## MEMORANDUM

**To:** Village President Austin and Board Trustees  
**From:** Kevin Barr, Village Manager *KSb*  
**Date:** October 25, 2019  
**Subject:** Weekly Report

1. **DuPage County Field Court Discussion** – I attended the County Board Finance Committee meeting on Tuesday morning to hear the discussion on this issue. Though it was an often confusing discussion with competing points of view the general consensus was that communities interested in a local field court would need to pay for the privilege. Further discussions have occurred and we expect to have an update for the Board at an upcoming meeting.
2. **DuPage County Cannabis Decision** – The DuPage County Board voted on Tuesday to ban cannabis dispensaries in unincorporated areas. Though not likely, this might have affected Clarendon Hills due to unincorporated areas adjacent to the south side of 55<sup>th</sup> Street.
3. **Budget Update/Board Workshop Schedule** – As a reminder, the Budget Workshop meeting with the Board will take place at 5:30 p.m. on Monday November 4. We plan to post an agenda for regular meeting actions at 7 p.m. that same evening. Budget materials will be sent out next week.
4. **Westmont Cannabis Discussion** – The Westmont Village Board met last night to discuss the status of cannabis sales. As of now, it appears they plan to allow dispensaries in certain districts with a special use application. The areas where this might be allowed include most of the areas adjacent to Clarendon Hills north of Ogden, except for areas immediately north of the Stonegate neighborhood. There are some areas south of Ogden that could be allowed, but NOT the Standard Market property.
5. **Chamber Halloween Walk** – The Chamber of Commerce Halloween Walk is tomorrow (Saturday) in the downtown area from 11 a.m. to 2 p.m. Bring the kids and enjoy this event!
6. **Free Leaf Pickup** - As a reminder, leaves (only – no grass!) can be placed in yard waste cans or paper yard waste bags and placed out on Tuesdays with your other garbage without a sticker. Other yard waste (grass clippings, sticks, weeds, etc.) still require a sticker. This is in effect for the months of October and November.

***Have a great weekend!***

## MEMORANDUM

**To:** Kevin Barr, Village Manager  
**From:** Brendan McLaughlin, Public Works Director  
**Date:** October 25, 2019  
**Subject:** Weekly Report

1. The Burlington Water Tower has been painted and crews are starting on adding the village logo.
2. Salt spreaders and plows were installed on the smaller trucks to ensure everything is operational and no parts need to be ordered.
3. We began recruitment for a Maintenance Worker.
4. I attended a meeting of the DuPage Mayors and Managers Transportation Committee. Additionally, there was a mandatory training session for municipalities applying for or receiving federal transportation dollars. The Village will be receiving such monies when the pedestrian bridge adjacent to Eastern Avenue is replaced.
5. Crews performed work at the Richmond Educational Garden area to prep the area for brick pavers to be installed.
6. Additional culvert maintenance was performed. New landscaping went in at the Ogden Avenue entrance to Stonegate. This was jointly funded by the neighborhood and the village. Public Works will be watering the new plants until they are established.
7. A fire hydrant was replaced on Holmes south of 55<sup>th</sup>.
8. Trees were measured for winter trimming by the Village's contractor.
9. IDOT contacted us to schedule a preconstruction coordination meeting for the roadway and landscaping improvements that will occur north of the Burlington Northern Tracks and mostly east of Prospect. We will be meeting on November 11<sup>th</sup> at IDOT Headquarters.
10. ComEd performed a number of pole replacements. One set was in advance of the train station work. The other area was on Burlington to allow for one of the businesses to expand.
