

CHESTNUT ALLEY – PROJECT NOTICE

Our contractor had an unplanned delay on another project and we will be starting earlier than planned.

Apologies for the short notice.

The Alley Improvement Project is slated to start on Monday, April 6th.

Substantial completion is projected to be Friday, June 5th.

A. Lamp Concrete Contractors Inc is the General Contractor responsible for operations.

During construction there will be no access or parking in the alley.

Parking for Burlington Avenue businesses and residents will be relocated to Burlington Avenue in the Permit Only Spaces.

Parking for Chestnut Avenue residents will have the option of using Burlington or Chestnut.

Please display the PARKING PERMIT so the Police Officers are aware who is parking.

Overnight on street parking is allowed with this permit.

Email bmclaughlin@clarendonhills.us if additional permits are needed.

The contractor will coordinate with you regarding refuse bins and hauler access.

Should you have questions or concerns, please feel free to use the following contacts.
