MEMORANDUM

To: Village President Austin and Board Trustees
From: Kevin Barr, Village Manager *ksb*
Date: December 8, 2017
Subject: Weekly Report

1. **Manager's Committee Meeting:** I attended the DMMC Manager's Committee meeting on Thursday morning. Many different items were discussed included the need to update the Village's sexual harassment rules and regulations to match recently enacted State law. We also heard an update presentation from the IMET Executive Director. The update suggests that we may be able to expect as much as \$150,000 to be returned to the Village, possibly in 2018, from the monies lost several years ago. This money would be distributed to the General, Capital and Water Funds in proportion to the investment at the time of the loss.
2. **Budget Approved/2018 Road Program Resident Meeting:** The 2018 Budget was adopted at the Board Meeting on Monday night. The budget includes funds to continue the Village road program improvements. In 2018 the work will be on Oxford, Tuttle, Woodstock, Arthur and Norfolk, all south of Chicago Avenue. Local residents in these areas have been invited to attend an open house on Wednesday night beginning at 5 p.m. to give them an opportunity to learn more about the project and to answer any questions they may have.
3. **Christmas Walk:** This event last Friday night worked out very well. The weather was good for the season and all those that attended seemed to have a great time. Thanks to the Chamber for taking the lead in organizing the event and all the Village employees who contributed. Vicki Pries, in particular, did a great job making everyone feel welcome in the Village Hall.
4. **Peter Nickell Starting:** As reported before, Peter will be starting his new position as Assistant to the Village Manager on Monday. We are happy to have Peter starting as we have plenty to do. You will all get a chance to meet him at the December 18th meeting.

Have a Great Weekend!
