

## BLUE DOT PERMITS

Dear Blue Dot Permit Applicant:

Blue Dot permits allow employees of Clarendon Hills businesses to park in designated areas at a reduced rate while they are at work. Permits are transferable to other employees of the same business but may only be used while the employee is at their place of employment in Clarendon Hills. The semi-annual permits cost \$50.00 and can be purchased at the Clarendon Hills Police Department at 448 Park Avenue, Monday through Friday from 8 am to 7 pm. You can also purchase your permit online at [www.clarendonhills.us](http://www.clarendonhills.us).
