MEMORANDUM

To: Village President Austin and Board Trustees
From: Kevin Barr, Village Manager *ksb*
Date: May 5, 2017
Subject: Weekly Report

1. **Board Orientation Meeting Set:** The traditional orientation session for new trustees is has been scheduled with incoming trustees Freve and Hall. It will take place on May 11th. The intent, as in the past, is to bring the new trustees up to speed on Village operations, municipal laws and procedures and on-going issues being addressed by the Village. Please let me know if there are questions regarding this session.
2. **Library BMX Bike Event:** The Library is hosting a BMX bike event in the Village Hall/Library parking lot on July 13 at 7 p.m. There are no other meetings or events scheduled that evening so the parking lot will be clear. Best of luck on their event.
3. **Farmers Market Starting:** The first Farmers Market event will be this upcoming Thursday, May 11th from 7 am to 2 pm. It will be held on the street to the west side of the Village Triangle. Traffic will still flow on the other side of the Triangle. Please come out and check out this inaugural event. Thanks to Mark Rediehs, Laura Marquardt and the Chamber for taking the lead on this event.
4. **Notice re: Reflective Markers:** Following the policy established last year, letters have gone out (attached) to residents in the 2016 construction areas who have placed markers in the parkway next to the street. We appreciate the effort to protect the sod, but discourage the installation of permanent markers. Therefore we give these residents until August 1st to have them removed. We are discussing how to address residents who have placed (or replaced) markers in other areas of town.
5. **Hinsdale Incident:** As I am sure most of you know there was a reported homicide in Hinsdale on Thursday afternoon. As of this writing there are still limited details. There was concern in the community due of the helicopters buzzing around for most of the afternoon. From the beginning, however, there was considered to be no danger to the general public.

Have a Nice Weekend!

RE: Use of Reflective Markers in Parkway

Dear Resident:

The Village has observed that you have installed markers or barriers in the parkway in front of your home. We are aware that you no doubt did this in order to protect the sod installed as part of the Village's road improvement program. The Village appreciates this reasoning and the benefit to the sod and the appearance of the Village that results. However, we need to inform you that as a rule, obstructions of this kind are not allowed to be placed in the parkway. This is generally the case because obstructions can cause a safety problem.

In order to balance these two issues, the Village has decided to allow certain barriers to be placed and remain in areas included in the road program for a limited time frame designed to allow the new sod to thoroughly "establish" itself in the parkway. Therefore, we are asking residents to remove the barriers that have been installed by August 1st following the year in which the road program was completed.

Thank you in advance for your cooperation. Please feel free to contact my office if you have any questions.

Yours truly,

Kevin S. Barr
Village Manager

MEMORANDUM

To: Kevin Barr, Village Manager
From: Michael D. Millette P.E., Director of Public Works
Date: May 5, 2017
Subject: Department Report

1. Work on the 2017 Road Improvement program began with culvert replacement work on Wednesday. As of today, two crews are working – one on Oxford and one on Naperville. We expect them to complete their work within three weeks.
2. We are following-up on a few areas, one on Hudson and one on Western following last weekend's 3.78" of rain. We have already cleared a blocked culvert on Oxford and suspect blocks in these other two areas as well.
3. Central Business District mulching is nearly completed. The rain did slow our progress by two days.
4. Please remember to mark your calendar for our annual Public Works Week open house on May 19th from 2pm to 6pm. Please join us and our Police Department friends.
