School will be back in session shortly. Please keep an eye out for children walking or biking to school. Remember, the speed limit in a school zone is 20MPH. Do not pass loading or unloading school buses.

Parents, please share these Pedestrian Safety Tips with your children.

- Use the sidewalk whenever possible, and if there is not a sidewalk, walk on the edge of the street facing traffic.
- Whenever they are available, use marked crosswalks to cross the street, and look left-right-left for vehicles or bikes before crossing.
- Make sure you never play, push or shove others when you walk around traffic.
- Everyone should watch the road, not their phones.

Residents, please continue to lock your cars and homes. Also, be aware of your surroundings when out and about. Do not leave keys, valuables, or garage door openers in your cars.
