing an update on the budget process. There was minor optimism regarding the possibility of something being resolved by early next year with the hope of limited impact on local budgets.
6. I attended the Metropolitan Manager's meeting on Thursday which included a discussion regarding the "Cadillac Tax" which is currently scheduled to take effect in 2018 as part of the Affordable Care Act. It is unclear at this point when or if this will impact the Village but we will keep monitoring the issue.
7. Zach Creer attended a Civic Leadership Academy on sharing services and intergovernmental cooperation.

Enjoy the weekend!

Village of Clarendon Hills
Department of Public Works

MEMORANDUM

DATE: November 20, 2015
TO: Kevin Barr, Village Manager
FROM: Michael D. Millette, P.E., Director of Public Works
SUBJECT: Department Notes

1. 2015 Road Program: The paving and striping work met the revised completion date of November 14th. However, the rains of last week and this week have played havoc with the landscaper's schedule. As of today, sodding is complete throughout the project except for Chestnut, Waverly and Rose (south of Waverly). They are in the process of placing sod on Waverly and black dirt on Chestnut as I write this. They hope to finish black dirt on Rose today, but that is a stretch goal. It is most likely that they will return after the snow melts, likely next Tuesday, and complete the black dirt placement on Rose and place sod on Chestnut and Rose. This work could spill over into part of Wednesday, though all residents should enjoy a finished street and parkway for Thanksgiving.
2. We are prepared for tonight's scheduled onslaught of winter. The salt spreaders and plows are attached to the primary snow fighting vehicles and they will be loaded with salt by day's end. We will be monitoring the intensity of the rain and determine if pre-salting will be effective or not. If we believe that it will be, then we will begin between 8:00 p.m. and 10:00 p.m. Otherwise, the first team will begin work at 3:00 a.m. tomorrow morning. Please refer to the detailed e-mail I sent earlier this morning for further details on our snow fighting operations.

Village of Clarendon Hills

MEMORANDUM

To: Kevin Barr, Village Manager
From: Dan Ungerleider, Community Development Director
Date: November 20, 2015
Subject: Department Report

1. **9-23 Walker Avenue.** The Public Hearing for the proposed development at 9-23 Walker Avenue, originally continued to November 19, 2015, was postponed to the ZBAPC's next regularly scheduled meeting on December 17, 2015 at the petitioner's request. As a result, the ZBAPC meeting for November was canceled. A copy of the cancelation notice will be published on the village website at www.clarendonhills.us/zbapcagendas.cfm.
2. **201-211 Burlington Avenue.** On Tuesday evening the Downtown Design Review Commission reviewed a request for a Level 3 Downtown Design Review Approval for the renovation of the 211 Burlington Avenue Building (fka The Arts Building) and the development of a restaurant kiosk, outdoor dining area, and a public plaza at the southwest corner of Burlington and Prospect Avenues. The Commission unanimously approved the plans condition upon the petitioner seeking final approval prior to the issuance of a building permit.
3. **Permit Report.** So far in November the Village has issued twenty-three (23) permits, including three (3) new home, having a total reported construction value of \$2,306,085.
