- The topic of this month's Police Law is body cameras.

## **Recent events:**

On August 13, 3:47am, officers discovered a suspicious car on Colfax, which fled the area as officers approached. It turns out, this vehicle was associated with multiple burglaries to unlocked cars on Colfax. It would help our efforts, and possibly dissuade criminals from coming into town, if residents would lock up their belongings.

On August 16, 4:10am, officers responded to an attempted burglary in the business district. Unknown criminals damaged a door while trying to gain entry to one of the businesses.

On August 16, 1:00pm, officers responded to the Jewel Foods for a child custody dispute. Officers help the parents work out an agreement.

On August 18, 8:00pm, officers stopped a speeding motorist on Chicago Ave. The driver, who was under 21 years old, was in possession of cannabis and alcoholic beverages. He was cited and the contraband was seized.

On August 18, 1:26am, officers responded to Coventry Ct. for a domestic. One of the participants agreed to leave for the night.

On August 18, 5:02am, officers came across two suspicious individuals, carrying bricks, as they walked behind Starbucks. The subjects fled when approached by officers and the ensuing search provided negative results. Pending.
