MEMORANDUM

To: Village President Austin and Board Trustees
From: Kevin Barr, Village Manager *ksb*
Date: November 3, 2017
Subject: Weekly Report

- 1. CY '18 Budget Workshop:** The Budget workshop was held last Saturday. Over the four (4) hour period we reviewed all aspects of the budget with the Village Board. Amongst the many areas of discussion was a detailed review of the proposed projects in the Water Fund. Staff has identified certain water mains that are in need of replacement in conjunction with the upcoming road program. The identified mains are about 90 years old. The Board discussed adding additional mains beyond the recommendation to the project list but decided this would be too expensive at this time. The Board also determined to remove two major projects identified for the area south of 55th Street from the 10-year plan. The budget does not include a rate increase for 2018. The last rate increase, approved in 2011 to match the increases implemented by the City of Chicago, went into effect in January 2016.
- 2. Audit Kick-Off Meeting:** Maureen Potempa, Kim Swiderek and I participated in a kick-off meeting with Sikich for the CY 2017 audit. That process will begin in December and is expected to be completed in July 2018.
- 3. Trick or Treat:** Trick or treating seemed to go off without a hitch this Tuesday. A little cool, but the children I saw out seemed to be having a wonderful time.
- 4. DMMC Regulatory Committee Meeting:** I participated in a conference call for this Committee. The topic was the proposed legislation covering small cell wireless facilities. The telecommunication industry is looking for uniform regulations to allow (force) the installation of devices on publicly owned facilities and poles. The conclusion of the Committee was to continue opposing the existing proposed language, since it is not considered to appropriately compensate the public for the use of these facilities. A vote is possible in the next week or two.
- 5. Storm/Flooding Event:** Staff continues to respond to flooding complaints and maintain a complete list of addresses that reported problems. The Village Board tentatively approved \$25,000 for the 2018 budget for storm water related studies, particularly for the Park Avenue Basin.

6. **Assistant to Village Manager Recruitment:** We have conducted several interviews for this position with the first round scheduled to conclude on Monday. We hope this process can be completed as soon as possible.
7. **Zach Creek Last Day:** Today is Zach's last day with the Village as he moves on the Assistant Village Manager position with the Village of La Grange. Zach will be missed. I am sure he will find success and meet the challenges presented in his new position. Thank you to Zach for his dedicated service to the Village of Clarendon Hills.

Have a Great Weekend!

During the Halloween weekend, the Police Department took part in the IDOT Click-It-Or-Ticket and DUI enforcement campaign. Officers issued 16 citations for various traffic violations.

Significant traffic and criminal activity during the period October 28, 2017 through November 3, 2017.

October 28, 7:18pm, officers were called to a home on Chestnut for a possible underage drinking party. Officers observed numerous kids running from the house upon arrival. Officers made contact with the homeowners who were out of town and unaware of the party. Department juvenile officers will follow up.

October 29, 2:42am, officers were called to the area of 100 Ann Street where the caller reported loud noises coming from the area. Officers found an abandoned vehicle which had crashed into the curb and was inoperable. Later that morning, a 20 year old Darien female called Willowbrook Police and reported the car stolen. The investigation revealed she falsified the events. She was charged by Willowbrook Police with filing a false report.

November 2, 4:42am, an officer stopped a speeding vehicle at 55th and Holmes. During the initial contact with the driver, the driver decided to drive away from the officer. The offending vehicle traveled north on Holmes and crashed into a tree at the intersection of Eastern and Harris. The driver ran from the vehicle. The driver is a 25 year old Chicago man. Charges pending.

November 3, 8:06pm, officers were called to the parking lot of the Richmond Apartments for a suspicious person. The caller reported an unknown woman had entered his vehicle and asked him to take her home. Officers talked with the woman and discovered she suffered from mental illness.
