| Name of Contractor: | Type of Contractor: |
| 1. Meade | General and Electric |
| 2. | |
| 3. | |

All contractors performing work in the Village must be [licensed/registered] by the Village prior to the issuance of any permit. Please provide appropriate proof of contractor licensing.

OTHER APPROVALS

If any of the Projects are situated within rights-of-way of the Illinois Department of Transportation or of the DuPage County Highway Department, then additional permits from those entities must be obtained and provided as part of this application before a permit may issue.

APPLICATION CHECKLISTS AND REQUIREMENTS

Each Application must be accompanied by the following to be deemed complete:

1. Site specific structural integrity and, for a Village utility pole, make-ready analysis prepared by a structural engineer, as that term is defined in Section 4 of the Structural Engineering Practice Act of 1989, including a certification by the structural engineer that the utility pole or wireless support structure meets the requirements of the applicable code;
2. The location where each proposed small wireless facility, utility pole or wireless support structure would be installed and digital photographs of the location and its immediate surroundings depicting the utility poles or structures on which each proposed small wireless facility would be mounted or location where utility poles or structures would be installed. The photographs shall include a digital photo simulation of the proposed location providing "before and after" views, demonstrating the true visual impact of the proposed wireless facilities on the surrounding environment;
3. Specifications and drawings prepared by a structural engineer, as that term is defined in Section 4 of the Structural Engineering Practice Act of 1989, for each proposed small wireless facility covered by the application as it is proposed to be installed, including a certification by the structural engineer that the drawings and specifications comply with all applicable codes, rules and regulations;
4. The equipment type and model numbers for the antennas and all other equipment associated with the small wireless facility;
5. A proposed schedule for the installation and completion of each small wireless facility, utility pole and wireless support structure covered by the application, if approved;
6. A traffic control plan demonstrating the protective measures and devices that will be employed consistent with the Illinois Manual of Uniform Traffic Control Devices, to prevent injury or damage to persons or property and to minimize disruptions to efficient pedestrian and vehicular traffic. If it is claimed that no traffic control plan is necessary, a statement setting forth the basis for no traffic control;
7. An emergency contingency plan which shall specify the nature of any potential emergencies, including, without limitation, construction and hazardous materials emergencies, and the intended response by the applicant. The intended response shall include notification to the Village and shall promote protection of the safety and convenience of the public;
8. Copies of all licenses, permits and approvals required by or from the Village (i.e. zoning approval, where required), other agencies and units of government with jurisdiction over the design, construction, location and operation of said small wireless facility. The applicant shall maintain such licenses, permits and approvals in full force and effect and provide evidence of renewal or extension thereof when granted;
9. In the event the small wireless facility is proposed to be attached to an existing utility pole or wireless support structure owned by an entity other than the Village, legally competent evidence of the consent of the owner of such pole or wireless support structure to the proposed collocation;
10. In the event the small wireless facility is to be located on private property outside of the right-of-way, legally competent evidence of the consent of the owner of such property to the proposed collocation;
11. Application Fee(s);

APPLICATION CHECKLISTS AND REQUIREMENTS (continued)

12. If the proposed installation includes ground-mounted equipment, compliance with any applicable Village standards, including, where required: a landscape plan showing specific landscape materials, method of fencing, finished color and, if applicable, the method of camouflage or concealment;
13. Copy of existing Master Pole Attachment Agreement with the Village relative to Small Wireless Facilities, if any, if seeking to locate on a Village owned utility pole or wireless support structure;
14. Sufficiently detailed documentation establishing that the proposed installation will comply with all ordinances of general application pertaining to installations in the right-of-way, right-of-way usage and the National Electric Code; and
15. Proof of minimum mandatory insurance, including self-insured retentions.

ATTESTATION, ACKNOWLEDGMENT & SIGNATURE

I attest, to the best of my knowledge and belief, that the information stated in this application and in all supporting plans and documents is true and accurate. In addition, to the best of my knowledge and belief, the proposed collocation of the small wireless facility sought by this application complies with the written design standards established by the Village, and with the various other requirements set forth in the Small Wireless Facilities Deployment Act (P.A. 100-585), Chapter 60 of the Village Code as may be amended from time to time, and other applicable provisions of the Village Code.

This is an application only. Completion of this application does NOT entitle the applicant to commence construction. I, the applicant, agree to conform to all applicable laws of the Village. I also agree that all work performed will be in accordance with the plans and specifications as set forth in the approved permit. I understand that the approval of this application and issuance of a permit does not obviate the need to comply with all applicable laws and ordinances. I agree to hold harmless and indemnify the Village for any claim against the Village as the result of any act of commission or omission by or on behalf of the undersigned, his/her agent, principle, contractor, subcontractor or supplier. I, the undersigned, am the duly authorized and contracted representative of the applying entity/owner of the small wireless facility.
