1. **Chestnut Alley** – We are continuing to work with residents to see how we might move forward with this project. We have plans to meet with one or two residents on Friday morning.
2. **Forum re: Cannabis Legislation** – Village President Austin and I attended an event at Harper College regarding the potential impacts of legalized marijuana legislation. The event was informative and provided some early information on how the rules may impact us and action the Village may be asked to take. This could include zoning or other regulatory actions. There will be more to come which we will keep you advised of.
3. **Table Top Exercise** – Assistant to the Manager Nickell and I attended an emergency exercise held at our police department on Thursday morning. Police and Fire Departments from Clarendon Hills, Hinsdale and Western Springs attended, along with school district and parochial school representatives. DuPage County emergency management personnel presented the event which covered a possible school incident. It was an excellent event which highlighted the substantial preparation which has already occurred, and areas that could perhaps be improved. Thanks to the organizers, including our Deputy Fire Chief Krupp, for their efforts.
4. **GFOA/CAFR Award** – The Finance report provides details on the annual award. I wanted to thank Finance Director Potempa and her staff for the hard work involved, with special thanks to Assistant Finance Director Kim Swiderek for her hard work in keeping our books in order.
5. **Recruitment Efforts** – Finance Director Potempa and Assistant to the Manager Nickell held interviews for the part-time Fiscal Assistant opening. They believe the process will be coming to a close very soon.

Have a good weekend.
