STATE OF ILLINOIS)
) SS
COUNTY OF DUPAGE)

CLERK'S CERTIFICATE

I, DAWN M. TANDLE, do hereby certify that I am the regularly appointed, qualified and acting Village Clerk of the Village of Clarendon Hills, DuPage County, Illinois.

I do further certify that attached hereto is a true and correct copy of an Ordinance entitled:

ORDINANCE NO. 17-12-38

**AN ORDINANCE ADOPTING THE ANNUAL BUDGET
FOR CALENDAR YEAR 2018**

passed by the President and Board of Trustees of the Village of Clarendon Hills at a regular meeting of said President and Board of Trustees on the 4th day of December, 2017, and that said Ordinance was duly approved by the President of the Board of Trustees of the Village of Clarendon Hills on the same date.

I do further certify that said Ordinance is entrusted to my care and custody, that the same is duly spread upon the records of said meeting, and that I am the custodian of all records of the Village of Clarendon Hills, including the Journal of Proceedings, Ordinances and Resolutions.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal of the said Village of Clarendon Hills, DuPage County, Illinois, this 5th day of December, 2017.

Dawn M. Tandle, Village Clerk
Village of Clarendon Hills,
DuPage County, Illinois

(SEAL)

ORDINANCE NO. 17-12-38

**AN ORDINANCE ADOPTING THE ANNUAL BUDGET
FOR CALENDAR YEAR 2018**

WHEREAS, the President and Board of Trustees of the Village of Clarendon Hills have adopted the "Budget Officer System" as provided in 65 ILCS 5/8-2-9.1 through 5/8-2-9.11; and

WHEREAS, pursuant to the Ordinance of the Village of Clarendon Hills and the Statutes of the State of Illinois made and provided, an annual budget shall be adopted by the Corporate Authorities of the Village of Clarendon Hills in lieu of the passage of any appropriation ordinance; and

WHEREAS, following its preparation, the President and Board of Trustees of the Village of Clarendon Hills did make the tentative budget conveniently available to public inspection at least ten (10) days prior to the passage of the budget, and held at least one public hearing on the tentative annual budget following proper notice thereof, said hearing occurring not less than one week after the publication of the tentative annual budget, all as prescribed by 65 ILCS 5/8-2-9.9; and

WHEREAS, the President and Board of Trustees have reviewed the proposed budget for calendar year 2018 for the Village of Clarendon Hills;

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Clarendon Hills, DuPage County, Illinois that:

Section One: The foregoing recitals set forth above are hereby incorporated herein and adopted as if set out in full in this place.

Section Two: The calendar year 2018 budget for the Village of Clarendon Hills, Illinois attached hereto and hereby made a part hereof as Exhibit A is hereby adopted and approved.

Section Three: This Ordinance shall be in full force and effect from and after its passage, approval, and publication in pamphlet form in the manner provided by law.

ADOPTED this 4th day of December, 2017, pursuant to roll call vote as follows:

AYES: Trustees Freve, Hall, Jordan, Jorissen, Knoll, and McGarrah

NAYS: None

ABSENT: None

APPROVED by me this 4th day of December, 2017.

ATTEST:

Dawn M. Tandle

Dawn M. Tandle, Village Clerk

Len Austin
Len Austin, Village President

VILLAGE OF CLARENDON HILLS ORGANIZATIONAL CHART

VILLAGE OF CLARENDON HILLS

MISSION STATEMENT

The mission of the Village of Clarendon Hills is to identify and deliver services to residents, businesses, and visitors that provide a superior quality of life reflective of community values and character while maintaining a fiscally responsible foundation.

VISION

Clarendon Hills is a community of choice for families seeking a combination of quality education, security, and municipal services.

Clarendon Hills is an inviting, prosperous and safe community providing for the quality of life needs of our residents while preserving the small town character and heritage of our community.

Clarendon Hills has a vibrant downtown with quality businesses that reflect the lifestyle and needs of our community. Business corridors are redeveloped to their highest and best use and provide significant revenue for the Village.

Clarendon Hills is a community that continues to support the investment and reinvestment in its neighborhoods while maintaining the residential character of the Village and the diversity of its' housing opportunities.

Clarendon Hills' services and infrastructure are maintained and improved in a fiscally responsible manner.

Clarendon Hills is committed to partnering with other governmental authorities and organizations to provide a safe, education, and recreational environment.

DATE: November 2, 2017

TO: Village President and Board of Trustees

Maureen B. Potempa, Finance Director / Treasurer / Budget Officer
Zachery Creer, Assistant to the Village Manager

SUBJECT: Calendar Year 2018 Budget

UPDATE:

After the October 28th budget workshop a few minor changes were made to the proposed budget including:

- Removal of the South of 55th pressure upgrades from CY 2020 and CY 2021
 - This removes \$2,000,000 from the 10 Year Capital Plan in the Water Fund
- Additional \$35,000 added for Engineering Studies on the Park Avenue Storm water Basin
- Water tower painting raised to \$500,000 and \$550,000 based on preliminary engineering

Budget Summary

The budget plan is a statement of where the Village will prioritize its resources for the coming year(s), balancing the various legal and operational responsibilities, and the current values and needs of the community, as limited by current economic realities. This year, the Village Board engaged in a strategic goal setting process. This budget plan reflects the strategic priorities identified by the Village Board during that process and may be found in the budget document following this memo.

As the economy continues to improve, the budgets include projects that will allow the Village to focus farther in the future than in past years. Most notably changed from last year this budget includes a \$4,000,000 train station, without the need to specifically raise taxes for this project. It continues the implementation of the catch-up road program to the new concrete ribbon standard under which this budget reflects no future SSAs after improvements are completed in CY 2019.

The budget also reflects cost savings made throughout 2017 including the elimination of the Operations Supervisor Position, change in IT contractor, contracting out payroll and upgrade

to cloud based version of existing Finance Software rather than full transition. It is the first budget to show changes in how we collect our Nicor Franchise Fee, reinvestment of the IRMA dividend, staffing changes in the Police Department including the elimination of the Deputy Chief Position, the Village's paperless push, new LED light fixture upgrades, lifetime cost savings from switch to Peterbilt trucks, and slower squad car rotations.

Despite all of the cost savings measures, the Village has actually increased services and reliability over this period, including the new Online Green Pay System, the new Local Adjudication system, moving the Village's IT infrastructure to the cloud, increased communications in both reach and number, higher transparency through our document archive, our new Traffic safety program, increased rescue and firefighting capabilities in the fire department, superior dispatch service through Du-Comm including the ability to request overnight parking online, increased ability to perform business online in general, the new Stormwater Grant Program for Private Drainage Improvement, digitizing of legal and board documents and proactive building maintenance. The summation of these changes is a 2018 General Fund budget that is approximately \$270,000 lower than the 2017 General Fund Budget despite medical insurance increases, an increase in liability and workers compensation insurance, higher pension costs and higher salary costs.

This year we have another unique presentation. In September 2015, the Village Board made a decision to convert our existing and long-standing "fiscal year" of May 1 to April 30 to a fiscal year concurrent with the calendar year, effective January 1, 2017. In order to make this conversion it was determined to had a "stub year" budget covering the period from May 1, 2016 to December 31, 2016 (SY 2016). A side effect of all of this is that it is more difficult than normal to view this budget proposal in a contiguous manner as it relates to past and future years, for example the revenue charts contain a stub year that appears to be a long decrease in revenue.

CALENDAR YEAR 2018 ANALYSIS

Summary – All Funds	CY 2018
Revenues	\$14,104,398
Transfers in	\$5,644,702
Expenditures	\$(14,441,763)
Transfers out	\$(5,644,702)
Total Estimated Ending Balance at 12/31/18	\$37,864,215

The Village's CY 2018 budget for all funds (including pension funds) includes revenues of \$14,104,398 and expenditures of \$14,441,763. An ending balance in all funds of \$37,864,215 at December 31, 2018 is projected, of which \$11,204,330 is allocated to the police and fire

pension funds. This represents a decrease of \$114,011 from the estimated balance at December 31, 2017 of \$37,864,215. Transfers between funds equal \$5,644,702.

General Fund revenues (not including transfers from other funds) are projected to decrease by 0.9% in CY 2018 over CY 2017 Budget. The budgeted revenues do not include Governor Rauner's proposals to reduce the local share of income tax revenues (LGDF) or the potential impact of proposed property tax freezes. The most recent reports suggest the LGDF reduction is less likely to happen than once thought, though there is still a chance this could change. The State continues to chip away at smaller revenues include Personal Property Replacement Tax, fine revenues for traffic stops, and a new Income Tax formula that lowers distributions to local governments without formally changing the law.

The current budget year estimate is \$820,355 in revenues from income taxes, which is 5.49% below budget. The large decrease is due to a change in how the Department of Revenue calculates the local portion of the Income Tax. Our representative councils of government including the IML and DuPage Mayors and Managers continue to investigate this change. On Property Taxes, in 2017 the Board made the decision to only take new growth in the property tax levy. In our future projections, staff assumes property tax adjustments based on past practice (tax cap plus new growth). The Board of course retains discretion in regards to the 2017 (December) Levy.

Overall General Fund expenditures (including transfers to other funds) are expected to decrease by 1.9% from CY 2017 year-end. These savings reflect the changes mentioned in the introduction, most notably the elimination of the operations supervisor position. They also reflect lower overtime costs in Police as the department returns to full staffing.

The budget includes the continuation of the accelerated road improvement and water main replacement program in CY 2017, but assumes slowing this and the entire road system will be completed in two years (CY 2019) rather than the original end date of CY 2018. The acceleration was originally implemented to save substantial sums by taking advantage of lower interest and construction costs. The acceleration also allows for more neighborhoods to enjoy the new concrete shoulder standard sooner than previously planned. We now feel, however, that for logistical reasons and to avoid drawing down the Capital Fund reserves it is best to delay the completion by one year.

Based on updated assumptions of actual spending, the Village's General Fund balance maintains its 50% target through CY 2024 and a Capital Fund balance that is reduced in the short-term, yet sustainable.

GENERAL FUND BALANCE PROJECTION

CAPITAL PROJECTS FUND BALANCE PROJECTION

These conditions are based however, on the maintenance of current revenue levels with increases of 2% per year for most revenues, and keeping expenditures to an average increase of 3.5% per year. Any disturbance in the revenue projections, whether from local economic challenges or changes at the State level, will impact this model. Conversely, if the Village is able to underspend the projections shown in the model, as is our goal, better results could be expected.

The following pages provide a more detailed narrative overview of the status of each fund within the Village and highlight any changes proposed for CY 2018.

Acknowledgement

The preparation of this budget would not have been possible without the dedicated services of the Department Heads. Our deepest gratitude is extended to each of them for their conscious efforts and commitment to provide outstanding service to the Village of Clarendon Hills in the most cost efficient manner available.

GENERAL FUND

Calendar Year 18 General Fund Summary	
	CY 18
Revenues	\$7,507,644
Transfers in	\$493,976
Expenditures	\$(6,552,725)
Transfers out	(\$4,450,00)
Total Estimated Fund Balance at Year End	\$3,299,232

The General Fund pays for the day-to-day operations of the Village. Of the Village's projected \$3,229,232 total estimated fund balance at CY 2017 year end, approximately \$15,000 will be restricted for public safety, and \$65,000 will be non-spendable due to prepaid items. The General Fund budget includes \$100,000 in contingency in CY 2018.

The General Fund also includes a transfer of \$4,450,000 in CY 2018 to the Capital Projects Fund for future capital improvements and the replacement of capital equipment. The Capital Project Fund reflects transfers in years beyond 2018 in compliance with our fund balance policy. This is significant change from previous years where the Capital Plan assumed fixed \$250,000 transfers.

Revenues

Overall General Fund revenues are projected in CY 2018 to decrease by 2.05% from the estimated CY 2017 year-end. Increases in property taxes of \$113,543 are offset by lower one-time reimbursements related to ongoing insurance claims and lower state shared revenues.

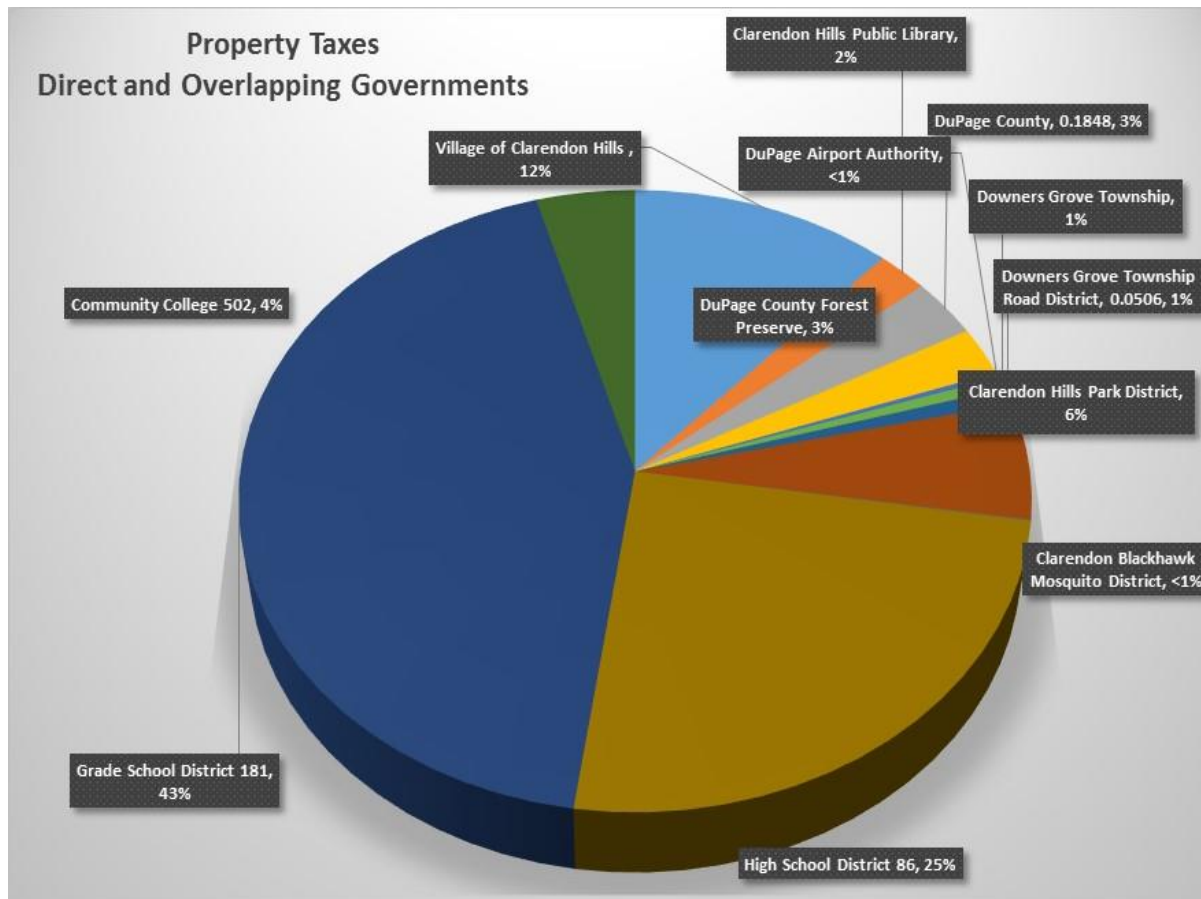

Property Taxes

The Village is projected to receive \$3,949,443 in property taxes in CY 2018 for general Village services, such as police protection, fire protection, road and bridge, general corporate services, police, fire, and IMRF pensions, and social security. This amount does not include property taxes received by the Village for special service area debt payments or the Ogden Avenue TIF District. While the collection of property taxes are anticipated to increase 2.96% from CY 2017 year-end, a typical homeowner whose property value has increased at the same pace as the rest of the Village will see a 2.1% increase in their property tax bill, which is consistent with last year's rate of inflation. The remaining 0.86% increase in revenues is an estimate for increases in the Village's total equalized assessed value (EAV) over the past year from new construction. Below is a ten year history of the Village's property tax rate by levy year. As you can see, the chart is in effect the inverse of the total taxable assessed value chart.

The following graph illustrates a ten year history of the Village's total taxable assessed valuation by levy year.

It is important to note that while property taxes paid to the Village represent a significant portion of the General Fund revenues and fund core Village services, they represent only 12% of an overall tax bill for a Clarendon Hills property owner. The remaining 88% of the tax bill funds the schools, library, park district, Downers Grove Township, DuPage County, and the Blackhawk Mosquito Abatement District, as detailed in the following graph.

Places for Eating Tax: Places for Eating Taxes are expected to increase by 6.2% from the current projected CY 2017 year-end of \$79,080 to \$84,000 in CY 2018. This is due to a few reopening restaurants. This is still down from recent years when revenues were approaching \$100,000.

State-shared Revenues: The Illinois Municipal League (IML) estimates as of December 2017 were used to calculate Income Tax, Use Tax, Personal Property Replacement Tax and Motor Fuel Tax for the upcoming year, along with trend data from the second half of FY 2015-16. These estimates however, do not factor in any decreased share of revenues that may be forthcoming from the State of Illinois.

- The Local Government Distribution Fund (LGDF) distributes Income Taxes to municipalities and counties on a per capita basis. In CY 2018, the Village anticipates receipts are estimated to be \$824,000 essentially flat from CY 2017 Projected Year End. As mentioned previously, the Department of Revenue changed their calculations which has resulted in lower revenues for municipalities across Illinois. Below is a ten year history of

the Village's Income Tax receipts by fiscal year as both these years are down significantly from the ten-year high reached in FY 2016 of \$898,086.

- The Illinois Local Use Tax on out-of-state purchases is distributed to municipalities and counties on a per capita basis as well. CY 2018 receipts are projected to be \$200,000, a decrease of \$6,354 or 3.08% from the projected current year-end. These taxes have increased over the last few years as the State of Illinois has started collecting from more online retailers, however we are conservatively projecting flat growth as the State continues to find ways to take more from these shared revenues. Following is a ten year history of the Local Use Taxes by fiscal year.

- Corporate Personal Property Replacement Tax (PPRT) receipts are expected to remain drop significantly in CY 2018 at \$14,568 a loss of 23.8% over CY 2017 projections. This is another revenue targeted by the State for redistribution. Following is a ten year history of the Village's PPRT receipts by fiscal year.

Personal Property Tax

Sales Tax: Sales Taxes are projected to represent 12.3% of the Village's overall revenues in the General Fund in CY 2018. Receipts for CY 2018 are estimated to be \$925,000, a decrease of \$2,134 or 0.23% from the current projected year-end. Taxes on retail sales within the Village are expected to increase, with the particular growth coming from the auto dealership in the Ogden Avenue TIF District. Taxes on auto sales are estimated to be \$450,000, of which \$225,000 will be rebated to the dealer pursuant to an agreement with the Village. Following is a ten year history of Sales Tax receipts by fiscal year.

Sales Tax

License Fees: Total License Fees are budgeted at \$231,001 in CY 2018, up from \$223,994 in CY 2017 projected. Both of these are up sustainably from SY 2016 due to increased enforcement efforts for vehicle stickers.

Investment Earnings: Investment earnings are expected to be \$20,000 in CY 2018 as interest rates remain at historically low levels.

Building Permits and Fees: Building Permits and Fees are expected to be \$323,512 in CY 2018, up slightly from the current year-end of \$311,558. The local housing market continued to be steady, with property sale prices regularly matching and in some cases exceeding pre-recession values. As a result of these increased property sale prices and the limited number of lots available for redevelopment, the estimated total number of single-family home permits issued is expected to be twenty (20) during the CY 2018, including seven (7) unit subdivision on Woodstock finishing construction. An eight (8) unit residential condominium development was approved in 2013 for 88 Park Avenue (formerly known as 103 S Prospect Avenue), the vacant property located at the southeast corner of Park and South Prospect Avenues. This project is expected to be completed spring 2018. A proposed mixed-use development for the vacant properties at 9-27 Walker Avenue with commercial space, and 42 apartment units including 7 live work units is also expected to reach completion spring 2018. The Village continues to take a proactive approach to attract business and development on Ogden Avenue, 55th Street and in the Central Business District. We are not assuming these numbers for budgeting purposes, either on the revenue or expense side. These fees, in general, are passed through the Village to its contracted inspection and engineering services.

Franchise Fees: Cable Franchise Fees are derived from the cable packages maintained by Village residents through Comcast and AT&T. These fees are expected to increase slightly from CY 2017 to \$176,000 in CY 2018. In 2017, the Village decided to start taking a fee-in-lieu for our natural gas franchise fees. As such, we received \$16,212 from Nicor in CY 2017 which is budgeted with no increase in CY 2018. This revenue will more than offset increased utility costs in each of our departments and will encourage conservation including the new insulation project at Village Hall in 2017, and smart thermostat installations recommended in 2018.

Police Fines: Total Police Fines are anticipated to be \$122,200 in CY 2018, up from the CY 2017 year-end of \$112,746. Fines are down significantly (\$55,340) from the FY 2014 budget due in part to lower police staffing and the State of Illinois taking nearly all of moving violation revenue. As the Village transitions more of its tickets to our new adjudication program, and more revenue is collected through the new collections program and State of Illinois Debt recovery program, staff expects these revenues to start to increase again. CY 2018 has conservatively budgeted this new revenue growth.

Concert Revenues: Beverage sales from the Dancin' in the Streets concerts are flat in the current fiscal year and sales are budgeted flat CY 2018. Sponsorships also have stabilized after losses in SY 2016 and FY 2015-16.

Ambulance Fees: Ambulance Fees vary widely from year to year and are difficult to project, as they are based on the emergency medical service needs of the community during that particular year. Revenues are expected to be flat in CY 2018 at \$150,000. The Village will be exploring over medical collection agencies in 2018 as a way to reduce collection costs and hopefully increase this revenue source.

IRMA Dividend: In 2017, the Village made the determination to keep IRMA dividends with IRMA for investment and to allow for self-insurance. As on the start of 2017, these funds were approximately \$110,000. These funds can be transferred at any time, however staff is recommending growing these funds with IRMA for the time being given their high levels of returns, and to take these funds in the case of consecutive large losses or a large rate increase from a very large loss.

Expenditures

The CY 2018 budget calls for overall expenditures in the General Fund to increase by 0.25% from the CY 2017 projected year-end. However, expenditures are budgeted to be 2.5% lower than CY 2017 budget. This is due to staffing changes in the Public Works Department, turnover lowering salaries, changes to our IT contract, and reduced overtime in Police due to recovering to a full staffing level.

Departmental budgets include salary increase this year. This is based on our pay system where employees within the range for their position are eligible for an up to 4% merit increase while employees that are at the top are not eligible for an increase. In the past raises were included in the contingency line. Staff believes this is a more accurate depiction.

Health and dental insurance costs are budgeted at 4% increases in CY 2018 from the current year. The actual insurance rates will not be known until the end of March and will take effect beginning on July 1. Employee contributions for health insurance were last increased on a percentage basis in the summer of 2015.

The Village's contribution for IMRF pensions in calendar year 2017 is 14.36% of covered payroll. Contributions for police and fire pensions are based on annual actuarial studies and are used as the basis for the tax levies. In 2016 Nyhart Actuarial was contracted to by the Village to perform the actuarial services for the police and fire pension funds which also resulted in assumption changes as well. For CY 2017, the police pension contribution is estimated to decrease 13.6% from SY16 year-end to \$461,989. The fire pension contribution decreased 20.4% to \$38,393.

The Village participates in an Intergovernmental Risk Management Agency (IRMA) to pool its risk management needs. IRMA's annual contribution is budgeted at \$184,139 for CY 2018. This is up significantly due to two large workers compensations cases, and no longer using the IRMA dividend to reduce premiums. The annual contribution is based on a five-year average of the Village's revenues, plus or minus an experience modifier, which is based on the Village's individual loss experience compared to the IRMA average loss experience.

General Fund Departmental Highlights

- **Administration** – The President/Board/Clerk, Public Relations, and Legal Services are included within the Administration budget. Budgeted expenditures increase by 3.3%. This is primarily due higher personnel costs, and an increase in legal costs to reflect our historical trends.
- **Finance** – Overall operating expenditures are expected to be flat in CY 2018 from estimated CY 2017. This figures does not include the sales tax rebate (\$200,000 in FY 2015-16 and \$225,000 in CY 2017), transfers to the Capital Fund (\$250,000 in CY 2017 \$4,450,00 in CY 2018 and), contingency (\$100,000 in CY 2018) and transfers in from the Water Fund (\$216,286 in CY 2018). IT expenses in 2018 are increased to reflect a transition from the existing infrastructure to cloud based model which is paid by service fees rather than capital expenses.
- **Community Development** – The Community Development budget includes costs associated with professional planning services for the Village, review and issuance of building permits, regulation of land use and development, a comprehensive code review and code enforcement activities. Expenditures are expected to increase by 4.83% from the current estimated year-end as the Village implements the new private stormwater grant program. Contractual services include the following anticipated projects: \$30,000 to complete a comprehensive zoning code review in CY 2018, and \$22,000 to explore public infrastructure funding in the downtown. Staff believes that some of the costs associated with these projects may be offset by grants or possible future districts if implemented. Contractor services for plan review and inspections are expected to remain unchanged.
- **Police** –Costs associated with the Police Department constitute the largest portion of the General Fund budget at 40.1%, and fund the administration, operation and support of the police function, along with the maintenance of the police facility. Overall CY 2018 expenditures are expected to decrease by 2.5% from Estimated CY 2017. Overtime is the largest expected expenditure reduction as the department returns to full staffing the second half of 2018.
- **Fire** – Costs associated with the Fire Department comprise 20% of the General Fund budget and fund fire suppression, emergency medical services, fire prevention, emergency management, and the maintenance of the fire station. Overall CY 2018 expenditures are expected to increase by 4.4% from the current year-end estimates. The major drivers of the expense increase are an increase in personnel costs due to rising salaries and a return to historic call out hours. Contractual services include the costs associated with dispatch services from Du-Comm. The Fire Department’s Paid-on-Call/Part-Time model allows for high quality fire service at a low cost. In order to maintain this model, it is necessary for the Village to recruit and retain quality Fire Department employees.
- **Public Works** – The Public Works budget reflects the costs associated with the delivery of public services to the Village, as well as the maintenance of the Public Works and Village Hall facilities. Utility expenses to operate the two storm water pumps, street lights and lease fees to operate the intersection lights are included in this budget, along with the landscape maintenance for public properties, street maintenance and snow removal. Overall expenditures

are expected to decrease by 6.28% in CY 2018 from the estimated CY 2018 year-end. The drop in expenses is mainly due to the change in structure in the department which eliminated the Operations Supervisor position and replaced it with a part-time mechanic and slightly longer hours for the PW Secretary. In CY 2018, personnel services include two additional seasonal part-time positions to four.

MOTOR FUEL TAX FUND

The Motor Fuel Tax Fund accounts for the Motor Fuel Tax (MFT) revenues restricted by the State of Illinois for road repairs and improvements. Over previous years, Village's intent was to utilize a portion of the MFT fund balance over the next several years for road maintenance that would normally be paid from the Capital Projects Fund, with the intent to draw down the fund balance to 50% of expenditures. The Village has reached this target, and therefore reduced expenditures.

Revenues

Motor Fuel Tax: Motor Fuel Tax allotments account for virtually all of the revenues in the MFT Fund. Municipalities receive a little less than 25% of the state's 19 cents per gallon tax on motor fuel to all municipalities, counties, and many townships. This amount is distributed to local governments on a per capita basis. The total miles driven and the average fuel economy of vehicles are the principal drivers of MFT receipts. The Motor Fuel Tax allotments for CY 2018 to be flat from CY 2017 at \$216,995. Following is a ten year history of the Village's Motor Fuel Tax allotments by fiscal year.

Motor Fuel Tax

Expenditures

CY 2018, expenditures include the purchase of rock salt and liquid calcium chloride for snow removal. Funds are also included for contract tree trimming and the removal of parkway trees; pavement resurfacing; the removal and replacement of sidewalks throughout the Village; crack sealing on the Village's roads; and contract cleaning, inspection and repairs of the Village's storm

sewer system. CY 2018 pavement resurfacing has been scaled back as the fund balance has mostly been spent down over the previous few years.

WATER FUND

Revenues

Water Sales: Water Sales revenues are estimated to be \$3.5 million in CY 2018, based on flat consumption and no increase in rates from the current \$13.97 per 1,000 gallons. Actual water sales may fluctuate widely, however, based on the weather conditions and precipitation during a particular year.

Investment Earnings: Investment earnings are expected to be \$15,000 in CY 2018 as interest rates continue to remain near zero percent and the fund balance has decreased due to ongoing water main replacements.

Fees and Fines: Due to a change in fees including implementing a red tag fee and a change in procedure for late fees, fees and fines are up substantially (67% or \$20,553) in CY 2017 over FY 2016 and are budgeted up in CY 2018. Staff is hopeful these fines and fees will decrease as violators are encouraged to sign up for the Village's new online payment system or direct debt.

Expenses

Operating: Operating expenses are budgeted at \$1.86 million in CY 2018 a 2.39% increase from CY 2017. Water charges from the DuPage Water Commission are projected to be flat from CY 2017 to CY 2018. This budget also includes a \$100,000 contingency for unanticipated expenses.

Capital Improvements: Budgeted capital improvements are \$3,265,750 in CY 2018 which includes \$2,250,000 in watermain improvements in conjunction with the Road Improvement Program. Notably, the capital improvements also include \$500,000 for water tower painting.

In FY 2024-25, the Village's water meters and MXUs will be twenty-five years old and in need of replacement. This project will cost approximately \$1.5 million and is currently budgeted in the Village's ten year capital plan and reserve. However, as we get closer to the time of replacement, the Village Board may decide to issue debt for this project (as has been done in the past).

CAPITAL PROJECTS FUND

The Capital Projects Fund pays for infrastructure and durable equipment for the Village, including roads, vehicles and facilities. The Village maintains a ten year capital plan to ensure it can adequately fund its future needs.

Revenues

Utility Tax: Utility Taxes constitute 14.7% of the revenues in the Capital Fund in CY 2017 and are a major revenue source for the Village's capital improvements and the replacement of vehicles, machinery and equipment. Utility Taxes are received from natural gas, electricity and telecommunications usage within the Village. CY 2018 revenues are budgeted at \$530,000. There has been a large decrease in utility taxes (specifically telecommunication taxes) as more homes eliminate their landlines. This new reality is reflected in our ten year plan. Following is a ten year history of the Utility Tax revenues by fiscal year.

Cell Tower Lease Revenues: In 2017, the Village lost one of its cell providers on the tower. However, we are in negotiations with a replacement which would bring the total back to three providers. The 10 year plan reflects three providers.

Investment Earnings: Investment earnings are expected to be \$25,000 in CY 2018. Notably, the ten year plan now estimates investments based on the fund balance available.

Grants: There is \$392,000 in grants budgeted for CY 2018 for the Chestnut Alley improvements. In 2019, there is budgeted \$1,193,500 for both the train station and the pedestrian bridge improvements. Village staff will attempt to find grant funding for many of these projects.

Transfer from the General Fund: Capital Projects revenues include the transfer of \$4,450,000 from the General Fund to the Capital Projects Fund in CY 2018 for Village infrastructure improvements and capital equipment replacements. This is a large number as the Village held back major transfers in SY 2016 and CY 2017 due to the change from Fiscal Year and Calendar

Year. The ten year plan now includes transfers that reflect the Village's fund balance policy rather than a "plug" number of \$250,000 going forward. Staff feels this more accurately reflects past practice, the Village's policies, and reasonable future expectations.

Expenditures

The budget provides a detailed listing and narrative for each of the proposed capital projects for CY 2018. Expenditures of \$3,432,975 in CY 2018 include \$1,450,000 in road improvements. There is \$4,000,000 in CY 2019 for a train station, the Budget assumes debt will be issued for this project but there will be no raise in taxes directly to pay for this improvement. An updated ten year capital plan for the Village is included along with ten-year plans for each of the individual departments.

BURLINGTON NORTHERN/CLARENDON HILLS PARKING FUND

The Burlington Northern/Clarendon Hills (BN/CH) Commuter Parking Fund accounts for the Metra Station parking fees that are restricted for the maintenance and repair of the Metra Station and parking lot. The BN/CH Fund is an enterprise fund, which reports the same functions as business-type activities and uses the accrual basis of accounting, similar to private-sector business. As an enterprise fund, the needs of the BN/CH Parking Fund should be largely self-supporting and funded by user fees.

Revenues

Parking permit fees represent 94% of the fund's revenues and are budgeted at \$56,100 in CY 2018, up 2% from the prior year-end, due to lower demand. An additional \$4,390 in revenues is budgeted for the rental of an ATM at the Metra Station.

Expenses

Budgeted expenses increased by 1.4% in CY 2018 mostly due to increases in the snow removal contract. Other expenses include the normal costs associated with maintaining the BN/CH station and lot operations such as, landscape maintenance and cleaning services.

DEBT SERVICE FUNDS

The 2009 Debt Service Fund accounts for the payment of the principal and interest on the 2009 General Obligation (G.O.) Alternate Revenue Source Bonds to fund road improvements to Churchill, Grant and Hudson streets. Property taxes are transferred from Special Service Area No.15 along with the Village's share from the Capital Projects Fund, for repayment of the debt. Payments for principal and interest will be \$34,240 in CY 2018.

The 2011 Debt Service Fund accounts for the payment of the principal and interest on the 2011 G.O. Alternate Revenue Source Bonds to fund road improvements to Hudson, Iroquois, Mohawk, Ridge, Juliet, North Jackson and Harris streets. Property taxes are transferred from Special Service Area Nos.18-23 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$41,650 in CY 2018.

The 2012 Refunding Debt Service Fund was established for payment of the principal and interest on the Village's 2012 Debt Certificates. These certificates were issued to refinance the Village's

2002 Debt Certificates and 2005 Debt Certificates, in order to save \$217,000 in interest charges. Repayment of the debt is made through a transfer from the Capital Projects Fund. Payments for principal, interest, and paying agent fees will be \$188,525 in CY 2018.

The 2012A Debt Service Fund was established for payment of the principal and interest on the 2012A G.O. Alternate Revenue Source Bonds to fund road improvements on Fairview Court, Algonquin, Hiawatha, Iroquois, Indian, Mohawk, and Burlington Avenue. Property taxes are transferred from Special Service Area Nos. 17 and 24 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$38,665 in CY 2018.

The 2013 Debt Service Fund was established for payment of the principal and interest on the 2013 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Ann Street, Bonnie Lane, Short Street, Eastern Avenue, Powell Street and Sheridan Avenue. Property taxes are transferred from Special Service Area No. 25 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$38,888 in CY 2018.

The 2014 Debt Service Fund was established for payment of the principal and interest on the 2014 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Coe Road, Columbine Drive, Hickory Street, Larkspur Lane, Maple Street, Naperville Road, Stonegate Road, and Walnut Street. Property taxes are transferred from Special Service Area No. 26 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$59,875 in CY 2018.

The 2015 Debt Service Fund was established for payment of the principal and interest on the 2015 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Blodgett, Chestnut, Golf, Jackson, Jane, McIntosh, Middaugh, Norfolk, Rose, and Waverly. Property taxes are transferred from Special Service Area No. 27 and 28 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$109,088 in CY 2018.

The 2016 Debt Service Fund was established for payment of the principal and interest on the 2016 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Blodgett, Chestnut, Golf, Jackson, Jane, McIntosh, Middaugh, Norfolk, Rose, and Waverly. Property taxes are transferred from Special Service Area No. 29 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$112,500 in CY 2018.

The 2017 Debt Service Fund was established for payment of the principal and interest on the 2017 G.O. Alternate Revenue Source Bonds to fund road improvements on portions of Woodstock, Richmond, Oxford, Naperville, and Traube. Property taxes are transferred from Special Service Area No. 30 for repayment of the debt. Payments for principal, interest, and paying agent fees will be \$69,419 in CY 2018.

Following are ten year histories of the Village's total outstanding debt and outstanding debt per capita by fiscal year.

Outstanding Debt of Primary Government

Outstanding Debt Per Capita

SPECIAL SERVICE AREA FUNDS

The Special Service Area (SSA) funds exist solely to accumulate property taxes to pay the debt service payments associated with the road programs, and Traube and Park Willow water mains. SSA 14 was established to collect the property tax in lieu of the parking obligation at 1 Walker. Upon collection, this tax is transferred to the Economic Development Fund. SSAs 15, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 2, 29 and 30 provide for road improvements on the Village's various streets. More information regarding the special service areas may be found in the budget detail.

POLICE PENSION FUND

Revenues

The Police Pension Fund exists to accumulate funds from the Village's property tax levy for police pensions, and its member contributions. These funds are used to pay current and future pension benefits for police officers. Presently, the fund has thirteen active members. Village contributions are based on an annual actuarial valuation, which is used as the basis for the tax levy. For CY 2018, the police pension contribution will be \$472,365. Member contributions are set by State Statute at 9.91%.

Expenditures

Budgeted CY 2017 expenses include payments for pension benefits at \$757,847, professional services associated with the fund such as investment expenses, legal representation, training, actuarial and audit services at \$49,983.

FIRE PENSION FUND

Revenues

The Fire Pension Fund exists to accumulate funds from the Village's property tax levy for fire pensions and its member contributions. These funds are used to pay future pension benefits for the Fire Chief. Village contributions are based on an annual actuarial valuation, which is used as the basis for the tax levy. For CY 2018, the fire pension contribution will be \$46,596. Member contributions are set by State Statute at 9.455%.

Expenditures

Budgeted expenses include payments for professional services associated with the fund, such as investment expenses, legal representation, training actuarial and audit services at \$14,703.

Community Profile

The Village of Clarendon Hills, incorporated in 1924, is a non-home rule community under the Illinois Constitution. The Village is located approximately 19 miles west of downtown Chicago in DuPage County and encompasses 1.85 square miles. The Village is a residential community whose official population increased 10.7% from the 2000 U.S. Census to 8,427 in the 2010 Census. The additional population resulted from annexations, new multi-family and single-family residential developments, and a turnover of housing stock from empty-nester households to families with children.

Real estate prices have mostly recovered to their highs in the mid-2000s after the housing market recession. The total assessed value of Clarendon Hills is still significantly down from its peak however, the Village's tax levy remained steady as the tax rate increased in response. Similarly, new single-family residential construction slowed from a pre-recession average of about 35 per year to a more sustainable 20 in CY 2018. The Village sees a continued, steady rate of housing replacement after a period that frequently saw 2% of the housing stock being replaced annually.

The Village operates under an elected President and appointed Manager form of government. Legislative governance is provided by a six member Board of Trustees elected at-large, serving staggering four-year terms with three Trustees being elected every two years. The Village Manager, appointed by the President and the Board of Trustees, is in charge of the day-to-day operations of the Village. An annual budget is prepared by fund and department and is adopted by the Village Board, providing the planning and operating tool that guides management's use of resources.

The Village of Clarendon Hills provides a full range of services, including public safety, roadway maintenance, public improvements, planning and zoning, and water services. The Village operates a water utility, which distributes water received from Lake Michigan, under a joint venture with the DuPage Water Commission, of which the Village is a charter customer.

The Metropolitan Alliance of Police (MAP) Labor Council represents sworn police officers whose collective bargaining agreement with the Village expires December 31, 2018. No other employees of the Village are represented by a collective bargaining unit.

Local Economy

Major revenue sources for the Village include property taxes, utility taxes, income taxes and sales taxes. Property values within the Village are estimated to increase by 8% to an assessed valuation of \$530,825,045 in levy year 2016.

The median household income in Clarendon Hills exceeds DuPage County and state levels at 141% and 195% respectively. These levels are supported by convenient access to the greater Chicago metropolitan area's employment centers and the surrounding communities.

Demographic & Economic Statistics

* 2014 Village Unemployment Rates are not available.

Demographics

- Clarendon Hills and its surrounding market area have one of the strongest demographic profiles in DuPage County.
- The median household income in Clarendon Hills is \$111,753. (2010 Census figures)
- Approximately 68 percent of the population age 25 years and older has at least a bachelor's degree.
- In a five-mile radius, 14.4 percent of the population age 25 and over hold a Master's Degree, while 4.8 percent hold a professional degree. (Nielsen SiteReport)
- Average household income within a five-mile radius is estimated to be \$102,697 with a total population of 243,810. (Nielsen SiteReport)
- More than 81 percent of Clarendon Hills residents own their home. (2010 Census figures)
- Median home value is \$576,900. (2010 Census figures)
- There are more than 3,300 housing units in Clarendon Hills.
- In a five-mile radius, 78.6 percent of homes are estimated to be owner-occupied. (Nielsen SiteReports)

STRATEGIC PRIORITIES FOR CY 2018

During the June 19, 2017 Goal Setting Board Meeting, the Village Board and Staff identified Goals for the 2018 calendar budget. This list is designed to act as a guiding document for staff going into the budget process.

Under each item is a list of actions that will serve to accomplish the priorities, as well as a staff follow-up to questions raised during the planning session. Merely, approving these priorities does not ensure the completion of the objective. Most objectives will require funding in the upcoming budget cycles and many will require additional Board approval. The major categories discussed at the meeting are shown below. Only items that called for additional action are shown.

ONGOING GOALS

Review area south of 55th for possible economic development opportunities, annexation, and future infrastructure needs

Ongoing Action: Plan for the subarea continues to progress through the Zoning Board and will eventually be presented to the Village Board for approval

Explore improvements for the Train Station and its surrounding area

Ongoing Action: The Village is working with an architect to analyze possible options for improvements

FUTURE GOALS

Research possible improvements to the Fire Station.

Future Action: Further review possible options to improve the Fire Station.

Make progress on Storm water issues in the Village while setting realistic expectations for residents based on cost effectiveness while considering the limited resources of the Village.

Future Action: Staff will develop a communication piece and policy for Village Board Review. Staff is also developing a cost sharing program for private improvements. Other public improvements will be made in conjunction with future road programs and grant opportunities.

Explore outsourcing Vehicle Sticker fulfillment services to improve compliance.

Future Action: Staff will bring forward a proposal to outsource vehicle sticker fulfillment.

Analyze the economic development potential of Village owned lots for future development.

Future Action: Staff will provide more information about the possibility of using development tools to enhance the value of Village owned properties, to improve public infrastructure and to encourage high value development.

Advocate for lane additions on the RTE 83 Bridge over Burlington Ave

Future Action: Staff will perform stake holder outreach to re-raise the expansion as a desired improvement for the community.

Complete sidewalk connections where feasible.

Future Action: Sidewalks are planned to be completed in conjunction with other improvements.

Review Water Rates to ensure rates are appropriate and align properly with the Village's capital improvement funding philosophy.

Future Action: Water Rates will be reviewed as part of the CY 2018 budget process.

MISCELLENOUS ITEMS

Village Board interactions and presence at Special Events were identified as areas for potential improvement.

**VILLAGE OF CLARENDON HILLS
FUND BALANCE DISCLOSURES
CY 2018 BUDGET**

FUND BALANCE CHART

Projected and budgeted fund balances and unrestricted net position (enterprise funds) for CY 2017 and CY 2018, respectively, follow on page 3 of the disclosure section.

GOVERNMENTAL FUND BALANCE CATEGORIZATIONS

Fund balance categorizations and Village Board action (if applicable) for each fund balance category at December 31, 2017 in conjunction with the approval of the SY2016-CY2017 budget are as follows:

Non-spendable Fund Balance

Represents fund balances which are not available to be spent because of their form or because they must be maintained intact.

Restricted Fund Balance

Represents fund balances which are subject to externally enforceable limitations or result from enabling legislation adopted by the Village.

Committed Fund Balance

Represents fund balances that have self-imposed limitations put in place by formal action by the Village Board.

Assigned Fund Balance

Represents fund balances that have limitations due to being earmarked for an intended use. Authority to assign fund balances is delegated to Village staff as disclosed in a later section.

Unassigned Fund Balance

Represents total General Fund balance in excess of nonspendable, restricted, committed and assigned fund balances. The categorization only applies to the General Fund. Unassigned fund balance is available and expendable for any General Fund purpose.

GOVERNMENTAL FUND FLOW ASSUMPTIONS

The Village's flow assumptions are stated in the CY 2018 budget document. The flow assumptions are based on GASB 54 definitions. The Village will spend the most restricted fund balances first; in the following order:

1. Restricted
2. Committed
3. Assigned
4. Unassigned

**VILLAGE OF CLARENDON HILLS
FUND BALANCE DISCLOSURES
CY 2018 BUDGET**

AUTHORITY TO ASSIGN GOVERNMENTAL FUND BALANCES

The Village Board's determination of authority to assign fund balances is stated in the CY 2018 budget document. Authority to determine assigned fund balances is conveyed to both the Village Manager and the Finance Director/Treasurer/Budget Officer.

BALANCED BUDGET POLICY

The Village will adopt and maintain a balanced budget in which expenditures will not exceed reasonably estimated revenues and other available funds, including reserves while taking into consideration recommended fund balances as set forth in the Village's Fund Balance Policies. The budget will be developed to support the goals and objectives as identified by the Village Board in their regular goal setting process. The proposed budget will be made available for public inspection, and a public hearing will be held to allow for public input prior to the adoption of the budget.

CAPITAL BUDGET POLICY

The Village will develop multi-year plans for general and water capital improvements, updated annually, and will budget all capital improvements in accordance with this plan, otherwise known as the Ten Year Capital Plans. The Village will maintain its physical assets at a level adequate to protect the capital investment and to minimize future maintenance and replacement costs. The operating budgets will provide for adequate maintenance and the capital budgets for the orderly replacement of capital equipment from current revenues when possible. Capital investment objectives will be prioritized by the Village Board and be appropriately reflected in the capital and operating budgets.

CASH MANAGEMENT/INVESTMENT POLICY

In order to properly manage the funds of the Village and the commingled cash accounts that the Village maintains, interfund transfers may be needed from time to time to cover negative cash balances. The Village operates under the strict adherence to the adopted investment policy actively investing in instruments that are allowed by both statute and the policy. The purpose of the investment policy is to provide guidelines for the investment of public funds in a manner which will provide the highest investment return with the maximum security, while meeting the daily cash flow demands of the Village. Investments shall not exceed two (2) years in duration. The Village shall diversify its investments to the best of its ability and no single investment, except those guaranteed by the United States government, may exceed 5% of the fund's total market value. All funds on deposit that are in excess of the FDIC insured limits are required to be guaranteed by agencies or instrumentalities of the U.S. government with a market value of at least 110% of the deposits.

REVENUE POLICY

The Village will work to develop and maintain a diversified revenue base to protect itself from fluctuations in any one revenue source. The Village will actively seek grant funding and one-time revenues will not be used to support operating expenditures, except in the event of an emergency. Revenues will be estimated on an annual basis using reasonable and conservative methods such as historical trend analysis. The Village will regularly review all charges for services, fees, permits, and fines to ensure that rates are maintained to cover the cost of services.

OPERATING BUDGET

The Village will maintain a budgetary control system to ensure adherence to the budget and will prepare regular reports comparing actual revenues and expenditures to budget. The annual budget will be prepared in accordance with the standards of the Governmental Finance Officers Association.

CAPITAL ASSETS

The Village's capital asset policy provides guidelines for the capitalization of assets. The Village will maintain a complete and accurate accounting of its capital assets. Capital assets shall include land, buildings, machinery, equipment, and vehicles with a useful life of one (1) year or more and having an original value of at least \$5,000. The asset's estimated useful life will be determined based on the schedule set forth in the Village's Capital Asset Policy. Capital assets will be recorded at historical cost and include all costs paid to place the asset into service. Straight-line depreciation will be used to depreciate the cost of the asset over the asset's estimated useful life. Land and land improvements will not be depreciated. Assets that are no longer considered useful will be declared surplus by the Village Board and disposed of in accordance with Illinois State Statutes.

RESERVE POLICIES

Fund balance or reserve policies are established to avoid cash flow interruptions and protect against the need to reduce service levels or unpredicted one-time expenditures. The following levels are the minimums necessary to accomplish these objectives.

General Fund

The General Fund minimum fund balance shall be fifty percent (50%) of the current annual budgeted expenditures for the General Fund, which shall be set aside for reserves. The fund balance shall be determined based upon the most recently audited Comprehensive Annual Financial Report (CAFR). Upon determination of the fund balance, any excess over the fifty percent (50%) minimum shall be transferred to the Capital Projects Fund. The transfer shall be approved by the Village Board of Trustees and occur upon the publishing of the CAFR. The fifty percent (50%) minimum fund balance must be represented by cash or investments, other assets are not permitted to be included in the minimum calculation. If the unreserved fund balance falls below the minimum, a plan will be developed to return to the minimum fund balance within a reasonable period of time.

Capital Projects Fund

The Village shall maintain a minimum fund balance in the Capital Projects Fund to provide the necessary resources to fund the Village's infrastructure and equipment needs. A ten-year capital plan shall be maintained for the Village's infrastructure and equipment needs, unrelated to the Water Fund. This capital plan shall be reviewed by the Village Board on an annual basis in conjunction with the budget process.

Water Fund

The Village shall maintain the minimum unrestricted net position at 105% of the current fund's operating expenses. This target provides for any disruption in the regular billing cycle, any unanticipated expenses, and allows the Village to continue replacing its aging water infrastructure and other capital assets. The minimum reserve for operations shall be determined based upon the most recently audited CAFR. If the unrestricted net position falls below the minimum, a plan will be developed to return to the minimum unrestricted net position within a reasonable period of time. The Village shall maintain a ten-year water capital plan, which shall be reviewed by the Village Board and updated during the annual budget process.

DEBT MANAGEMENT

The Village will confine long-term borrowing to capital improvements or one-time obligations that cannot be financed from current revenues or reserves. Capital projects financed through the issuance of bonds shall be financed for a period not to exceed the expected useful life of the improvement. The Village will maintain good communication with the bond rating agencies about its financial condition. The Village will follow a policy of full disclosure on every financial report and bond prospectus. As a non-home rule unit of government in the State of Illinois, the Village's debt limit is 8.625% on the value of the taxable property within the Village, including any existing indebtedness. The Village will take advantage of every opportunity to refinance current debt in order to save tax dollars.

LEVEL OF SERVICE

The operating budget will be compiled in a manner to maintain a superior level of service to the community. The Village Board will prioritize increases or decreases in service levels at budget sessions or during the fiscal year, as required.

RISK MANAGEMENT

The Village is committed to providing a safe work environment, to manage all risks in an appropriate manner, and to conduct loss control measures to insure that liability and workers compensation losses are kept at a minimum level.

VILLAGE OF CLARENDON HILLS

CY2018

GENERAL FUND

SUMMARY OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCE

The General Fund is the chief operating fund of the Village that accounts for all financial resources, except those required to be accounted for in another fund. Services that are included in the General Fund are General Administration of the Village, Police Protection, Public Works, Finance and Community Development.

CY2018
GENERAL FUND
SUMMARY OF REVENUES

The General Fund is financed by what is defined as general purpose and restricted revenues. General purposes are self-explanatory. Restricted revenues are those resources that, by constitution, statute, contract or agreement, are reserved for specific purposes, and expenditures that are limited by the amount of revenue realized.

Estimate Assumptions:

Taxes increase by 2.5% in CY19 - CY27. Licenses and Permits increase by 2% in CY19 - CY27.

Intergovernmental and Fines increase by 1%.

Service charges increase by 3%. Miscellaneous (which includes Franchise Fees) increases by 2.5%.

Expenditures increase by 3.5%.

VILLAGE OF CLARENDON HILLS**CY2018****ADMINISTRATION DEPARTMENT****ORGANIZATION OF PROGRAMS**

President, Board and Clerk
Administration
Public Relations
Legal Services

DEPARTMENT DESCRIPTION

The Administration Department includes the activities of the Village President and Board of Trustees (the "Village Board"), the Village Clerk, the Village Manager's Office, legal expenses and support for the Special Events Committee. The Village Board sets policy priorities for the Village, which are then executed under the direction of the Village Manager. The Village Manager's Office serves as the bridge between the Village Board and the operational departments. It ensures that the Village Board has the information and context it needs to make decisions and set priorities, then ensures that the Departments have the direction, coordination, and resources needed to carry out those decisions. The Village Manager's Office is also responsible for Village communications, human resources, and special events oversight.

CY 2018 BUDGET HIGHLIGHTS

The Administration Department expects to continue implementing goals and objectives outlined in previous years by the Village board including moving all IT infrastructure to cloud based services, digitizing old records into our searchable database, implementing the Downtown Master Plan, and implementing South of 55th Study. The Administration department also expects to finalize plans for a new train station.

CY 2018 GOALS AND ACTION STEPS

- * Continue implementation and build-out of the new document management system.
- * Research new online training solution for regulatory and safety training
- * Review, develop and implement intergovernmental cooperation opportunities with the goal of added efficiencies and cost savings.
- * Continue comprehensive review of the Municipal Code.
- * Continue work with the Community Development and Public Works Directors on the preparation of a short and long term, multi-departmental development/re-development plan for areas south of 55th Street.
- * Work with Finance Department to upgrade Village finance management software.
- * Various process improvements including allowing online access and submittal of Village forms.
- * Assist Community Development Department with new Comprehensive Zoning Update
- * Explore Economic Development Tools for the Downtown.

SY2016-CY2017 ACCOMPLISHMENTS

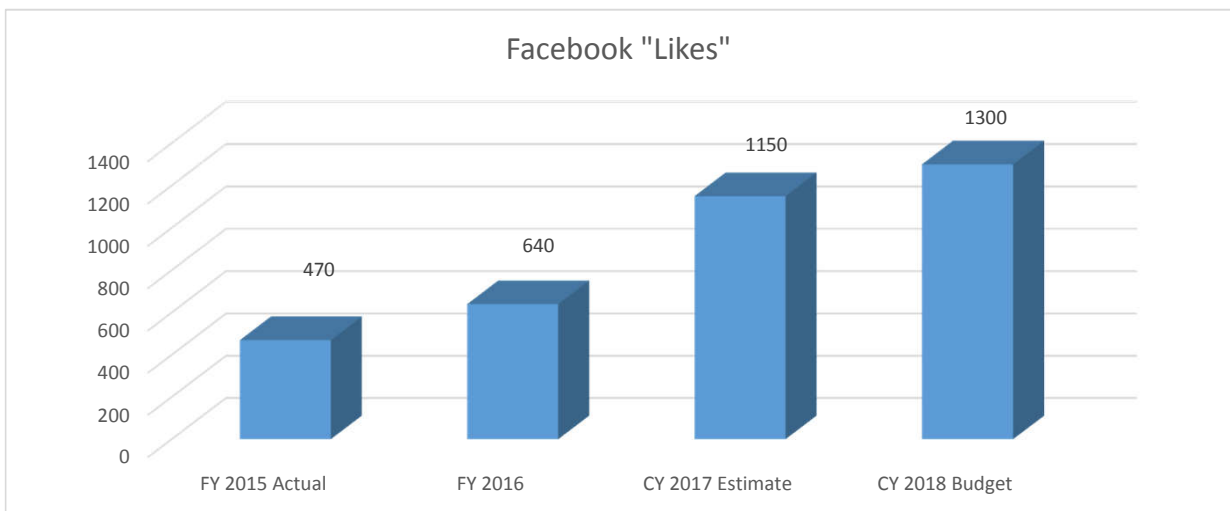

- * Upgraded Village Phone System
- * Completed upgrades to various network infrastructure including new firewall and network switches
- * Assisted in research and implementation for a new Train Station
- * Hired new Finance Director, and Assistant Finance Director positions
- * Created succession plans within the Police Department
- * Oversaw improvements to Village Hall including a new roof and cupola
- * Transitioned the Village to Comcast Internet and PRI solutions
- * Continued to electronically archive past documents into Laserfiche
- * Successfully transitioned to new IT vendor

VILLAGE OF CLARENDON HILLS**CY2018****FINANCE DEPARTMENT****ORGANIZATION OF PROGRAMS**

Finance

Information Technology Services

Miscellaneous Administrative Services

DEPARTMENT DESCRIPTION

The Finance Department includes Accounting, Utility Billing, Payroll, Information Technology, and the Village Hall cashier. The department is responsible for all financial records and transactions for the Village including general ledgers, payroll, accounts payable, accounts receivable, utility billing, investments, and fixed assets. The department also processes the payroll and benefits for the Clarendon Hills Library, and prepares the annual Budget, Comprehensive Annual Financial Report (CAFR), and annual updates to the ten-year Capital Plans for the Village's general and water infrastructure. The Finance Director is the Village Treasurer and, as such, functions as Treasurer to the Police Pension Fund and Fire Pension Fund. All financial transactions associated with the pension funds are handled by the Finance Department as well. The Utility Billing function is responsible for the billing and collection of fees for water service. Information Technology maintains the Village's information systems. The Village Hall cashier provides a variety of services to the residents of Clarendon Hills including, accepting payments for water bills, vehicle stickers, contractor's licenses, business licenses, and building permits.

CY2018 BUDGET HIGHLIGHTS

The Finance Department choose to keep the existing financial software, it is anticipated that the Village will upgrade to a cloud based server with an expected implementation in early CY2018. The CY2018 Miscellaneous Administrative Services includes a transfer of \$4,450,000 to the Capital Projects Fund, this transfer is larger than in previous years due to the fact that there was not a transfer during SY2016. This transfer will bring the fund balance back inline to the 50% fund balance reserve policy. The additional Miscellaneous Administrative Services items include the negotiated sales tax incentives payable to an auto dealership of \$225,000 for salary increases and a contingency reserve of \$100,000.

CY2018 GOALS AND ACTION STEPS

- * Receive the Certificate of Achievement for Excellence in Financial Reporting from the Government Financial Officers Association (GFOA) for the FY2015-16 SY2016 Comprehensive Annual Financial Reports (CAFR).
- * Continue with the redesign of the Village's annual budget document to achieve the Government Finance Officers Association Distinguished Budget Presentation Award. This budget will be submitted for the award program.
- * Choose to keep existing financial software and upgrade to a cloud based server with the expectation to implement in early CY2018.
- * Implemented credit card processing at the front counter and the police department.

SY2016-CY2017 ACCOMPLISHMENTS

- * Received the Certificate of Achievement in Excellence in Financial Reporting from the GFOA for the Village's FY2015-16 CAFR.
- * Successfully hired a Assistant Finance Director.
- * Completed the transition from the Village's fiscal year to a calendar year basis.
- * Implemented the online payroll processing and webtime time (online time keeping) Paylocity.
- * Implemented Greenpay which includes online Utility Billing and online payment processing.

VILLAGE OF CLARENDON HILLS

CY2018 COMMUNITY DEVELOPMENT DEPARTMENT

ORGANIZATION OF PROGRAMS Zoning Board and Plan Commission (ZBA/PC) Community Development

DEPARTMENT DESCRIPTION

The Community Development Department provides professional community planning, construction management, code enforcement, and economic development services to the Village. The Department is responsible for administering zoning and development codes to ensure orderly development and redevelopment within the Village. The Department reviews plans, issues permits and performs the necessary inspections to ensure adherence to adopted construction and design codes and practices. The Department also provides technical and administrative support to the Zoning Board of Appeals/Plan Commission, the Downtown Design Review Commission, the Economic Development Commission, and planning Ad Hoc committees as assigned from time-to-time by the Board of Trustees.

CY2018 BUDGET HIGHLIGHTS

In calendar year 2017, Community Development plans no significant changes to the general department budget and continues planning, construction management, code enforcement, and economic development services. As in previous years, the Department will continue to institute and improve communications and access-to-information programs for our residents, businesses and property owners. In addition, the Department will continue to work with the ZBA/PC, Downtown Design Review Commission, and volunteers of the Downtown Design Review Commission and Economic Development Commission to improve development review programs through plan implementation, code maintenance and education. The Department will continue to implement the strategic activities outlined in the adopted Downtown Master Plan. These activities will include the development of financial tools, completing a comprehensive zoning ordinance revision, revising the Downtown Design Review Guidelines, and researching and making recommendations for public improvements adjacent to and around the train station.

CY2018 GOALS AND ACTION STEPS

- * Seek external funding resources to support implementation of Downtown Master Plan, Southside Plan and the Ogden TIF Development Area initiatives.
- * Implement a more efficient contract-based for the continued development and utilization of the Village's Geographic Information System.
- * Complete the comprehensive revision to the Village Zoning Ordinance.
- * Continue with the joint-development of Clarendon Hills' and Westmonts' Richmond Education Gardens & Apiary

SY2016-CY2017 ACCOMPLISHMENTS

- * Completed Streetscape Plans in Preparation for the private remediation of soils at 99 Park Avenue and adjacent Eastern Avenue right of way.
- * Completed development of a comprehensive plan amendment for the properties south of 55th Street, aka 55th Street Sub-Area Plan
- * Developed a stormwater improvement cost-share program
- * After many years of providing guidance and coordination, the department issued building permits for 229 Park Avenue and 88 Park Avenue. The two developments are the first developments of this magnitude since the 2008 recession. These projects introduce eight new owner occupied homes, thirty five one and two bedroom homes, and seven live-work homes into downtown clarendon hills. Both project are expected to be complet in Spring 2018.
- * Continued to improve the Village's use of new single family construction to improve stormwater conditions throughout the Village.

COMMUNITY DEVELOPMENT
PERFORMANCE MEASURES
BY CALENDAR YEAR**

	FY2015 Actual	FY2016 Actual	SY2016 Actual	CY2017 Estimate	CY2018 Goal
License Type					
Contractor	347	142	71	285	225
Business	107	87	23	125	110
Scavenger	3	3	0	3	3
Total Licenses	457	232	94	413	338

No significant changes in the quantity of licenses are foreseen this budget year. A minor increase is forecasted due to increased communication and contractor tracking of local business via the Community Development department's new online business license and permitting system.

	FY2015 Actual	FY2016 Actual	SY2016 Actual	CY2017 Estimate	CY2018 Goal
Construction Deposits	\$ 402,064	\$ 418,432	\$ 300,000	\$ 300,000	\$ 265,000
Stormwater Deposits	\$ 131,851	\$ 166,960	\$ 185,000	\$ 110,000	\$ 90,000
Water Billing Deposits	\$ 21,500	\$ 23,250	\$ 26,000	\$ 20,000	\$ 20,000
Total Permit Deposits	\$ 555,415	\$ 608,642	\$ 511,000	\$ 430,000	\$ 375,000

The Community Development department goal is to reduce a 10 year construction deposit backlog from \$480,000 to \$300,000 (or 40%) from fiscal year 2015 to 2016. During fiscal year 2015, the Village Board adopted an ordinance which provides the Village the ability to retain permit deposits it is unable to return to the permit applicant. This ordinance will only effect future deposits collected. Stormwater deposits will increase as a result of recent local stormwater ordinance standards (effective May 2015).

VILLAGE OF CLARENDON HILLS**CY2018
POLICE DEPARTMENT****ORGANIZATION OF PROGRAMS**

Board of Police and Fire Commission
Police Administration
Police Operations
Police Support Services
Police Station Maintenance

DEPARTMENT DESCRIPTION

The Police Department coordinates the public safety efforts in the Village. Through investigations, patrols, crime prevention and other efforts, Police officers work to deter and prevent crime within the Village. The Department consists of 13 sworn police officers, and 1 full-time and 3 part-time civilian support staff. The mission of the Police Department is to provide the highest quality of Police service to the citizens and visitors of Clarendon Hills. The Police Department ensures public peace by preventing crime; detecting and arresting criminal offenders; protecting life, property, and the rights of all persons; regulating and controlling traffic; maintaining Police records and communication; providing animal services; and other responsibilities as indicated by statute or Village ordinance.

CY2018 BUDGET HIGHLIGHTS

The CY 2018 budget includes the implementation of DUCOM's computer aided dispatch system (CAD) and record management system (RMS) that the Department started paying for in 2017. The Department plans to hire at least one new officer to fill an existing vacancy in the 13 member roster. The Department will continue to develop its traffic safety program and has requested to purchase 3 to 4 electronic signs to promote pedestrian safety in the school zones

CY2018 GOALS AND ACTION STEPS

The Department has been understaffed for much of 2017. This was due to one retirement and a new hire resignation. In 2018, we plan to have the Department fully staffed. This will allow the Department to cut overtime costs and improve officer training in high liability areas. Officers will be trained beyond state mandates and receive training in use of force, community care, firearms, domestic relations, and mental health. The Department will continue to improve and enhance its traffic safety plan and participate in the "Illinois Traffic Safety Challenge". The Department will continue to search for innovative ways to provide the community with a police department that is efficient and provides quality service.

SY2016-CY2017 ACCOMPLISHMENTS

Created Adjudication hearing process
Started collection process for unpaid fines and judgements
Completed sergeant promotional exam and promoted one sergeant
Completed Police officer testing and created hiring eligibility list
Participated in Illinois Traffic Safety Challenge and won first place as well as Judge's Award.
Applied for and received a traffic safety grant through the Illinois Department of Transportation

Percent of Parking Tickets Paid	86%	83%	86%

In calendar year 2011, an audit of parking tickets revealed the electronic database was not reliable due to data not being entered into the system. Beginning in 2012, efforts were made to improve the database as well as collect unpaid tickets. Almost 18,000 hard copy tickets were pulled, compared and updated in the electronic database to insure accuracy. Letters were sent offering amnesty on late penalties applied to older tickets. Violator's with more than 10 unpaid tickets were sent to the Secretary of State under Section 6-305.5 of the Illinois Vehicle Code. The violator's driver's license was then suspended until the tickets were paid. Our administrative staff developed a system of updating the computer database and staying current with late and final notices. The hard work of police office assistants raised the percent of paid tickets to 89% on the 17,908 tickets written between 1/1/2003 and 12/31/2011. In addition, they have maintained an 85% paid rate on the 6,054 tickets written between 1/1/2012 and 12/31/2014. We now have a sustainable, searchable and reliable database that will keep our percentages high.

VILLAGE OF CLARENDON HILLS

**CY2018
FIRE DEPARTMENT**

ORGANIZATION OF PROGRAMS

Administration
Suppression
Emergency Medical Services
Prevention
Fire Station Maintenance
Emergency Operations Management

DEPARTMENT DESCRIPTION

The Fire Department is responsible for the preservation of life and property of the residents and visitors of the Village of Clarendon Hills. The department also maintains the readiness of personnel, fire station and equipment to promptly respond to requests for emergencies involving fire, rescue emergency medical and emergency management incidents. Other responsibilities include the Village of Clarendon Hills Emergency Operations Plan (EOP), Emergency Operations Center (EOC), and the National Incident Management System (NIMS) training and record keeping for all Village employees. The Fire Department promotes fire prevention, fire and life code enforcement, and public education as a means to prevent the loss of life, reduce the effects of personal injury, and minimize property loss.

CY2018 BUDGET HIGHLIGHTS

In CY2018, the Fire Department does not plan any significant changes to the budget and will continue to operate using primarily paid-on-call and part-time personnel. The Fire Department does not anticipate any staffing or program changes during the CY2018 budget. Purchasing highlights include the following: Regular replacement of protective clothing for firefighters, regular replacement of firefighter alerting pagers, continued membership in MABAS Division 10, and regular replacement of several hundred feet of fire hose. We are currently working with DuComm and the ETSB on the new county wide CAD upgrade which is planned for cutover in June of 2018.

CY2018 GOALS AND ACTION STEPS

- * Continue to analyze the department staffing needs and structure.
- * Continue to enhance fire prevention and public education programs.
- * Continue to improve department training.
- * Continue to work with the Hinsdale Fire Department on our shared services.
- * Continue officer development training programs for Clarendon Hills, Hinsdale and Western Springs.
- * Continue to explore the availability of federal and state grants to enhance our overall ability of providing services to the community.
- * Work toward a smooth transition from the DuComm to the new County wide CAD system.
- * Continue to analyze all aspects of the Village of Clarendon Hills Emergency Operations Plan.
- * Perform training at the Emergency Operations Center for key personnel.

SY2016-CY2017 ACCOMPLISHMENTS

- * Worked with DuComm and the ETSB on fire channel alignments. Clarendon Hills and Hinsdale moved from Fire South to Fire East talk group.
- * Held an Emergency Operations Center Table Top exercise in October 2016.
- * Took delivery of the replacement Heavy Duty Rescue Squad in August of 2017.

VILLAGE OF CLARENDON HILLS

CY2018

PUBLIC WORKS DEPARTMENT

ORGANIZATION OF PROGRAMS

Operations
Public Works Building Maintenance
Village Hall Building Maintenance
Central Business District

DEPARTMENT DESCRIPTION

Public Works is responsible for the maintenance and improvement of the Village's infrastructure including our streets, drainage ditches, storm sewers, detention facilities, stormwater pumps, traffic control devices, sidewalks, trees, street lights, parking lots, public buildings and all equipment which is utilized in the performance of this work. The Department is also responsible for snow & ice control, open field grass mowing, storm damage remediation, support for various community events and placement and removal of banners in the Central Business District (CBD). To perform some of these functions, the Department also utilizes the following funds: Capital Projects, Motor Fuel Tax, BN/CH Parking and Water.

CY2018 BUDGET HIGHLIGHTS

The CY2018 proposed budget includes the change from a full-time Operations Supervisor to a part-time Mechanic. The proposed budget continues our increased presence in the Central Business District while maintaining our current levels of service for all other Department functions. We are continuing to look at all opportunities to partner with other agencies, share resources and jointly purchase goods and services. We will further increase our training activities to ensure staff is up-to-date in the latest techniques and skills in order to continue to increase productivity while keeping safety foremost in all we do.

CY2018 GOALS AND ACTION STEPS

- * Continue enhanced tree replacement program by planting another 80 new parkway trees.
- * Further improve the quality of CBD plantings and landscape maintenance.
- * Increase in-house tree trimming efforts.
- * Continue to explore other shared service and partnering opportunities.

SY2016-CY2017 ACCOMPLISHMENTS

- * Completed the Road and Water Main projects prior to the end of September.
- * Cleaned and added grasses and bushes to the 'remote' i.e. just outside of the CBD, planting beds.
- * Changed interior light fixtures in most buildings to LED, began the same process for CBD and adjacent street lights.
- * Utilized seasonal staff and part-time staff to complete repair and repainting of the Village Hall portico. Also replaced exterior flood light fixtures with LEDs.

VILLAGE OF CLARENDON HILLS

CY2018

CAPITAL PROJECTS FUND

SUMMARY OF REVENUES, EXPENSES, AND CHANGES IN FUND BALANCE

DEPARTMENT DESCRIPTION

The Capital Projects Fund is established to account for the funds committed, restricted or assigned for the acquisition or construction of the Village's capital assets.

	FY2015-16 Actual	SY2016 Actual	CY2017 Budget	CY2017 Projected	CY2018 Budget	% Change CY2017 Proj. to CY2018Budget	% of Total CP Fund Revenues

PREVIOUS CAPITAL PLAN BALANCE

Estimate Assumptions:

Investment Income = Previous year balance multiplied by 0.50% in FY19 - FY20; 0.75% thereafter.

Utility Taxes increase by 1%.

100% of Rental/ Lease income allocated to Capital Projects. Revenue increases by 3%.

Professional Services

Engineering – Road Improvement Program – Engineering services necessary for the construction observation services for the 2018 road improvement program. Also, professional engineering services design and bidding for the 2019 road improvement program. The engineer will conduct an evaluation of current conditions, prepare specifications, prepare bid documents, recommend a successful bidder, and provide construction observation services. **CY18 - \$175,000**

Miscellaneous Professional Services associated with Capital Projects – Miscellaneous advertising or legal fees associated with capital projects. **CY18 - \$5,000**

Engineering – Park Ave Water Basin – Engineering to explore drainage improvements to reduces flooding on Colfax. **CY18 - \$25,000**

Computer Hardware

Digital Sign for the Sloan Triangle - Replace the existing banner system for the Sloan Triangle with a digital sign that could be electronically updated from Village Hall. Due to high demand for space on the current triangle sign, many deserving community events are denied access to advertising. Furthermore, the current system requires Public Works staff to physically attach and remove signs, every time a change is needed. Staff is proposing to charge a fee to users of the digital sign in an attempt to recover the initial cost of the digital sign, however, the fee would be less to the users of the digital sign than the average cost to print their own banner. **CY18 - \$25,000**

Computer Replacements – Migration to Windows 7 and the replacement of certain desktop computers pursuant to a five (5) year rotation. **CY18 - \$10,000**

Replacement/Upgrades to the Village's IT System – To upgrade a portion of the Village's fiber connections from 1 GB to 10 GB bandwidth; Replace the Village's current phone system hardware and system software licensing, which was purchased in 2007 and is approaching the end of its useful life; and install additional wireless access points at the Village Hall, Police Department, and Public Works for better coverage. **CY18 - \$25,000**

Computer Software

Financial/Community Development Software – Software for the Community Development Department that will integrate with the finance software to track permits, deposits, and license's and fees. **CY18 - \$10,000**

Operating Supplies

Replacement Radio Equipment

Even though the DuPage County provides and maintains the primary Starcom 700-800 Mhz Digital Trunked radio systems and portable radios for all Fire and Police Departments in DuPage County, we still need to maintain a VHF 150 Mhz analog radio system for paging purposes and also as a backup to the Starcom trunked radio system. DuComm owns and maintains the VHF analog repeater base station systems and VHF receivers for all of their agencies. We are required to purchase and maintain all of our VHF analog mobile and portable radios. Our VHF radio equipment is between 15-20 years old and is need of replacement. Listed below is a listing of radio equipment needed for replacement at this time.

VHF Portable radios with vehicle chargers (25 radios)	\$50,000
Starcom Mobile Radio for M86r	\$6,000
VHF Mobile radios (8 radios)	\$8,000
UHF Mobile radios (5 radios)	<u>\$5,000</u>
	CY18 \$69,000

Fire Station Alerting System

The DuPage County ETSB is planning and purchasing a county wide fire station alerting system for all fire stations in DuPage County, except Naperville. This new alerting system will be tied to the new County wide CAD system. The Clarendon Hills Fire Station will be provided with the basic alerting equipment and we will be responsible for the remaining portions which will include audio visual read out boards in several locations, alerting strobes, printers, lighting interfaces, etc. Each fire department in DuPage County has been advised to budget about \$35,000 per fire station for this additional equipment. This entire project is a part of the ETSB commitment to provide funding for alerting and backup. At that point DuComm and also the Addison Consolidated Dispatch Center (ACDC) will have full capability to dispatch all fire departments in DuPage County (except Naperville). **CY18 - \$35,000**

Police Equipment – Rifle Purchase (6 units)

Four Colt 9mm rifles were purchased approximately 20 years ago and two .223 rifles were purchased approximately 10 years ago. Receiver parts are no longer available for the Colt 9mm rifles and the .223 rifles are starting to malfunction at a higher rate. Replacement of 6 units is recommended by range staff. Cost for 6 outfitted .223 rifles is approximately **CY - \$7,000**

Emerald Ash Borer Insecticide Treatment – Materials to treat over 300 Ash trees located in Village parkways to limit the effects from the infestation of the Emerald Ash Borer. Public Works Department staff certified by the Illinois Department of Agriculture will be applying the treatments. This will be the last year for this program. **CY18 - \$10,000**

Traffic Safety Signs – CY18 - \$10,000

Other Improvements

Comprehensive Sidewalk Program – The sidewalk maintenance program primarily focuses on the reduction of trip hazards through the replacement of sidewalk squares or concrete grinding. It may include a new sidewalk extension component which would be brought to the Board for approval prior to its implementation. Motor Fuel Tax (MFT) funds are also allocated to this program. **CY18 - \$10,000**

Tree Replacement Program - Annual tree replacement program which was formerly allocated in the Motor Fuel Tax Fund. This year's program contemplates eighty (80) replacements, contingent on actual contract prices. **CY18 - \$35,000**

Richmond Garden Contribution – These funds are the initial seed contribution to the Richmond Garden. **CY18 - \$20,000**

Chestnut Alley Storm water Improvements – This project would add a three- to four-foot layer of open-graded stone underneath the Chestnut Alley for the purpose of temporarily storing stormwater runoff and enhancing the efficiency of the existing pump station. A bio-swale would be added to the north side of the alley where the existing ditch is now located which will enhance the water quality of the stormwater discharged to Flagg Creek, completing part of our requirements under the National Pollution Discharge Elimination System (NPDES) permit we hold. This project is contingent upon receiving a grant of up to 75% (\$367,500) of its cost. **CY18 - \$490,000**

Prospect (RR – Park) Improvements – This project is subset of the plan previously presented in the Village's Access to Transit program application. It is intended to improve pedestrian safety and access to the train station and through the CBD including enhanced crosswalks and planter modifications. **CY18 - \$250,000**

Machinery and Equipment

Squad Cars – Replacements

Each year, staff evaluates each squad to determine if replacement is needed. Replacement for a squad is approximately every 3 to 4 years, depending on millage and idle time. In 2017, two new squads were purchased. Staff anticipates the purchase of two more in 2018. The projected cost of \$75,000 includes the purchase of two squads, setup, electronics and new markings. Staff anticipates the decommissioned squads be sold as surplus. **CY18 - \$75,000**

3-Ton Dump Truck, Unit #15 - Replacement – Replacement of the 2009 International dump truck with 35,200 miles. The replacement truck will be a Peterbilt chassis with an estimated service life of 14 years compared to the existing International unit's service life of 10 years and will be purchased through the National Joint Powers Alliance. Upon receipt of the new unit, the current truck will be sold as surplus. This unit is shared with the Water Capital Fund at 65%/35%. Capital Projects Fund share: **CY18 \$100,750**

Tractor / Loader, Unit #6 - Replacement – Replacement of the 1999 Caterpillar 924G wheel loader. The loader is used in the winter for salt handling and during the remainder of the year for debris management and storm damage response. The replacement loader will be purchased through the State Joint Purchasing Contract. Upon receipt of the new unit, the current truck will be sold as surplus. This unit is shared with the Capital Fund at 50%/50%. Water Capital share: **\$60,000**

Copier Replacements -. CY18 - \$5,000

Road Improvements

Road Improvement Program – This program includes various road resurfacing and concrete shoulder improvements for Arthur, Norfolk, Oxford, Tuttle and Woodstock. The concrete shoulder and a portion of the needed drainage improvements for the project will be funded using a Special Service Area (SSA). **CY18 - \$1,450,000**

Facility and Building Improvements

Replace Original Windows: Village Hall windows on the original side of building are in poor condition and in need of replacement. Identified by the facility study. Cost is taken from facility study. **CY18 - \$30,000**

Replace Exterior Wood Trim: Village Hall wood trim around windows and outer building are poor condition and in need of replacement. Potential to do in-house with Summer help. Identified by the facility study. Cost is taken from facility study. **CY18 - \$40,000**

Fire Station Maintenance Projects

Since it appears that the fire station expansion project will not be done any time in the near future, there are many maintenance items that will need to be completed on the fire station during the CY-2018. Below is a listing along with an estimate of the costs for each one.

Replacement windows entire building	\$18,000
Replace front door and glass entry	\$6,000
Reconfigure rear ramp, retaining wall and parking	\$15,000
Replacement asphalt parking lot	\$30,000
Bury all downspouts and connect to storm sewer	\$6,000
Replace concrete driveway	\$20,000
Replace and reconfigure all concrete sidewalks	\$12,000
Install new railing for rear patio area	\$3,000
Replace suspended drop ceiling in entire station	\$8,000
Painting of offices, washrooms, hallways, etc.	\$10,000
Replace outside storage with a larger one	\$6,000
Remove old underground draft tank	\$15,000
Replacement Office furniture	<u>\$10,000</u>
	CY18 \$159,000

Interfund Transfers

2009 Alternate Bond Debt Service – SSA No. 15 Debt repayment. **CY18 - \$13,700**

2012 Refunding Debt Service – Police Facility and Fire Trucks Debt repayment.
CY18 – 188,525

Contingency

Contingency reserve for unanticipated expenditures. **CY18 - \$100,000**

**VILLAGE OF CLARENDON HILLS
CY2018
WATER FUND**

DEPARTMENT DESCRIPTION

This account reflects the operation, maintenance and improvement to the public water supply owned and operated by the Village. The Public Works Department is responsible for the daily operation and supervision of this utility in order to provide safe drinking water to our residents. Operations include daily monitoring, metering, water quality testing, IEPA compliance, locating for JULIE, and routine maintenance. Maintenance includes hydrant flushing, painting and replacement as well as small repairs, including emergency work, generally associated with water main breaks. System improvements include water main replacements, reservoir inspection and painting, and equipment replacements, which include vehicles and pumps.

CY2018 BUDGET HIGHLIGHTS

The proposed budget maintains current levels of service for all program functions. Our proposed main replacement project is the largest since the Stonegate Subdivision in 2014. Also included is the repainting of the Burlington tank.

SY2016-CY2017 GOALS AND ACTION STEPS

- * Complete water main replacement on Arthur and Tuttle ahead of the 2018 road program.
- * Complete migration of the current water system atlas data to the Village Geographic Information System.
- * Evaluate more efficient location of cell tower cabling on Burlington tank in conjunction with painting project.

SY2016-CY2017 ACCOMPLISHMENTS

- * Completed water main replacement on Colfax and Ruby prior to the 2016 road program and within budget.
- * Completed water main replacement on Naperville and Oxford prior to the 2017 road program and within budget.
- * Began migrating the current water system atlas data to the new Village Geographic Information System.

Estimate Assumptions:
Water Sales based on an average usage of 225 million gallons annually; Water rates are projected in this model to remain flat.
Water Related Fees increase by 2% annually.
Operating expenses, other than the costs for water, increase by 2%. Capital expenses based on 10 year capital plan.
Transfers Out increase by 3.5% every six years.

Professional Services

Water Main Replacement Design/Observation – Observation for the CY 2018 water main replacement project, and design and bidding services for the CY 2019 water main replacement project. **\$200,000**

Park Avenue Water Tower Painting Inspection – Specification preparation for the Park Avenue Water Tower Painting project scheduled for CY2019. **\$52,500**

Other Improvements

2018 Water Main Replacement Project – Replacement of 8,300 feet of 85 year old water mains on Arthur and Tuttle area ahead of the 2018 road program. **\$2,250,000**

Park Avenue Water Tower Painting Project – Painting of the Park Avenue Water Tower. Next scheduled painting will be 2033. **\$500,000**

Park / Burlington Water Tower Cathodic Protection Project – Maintenance of the cathodic protection for the water towers in conjunction with the painting projects. Burlington in CY2018, Park in CY2019. **\$12,500**

Machinery and Equipment

3-Ton Dump Truck, Unit #15 - Replacement – Replacement of the 2009 International dump truck with 35,200 miles. The replacement truck will be a Peterbilt chassis with an estimated service life of 14 years compared to the existing International unit's service life of 10 years and will be purchased through the National Joint Powers Alliance. Upon receipt of the new unit, the current truck will be sold as surplus. This unit is shared with the Capital Fund at 35%/65%. Water Capital share: **\$54,250**

Tractor / Loader, Unit #6 - Replacement – Replacement of the 1999 Caterpillar 924G wheel loader. The loader is used in the winter for salt handling and during the remainder of the year for debris management and storm damage response. The replacement loader will be purchased through the State Joint Purchasing Contract. Upon receipt of the new unit, the current truck will be sold as surplus. This unit is shared with the Capital Fund at 50%/50%. Water Capital share: **\$60,000**

1.5-Ton Utility Truck, Unit #9 - Replacement – Replacement of the 2007 Ford F550 utility truck with 55,000 miles on it. The truck is the primary water division vehicle and which is utilized for main repairs and meter servicing. The replacement truck will be purchased through the State Joint Purchasing Contract. Upon receipt of the new unit, the current truck will be sold as surplus. **\$97,500**

Other

IEPA Loan Repayment – Repayment of the twenty year, 0% interest loan from the IEPA for water main construction in FY 2009-10. **\$81,900**

MOTOR FUEL TAX FUND

SUMMARY OF REVENUES AND EXPENDITURES

DEPARTMENT DESCRIPTION

The Motor Fuel Tax Fund is used to account for the Motor Fuel Tax revenues restricted by the State of Illinois for road repairs and improvements. It is the Village's intent to utilize a portion of the Motor Fuel Tax Fund balance over the next several years for road maintenance, with the intent to draw down the fund balance to 50% of expenditures.

SPECIAL TAX ALLOCATION FUND (OGDEN AVENUE TIF)

SUMMARY OF REVENUES AND EXPENDITURES

DEPARTMENT DESCRIPTION

The Special Tax Allocation Fund is used to account for incremental taxes, the use of which is restricted to activities of the Village's Tax Increment Financing District on Ogden Avenue. Beginning in FY 2014-15, the TIF Fund began repaying the loan from the Capital Projects Fund for the TIF creation costs.

Interest rate will be adjusted on an annual basis at the end of the fiscal year, based on the weighted portfolio yield for the Capital Projects Fund.

Interest will be accrued on an annual basis at the end of the fiscal year.

Annual repayment amount will be adjusted annually as necessary, to ensure repayment of the debt by FY 2029.

POLICE PENSION FUND

SUMMARY OF ADDITIONS AND DEDUCTIONS

DEPARTMENT DESCRIPTION

The Police Pension Fund accounts for the accumulation of resources to be used for retirement annuity payments to uniformed police department personnel at appropriate amounts and times in the future. Resources are contributed by employees at rates fixed by State Statute, and by the Village at amounts determined by an annual actuarial study.
