- 1. July 4<sup>th</sup> Fireworks:** As you know, due to inclement weather, the Hinsdale Golf Club had to reschedule for Friday, July 6<sup>th</sup>. The event went off without a problem, though the Police reported less attendance than normal.
- 2. Dancin' in the Street:** Dancin' in the Street returned this past Wednesday. The weather has been good so far. See everybody again next Wednesday when the music will be performed by The Millennials and the food provided by Toasty Taco.
- 3. Recycling Charge Update:** We previously reported regarding changes occurring in the recycling market that might affect the fees charged by Republic to our residents. We have now received a formal request from Republic to charge an additional \$1.70/month for these services. We are reviewing this request and will provide additional information at an upcoming meeting.

**Enjoy the weekend. Stay cool!**

1. The 2018 Road Improvement program trundles along. Concrete shoulder is in place on both sides of Tuttle and Arthur. Work on the apron replacements continues and preparation work on Oxford and Woodstock is underway. Shoulder work will begin on those streets next Wednesday.
2. Also trundling along is our parkway repair work. Now that we are fully staffed, we have made a dent in the backlog. We still have a few dozen tree stumps to fill.
3. We are nearly caught-up with our mowing work and should be on our regular schedule next week. Watering of flowers and turf is continuously underway.
4. The first  $\frac{1}{2}$  of the concrete driveway replacement at the Fire Station is complete. The second  $\frac{1}{2}$  is tentatively scheduled for next Monday.
5. A preconstruction conference for the Prospect Avenue Resurfacing project will be held during the week of July 23<sup>rd</sup>.
