MEMORANDUM

From: Michael D. Millette P.E., Director of Public Works
Date: February 19, 2016
Subject: Department Report

1. We salted and plowed off-and-on from Sunday through Tuesday and again yesterday morning. Our salt is fully stocked and we have another 200 tons on contract. Despite the warm weather today and tomorrow, the probability is still high that we will have ample opportunity to utilize most of this extra salt before May,
2. We trimmed the brush along the Route 83 sound wall (Jackson) from Chicago Avenue north. Five truckloads of trimmings have been removed.
3. We performed two rounds of pothole patching this week.
4. I have been revising and finalizing the proposed SY-16 CY-17 capital budget request sheets this week and will have them ready for a second review today.
